Our President's Message

This month the Hunt Heroes Foundation, in partnership with Hunt Military Communities, will be launching their third annual Hunt Little Heroes program. This program is aimed at highlighting the extraordinary military children who serve our communities in thoughtful and meaningful ways. If you know of a military child aged 4-15 who works to make the community where they live a better place, please encourage them to apply to be a Hunt Little Hero. All applicants will receive a special commemorative coin and hero cape. Three outstanding children will be awarded a monetary gift along with the opportunity to have a matching award presented to the charity of their choice. Applications open March 15, 2022 and run through April 15, 2022. For more information, please visit huntheroesfoundation.org. As we usher out winter and welcome the warmer days of spring, I wish you and your family the very best.

Sincerely,

Brian Stann
President & Chief Executive Officer

Snow Removal

For the safety of all, residents are required to remove any accumulation of snow / ice on the exterior stairs, walkways and driveways of their homes in a timely manner. In the event of an emergency, it is imperative that access is available for emergency services and for the safety of residents. Residents are responsible for removing snow within 50 feet in any direction from their home.

Grills

The use charcoal/live coal barbecue grills on wooden decks is prohibited and must be used a minimum of 15 feet away from any structure. Fuel bottles (propane) from the gas-fired grills (attached or unattached) may be stored inside the garage. Do not store these bottles inside the structure. All grills may be stored in garages, on porches, decks, balconies and patios, provided the charcoal is completely extinguished or the gas fire is out and the propane is turned off.
