Harbor Heights GM Message

Dear Residents,

Welcome back to our seasonal residents! You're back just in time for some fantastic weather and fun summer times at HH!

We are excited about some future adventures, such as a complimentary Pilates class, with local instructor Linnea from Limber Arts in June, and our Annual Red, White and Blue BBQ Bash to celebrate Lake Fair in July (followed by fireworks viewing), a DJ Dance Party, with Music De-Lite, and a fun Paint and Sip night, both in August, with our gals from Artvana! Please scan our survey code in this newsletter to give your feedback on future fun events you'd like to see!

Calling all gardeners we will have our seasonal herbs and plants here soon for anyone who feels like getting their hands dirty or maybe plucking some mint later for a refreshing mojito!

Cheers

Elizabeth Keith | General Manager

PET OF THE MONTH

Madeline (Maddie)

Meet Sweet Madeline (aka Maddie). Maddie's mom, Suzanne, is a fairly new resident of Harbor Heights, so welcome to them both!

Maddie is a sweet-tempered Cavalier King Charles. She is a senior now and 'thinks all humans have treats in their pockets. Also, Maddie loves walks and snuggles.

Reminders Regarding Your Furry Family Members

Leashes - Your animals **MUST** be on leashes in all areas of Harbor Heights with the exception of inside your home. **When using a retractable leash, be mindful of keeping your animal within a few feet of you at most, not allowing the leash to become a tripping hazard to your neighbors.**

Potty Talk - Please remember to throw your dog waste bags away *OUTSIDE* before you come into the building. ***Outside of our building on the floor, inside the garbage cans on floors 1, 2, and 3 are not acceptable places.*** If your dog uses the outdoor pad on floor 3, throw the bags away outside on floor 3. **Please do not allow pets to potty in parking garage. Please do not leave pet waste on the sidewalks or flower beds outside of our entrances.**

Pet waste violations are subject to \$50 fines, per incident.

One of our gracious residents made a map acknowledging where garbage cans are located in the neighborhood. Please reach out if you'd like a copy of this to help with planning your dog's walk!

Please do not put pets on indoor or outdoor furniture.
