

CONSUMER CONFIDENCE REPORT

WHAT IS A CONSUMER CONFIDENCE REPORT (CCR)?

CCR's are annual reports that provide consumers with information regarding their local drinking water quality. These reports highlight the most pertinent information regarding public health. Eagle River Village MHP routinely monitors for contaminants in your drinking water according to the Federal Safe Drinking Water Act, which is administered by the Colorado Department of Public Health and Environment, Water Quality Control Division.

INFORME DE CONFIANZA DE CONSUMIDOR

¿QUÉ ES UN INFORME DE CONFIANZA DE CONSUMIDOR?

ICC's (Informes de Confianza de Consumidor) son informes anuales que proporcionan a los consumidores con información sobre la calidad del agua potable local. Estos informes destacan la información más pertinente sobre la salud pública. Eagle River Village MHP hace monitoreos rutinarios en busca de contaminantes en el agua potable según la Ley Federal de Agua Potable Segura, lo cual está administrado por el Departamento de Salud Pública y Ambiente de Colorado, la División del Control de la Calidad de Agua.
