Our President's Message

We are coming up on CEL season, and I want to encourage all of our residents to participate and here's why...

The annual CEL Survey is an important instrument for Hunt to understand what we are doing well and what we need to work to improve. The CEL survey is available to all military housing residents throughout the country. It is controlled and administered by an independent, third-party who

reports the results simultaneously to us and the Department of Defense. Across the Hunt portfolio of communities, we have an average of over 50% of our residents who respond. This response rate is statistically high, but we want to continue to encourage our residents to respond in as large numbers as possible, so we get an accurate view of what is occurring within the communities.

Our goal is 100% satisfaction. When we fall short, we want to know so we can fix any problems before they become bigger issues. We also want to know which of our communities have high satisfaction rates so we can share best practices.

We want to hear from you, and this is one of several tools we use to facilitate that. I look forward to what you have to say.

Best,

John Ehle
President

Snow/Ice Removal Policy

For the safety of all, residents are required to remove any accumulation of snow / ice on the exterior stairs, walkways and driveways of their homes in a timely manner. In the event of an emergency, it is imperative that access is available for emergency services and for the safety of residents. Residents are responsible for removing snow within 50 feet in any direction from their home.

Snow Removal

Snow is removed in the following priority:

1. Main Roadways
2. Loops and Streets
3. Fire Hydrants
4. Bus Stops
5. Mail Cluster Box Units (CBU's)
6. Sidewalks, not including resident walkways.
7. Overflow parking areas

Please understand that during storms of long duration, blowing or drifting snow and/or periods of heavy snow (more than 2 inches per hour), the priority to maintain the main roads and loops will supersede all other areas.
