

Harbor Heights GM Message

Dear Residents,

What's not to love about October?! Pumpkin spice...everything, scary movies, jack-o-lanterns, getting to play dress up, party season beginning, and oh those cozy sweaters!

Speaking of party season, we are looking forward to seeing your Halloween costumes! We are on the edge of our seat with anticipation to see who will be the scariest, the funniest, or the best of all! Our staff will be joining you in costume fun as well!

I adore this time of year, because in a few short months we'll be ushering in the new year! We can't turn back the clock but we can cherish the festive season that lay before us!

Cheers

Staff Highlight

Hi, I'm Colby!

I am very excited to be the newest member of the Harbor Heights team and I look forward to meeting all of you and being of assistance for all your maintenance needs!

In my down time, I enjoy my two cars, their names are Ampersand and Hush Puppy. I like to fish, play disc golf, hike, and anything involved with nature.

I'm from Connecticut, land of the best pizza in the world! I love all things food and have bit of a sweet tooth with my favorite candy being Reese's.

PET OF THE MONTH

Luna

Hola! As many of you know, I'm a 6-year-old Mexican mutt, and so far I've been lovingly embraced by just about everyone who meets me. My English is improving daily and my favorite word is "treat." I've got it down!

People and perros on the terrace are so kind and generous with pets, rubs, and of course, treats! Some of my favorite pastimes are walks, hikes, chasing squirrels and a game called guess "finding my nighttime treat."

My new life here at Harbor Heights is beginning to grow on me!

Reminders Regarding Your Furry Family Members

Leashes - Your animals MUST be on leashes in all areas of Harbor Heights with the exception of inside your home. **When using a retractable leash, be mindful of keeping your animal within a few feet of you at most, not allowing the leash to become a tripping hazard to your neighbors.**

Potty Talk - Please remember to throw your dog waste bags away *OUTSIDE* before you come into the building. **Outside of our building on the floor, inside the garbage cans on floors 1, 2, and 3 are not acceptable places.** If your dog uses the outdoor pad on floor 3, throw the bags away outside on floor 3. **Please do not allow pets to potty in parking garage. Please do not leave pet waste on the sidewalks or flower beds outside of our entrances.**

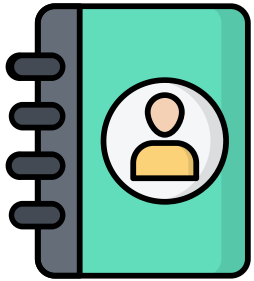

Pet waste violations are subject to \$50 fines, per incident.

One of our gracious residents made a map acknowledging where garbage cans are located in the neighborhood. Please reach out if you'd like a copy of this to help with planning your dog's walk!

Pets are not permitted to sit on indoor or outdoor furniture Please be respectful to your neighbors
