PET POLICY

For the purpose of the Landlord's pet policy, pets are considered any domesticated cat or dog cared for by a tenant for non-commercial, personal purposes and must be approved by the Landlord. Visiting animals are not permitted on the premises.

Service Animals and Emotional Support Animals are not pets. If you wish for your animal to be considered a Service or Emotional Support Animal, you will need to contact our Fair Housing Officer, Linda Cline, at lcline@dreyfuss.net so that you can get your animal approved as a Service Animal or Emotional Support Animal.

Any tenant must apply to the Landlord in writing (using the pet application) before bringing a pet into their leased premises. Additionally, the pet must be approved by the Landlord before bringing a pet into their leased premises.
