ANTELOPE RIDGE NEWS & STORIES

Ask about our Community Advisory Board and HEART Program!

Our President's Message

As we progress through August, everyone is focused on getting the kids back to school and thinking about all those chores that were put on hold while having fun over the summer. At Hunt, we've been focused on finding more ways to support our military families. This month, Hunt launched the **HEART** Program. HEART stands for **Hunt Embraces: Activities, Resources**

& Training and this new program provides services and educational training in the areas of navigating military life, how to access base resources, and activities for children and families. Some new services you can look forward to include: a comprehensive Resource Guide including on-base and local community resources, introduction and guidance when navigating through new local school systems, extra maintenance hours to deployed spouses so when requested for things such as removing Christmas trees, assisting with hanging pictures, etc., and special events in support of deployed service members such as preparing and mailing care packages twice a year and delivering special treats to spouses on Valentine's Day. And there is much more. Get in touch with your Resident Service Specialist for more information or to take advantage of these great programs.

Best,

John Ehle
President
Hunt Military Communities

Reserved Parking

You may have seen construction in some of the courts, and completed parking lots in our community. These parking spaces are available to reserve for \$20 per month! This will allow residents to have consistent parking available for their additional household vehicles.

CEL Survey

We have had many events in August, and will continue to have events throughout this month for residents to participate in. Each event that you participate in (Facebook or in person) gets you a point towards the grand prize drawing for our CEL survey!

The survey will be sent out to your email in the first part of October, so be sure to look out for that!

Contact us at:

605-791-3181 or antelopridgers@huntcompanies.com

Community Safety Reminders

Speed limits are posted throughout the community. Speed limits are enforced by the Box Elder Police Department for the safety of the residents, especially children, in the community. **Unless otherwise posted, the speed limit in all residential neighborhoods is 15 mph.**

Transformers and utility boxes are not play areas. Do not allow children to play on them or dig around them. They are to protect individuals from high voltage electricity.

Keep doors and windows locked to protect belongings and individuals.

Do not warm up vehicles in the garage with the garage door closed. This is a common cause of carbon monoxide poisoning and can be life threatening.

An emergency box should be prepared in case of emergencies to include: bottled water, non-perishable foods, flash light with batteries and an emergency radio.
