Harbor Heights GM Message

Dear Residents,

August fun has begun! DJ Music Delite is excited to return for the August 28th Wine Wednesday, 5-8 pm. We have something special planned for next month's, September 25th, Wine Wednesday. More details to follow!

I want to extend a BIG thank you to all the residents that participated in our Residential Satisfaction Survey! This will be a great tool to aid our team with further improving our community! We are looking forward to implementing some of your suggestions over the rest of the year and into 2025.

Lastly, we have so many new neighbors with more to come! Please let us know if you would like to update or add any of your info to the resident voluntary directory (see Concierge for details). It's a great way to stay connected.

Cheers

PET OF THE MONTH

Jack Lemon

I am thrilled to be a Harbor Heights hound! I get pets and treats from so many nice people. Most of you don't mind my effervescence, my joie de vivre, my exuberance, my ... well, you get the point. I hesitate to talk about myself because my focus is PEOPLE, PEOPLE, PEOPLE, but as Pet of the Month I have a duty to share a few things about me. I am a nearly 9-year-old American foxhound. The "Lemon" part of my name refers to my breed color. My mom, Cindy, adopted me on March 5, 2021, from a Texas rescue group. Moving to Washington state, and now Harbor Heights, was the best thing that ever happened to me, and yes, I changed my political affiliation. I love to walk and sniff my way around Swantown, the docks, Capitol Lake, wherever my highly fine-tuned nose takes me, which sometimes is inside your tote bags. I am humbled and honored to be Pet of the Month!

Hugs and kisses, Jack L.
