

THE STOTT

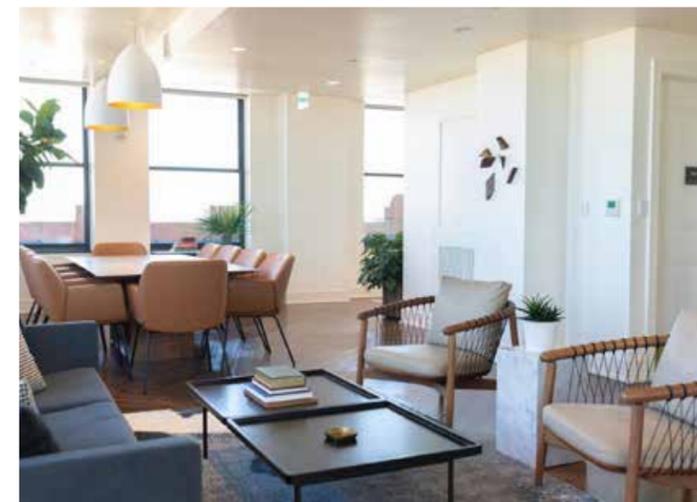

CAPITOL PARK | DETROIT

THE HEIGHT OF LIFE IN DOWNTOWN DETROIT

Towering 38 stories above the scenic greenspace of historic Capitol Park, The Stott – still upholding its original Art Deco design details – has been carefully restored and recently transformed into one of downtown Detroit’s newest residential communities. The beautiful building boasts studio, one-, two- and three-bedroom apartments in more than 20 distinctive floor plans. Each apartment features the contemporary convenience of in-unit laundry and stainless-steel appliances as well as walk-in closets and built-in shelving. The top floor offers some of the area’s most picturesque views from the state-of-the-art fitness center, and the community lounge just below provides a place to relax and socialize while overlooking vast cityscapes. Taking everyday essentials to the next level, The Stott invites residents to experience city living in sky-high style.
