Harbor Heights GM Message

Dear Residents,

As we bid farewell to spring and welcome the warmth of summer, we look forward to what the season has to offer!

Traveling adventures await many of our residents this season. Please remember to let Concierge know when you are going to be out of town, as this would be helpful during an emergency. Friendly reminder that you are not permitted to have non-residents reside in your apartment while you are away.

Thank you to everyone who volunteered to get their hands a little dirty helping with the herbs and flowers! The fragrances and blooms are bringing joy to all!

Thank you all for your continued participation in our events, continuing to make HH the premier place to live and work in Olympia!

Cheers

Elizabeth Keith | General Manager

PET OF THE MONTH

Graysie

Graysie is a delightful Rag doll, Persian mix. She has learned that there are limits to her actions in our home, as long as all other occupants agree to her terms. It is so nice to be reminded at 3:00 A.M, how much she loves us. With a tap on the cheek, loud purring and a demand for a head scratch she makes sure we know she leads a perfect life.

Reminders Regarding Your Furry Family Members

Leashes - Your animals **MUST** be on leashes in all areas of Harbor Heights with the exception of inside your home. **When using a retractable leash, be mindful of keeping your animal within a few feet of you at most, not allowing the leash to become a tripping hazard to your neighbors.**

Potty Talk - Please remember to throw your dog waste bags away *OUTSIDE* before you come into the building. ***Outside of our building on the floor, inside the garbage cans on floors 1, 2, and 3 are not acceptable places.*** If your dog uses the outdoor pad on floor 3, throw the bags away outside on floor 3. **Please do not allow pets to potty in parking garage. Please do not leave pet waste on the sidewalks or flower beds outside of our entrances.**

Pet waste violations are subject to \$50 fines, per incident.

One of our gracious residents made a map acknowledging where garbage cans are located in the neighborhood. Please reach out if you'd like a copy of this to help with planning your dog's walk!

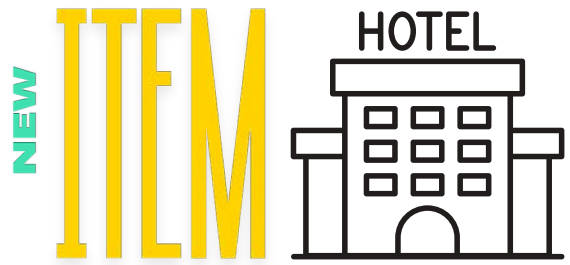

Please do not allow your pets on indoor or outdoor furniture.

HIGHLIGHTS

Please be mindful of your downstairs neighbors. We have had a few new neighbors move-in, please remember that noise carries to the floor below you the most in our building. Slippers, felt for furniture feet, area rugs, and respecting quite hours are a few ways you can prevent disturbances.

Please reserve laundry to be done during non-quiet hours.
Quiet hours are 10 PM - 8 AM

HARBOR HEIGHTS IS A NO SMOKING & VAPING BUILDING. THIS INCLUDES THE SKY TERRACE.

Dryer Vent cleanings should be done yearly at a minimum. **We ask that you schedule a cleaning on your yearly renewals at time that is convenient for you!** We can clean bathroom vents and laundry room vents at that time too!

PLEASE DO NOT WALK IN THE GRAVEL AREA ON THE SKY TERRACE.
