ANTELOPE RIDGE INSIGHTS
NEWS & STORIES

September is Suicide Prevention Month

We can all help prevent suicide!

With changing seasons, let's all be aware of a change in emotions and priorities in our friends, colleagues and neighbors as we approach the busy holiday season and deployments. If you or someone you know are experiencing suicidal thoughts, please call The National Suicide Prevention Lifeline at 800-273-8255 or 911.

Pet Sitting

For the safety of our residents, guests, staff and furry friends, Antelope Ridge must be notified of all pets in our homes. Pet Sitting is permitted for a maximum of two weeks with a Pet Sitting form on file. Pets staying longer than two weeks must be added to the lease. Please contact your Leasing Specialist for more information.

Our President's Message

As the year begins to wind down, I am reminded of the feelings that come with moving to a new duty station, adjusting to new responsibilities on a new role, and trying to find a sense of connection and community. The unique challenges and sacrifices of military life lead us to continually improve our service delivery at Hunt Military Communities.

September we will have several community-wide focuses. The first is Suicide Prevention Month. This month we will be hosting several events sharing important educational materials on this most important topic. On average, 22 active or retired service members take their own lives each day, and unfortunately I know this pain too well having lost several of my Marines to suicide. We can help those in need by learning the warning signs and the appropriate resources available to help service members in need. Please look at the schedule of events you can attend and help us make mental health a priority for our military families. The other notable event is the anniversary of 9/11. In memory of those who lost their lives and those whose lives are forever changed, we will be hosting Never Forget Walks in each of our communities.

Additionally, we will have an opportunity for children to write a 100-word essay on "What It Means To Be A Patriot," to help them grasp the selfless commitment of their family service member. More information to follow on both of these important events. We look forward to your participation. Thank you for allowing us the opportunity to serve you.
