Heights

Harbor Heights GM Message

Dear Residents,

We had a blast celebrating Hallo-Wine with all of you! What a fantastic turnout! Earl the skeleton can't wait for the trouble he'll get into next year!

We are happy to welcome the season of gratitude. This time of year is a reminder of blessings that surround us, and our community is at the top of the list. We are so thankful for all who contribute in so many ways that make HH a fantastic place to live and work!

Cheers to making more memories as the year winds down, starting with our Nov. 13th Thanksgiving Celebration at 5pm. Bring your favorite dish to share with neighbors and get a little Pre-Thanksgiving Day feasting practice in!

Cheers

Elizabeth Keith | General Manager

PET OF THE MONTH

Scamp (aka Scampers) moved to Harbor Heights in April of 2023. He has taken to apartment living like the “Mr. Congeniality” he is. He loves everyone - in the building - and on the boardwalk! He loves the elevator and the grocery cart. He adores being photographed by people from all over the world that he’s met downtown Olympia. He even loves his newest housemate since last year, Graysie the cat. Both of them keep their humans on their timeline of walks and food/treats.

Scamp even enjoys his bi-monthly grooming visits (complete with seasonal photos) If you see him, please tell him how handsome he is! :-)

Reminders Regarding Your Furry Family Members

Leashes - Your animals MUST be on leashes in all areas of Harbor Heights with the exception of inside your home. **When using a retractable leash, be mindful of keeping your animal within a few feet of you at most, not allowing the leash to become a tripping hazard to your neighbors.**

Potty Talk - Please remember to throw your dog waste bags away *OUTSIDE* before you come into the building. **Outside of our building on the floor, inside the garbage cans on floors 1, 2, and 3 are not acceptable places.** If your dog uses the outdoor pad on floor 3, throw the bags away outside on floor 3. **Please do not allow pets to potty in parking garage. Please do not leave pet waste on the sidewalks or flower beds outside of our entrances.**

Pet waste violations are subject to \$50 fines, per incident.

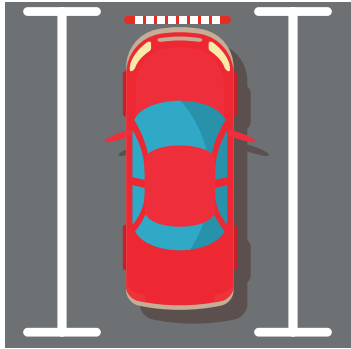

One of our gracious residents made a map acknowledging where garbage cans are located in the neighborhood. Please reach out if you'd like a copy of this to help with planning your dog's walk!

Pets are not permitted to sit on indoor or outdoor furniture Please be respectful to your neighbors

DID YOU KNOW?

While parking make sure to leave some space on both sides of your car. This way, you can open your doors without bumping into the cars next to you. Aim to park right in the center of the designated space. If you hang over the lines, it'll make it tough for the driver next to you.

Additionally, please pull your vehicle all the way into your parking space so the rear of your car is in line with other cars. This makes it easier for other drivers to see past your car when they are backing out of adjacent spaces, and also gives the widest possible driving lane between rows.

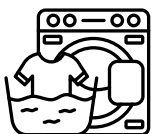

You can reserve the amenities spaces for your family seasonal activities.

To find out about pricing and the dates available, please see the Concierge.

HIGHLIGHTS

Please be mindful of your downstairs neighbors. We have had a few new neighbors move-in, please remember that noise carries to the floor below you the most in our building. Slippers, felt for furniture feet, area rugs, and respecting quite hours are a few ways you can prevent disturbances.

Please reserve laundry to be done during non-quiet hours.

Quiet hours are 10 PM - 8 AM

HARBOR HEIGHTS IS A NO SMOKING & VAPING BUILDING. THIS INCLUDES THE SKY TERRACE.

Please remember to notify concierge when you will be traveling! This is especially important in case of maintenance emergencies.

RESIDENTS, VISITORS, AND PETS, ARE NOT PERMITTED IN THE GRAVEL AREA ON THE SKY TERRACE.

COMMUNITY EVENTS

Events
