LEARN MORE

Bernstein Management Corporation participates in the Inclusionary Zoning (IZ) program of the District of Columbia. Pursuant to the District of Columbia IZ program, income-restricted units are available at this development. Contact the Department of Housing and Community Development regarding the availability of such units and requirements for registration in the IZ program. Household income must be verified to match property income restrictions. For more details please review theshay.com/affordableliving. Contact the leasing team for pricing, availability and additional details.
