Harbor Heights GM Message

Dear Residents,

Can you believe it? It's time to spring forward on Sun. March 9th! This small shift will bring us brighter evenings and a taste of the warmer days ahead.

Buds are blooming, birds are returning, and there's a renewed energy in the air! With St. Patrick's Day just around the corner, maybe it will bring us all a little extra luck this season!

March is also a very special month as we have 3 team members reaching work anniversaries here at HH! Alicia, Concierge, will be celebrating 3 yrs, and both Custodian Bob and Events Coordinator Sarah will be celebrating 2 years!

Here's to longer days, fresh starts, and a sprinkle of springtime magic!

Cheers

Elizabeth Keith | General Manager

PET OF THE MONTH

Meet Bailey!

He's a rescue pup from Texas who traveled quite the distance when he was just a tiny 12-week-old. Can you believe he's going to be seven this April? Time really flies!

Reminders Regarding Your Furry Family Members

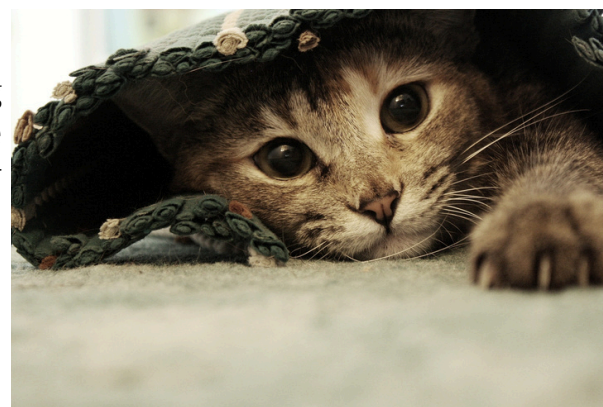

Leashes - Your animals **MUST** be on leashes in all areas of Harbor Heights with the exception of inside your home. **When using a retractable leash, be mindful of keeping your animal within a few feet of you at most, not allowing the leash to become a tripping hazard to your neighbors.**

Potty Talk - Please remember to throw your dog waste bags away *OUTSIDE* before you come into the building. ***Outside of our building on the floor, inside the garbage cans on floors 1, 2, and 3 are not acceptable places.*** If your dog uses the outdoor pad on floor 3, throw the bags away outside on floor 3. **Please do not allow pets to potty in parking garage. Please do not leave pet waste on the sidewalks or flower beds outside of our entrances.**

Pet waste violations are subject to \$50 fines, per incident.

One of our gracious residents made a map acknowledging where garbage cans are located in the neighborhood. Please reach out if you'd like a copy of this to help with planning your dog's walk!

Pets are not permitted to sit on indoor or outdoor furniture Please be respectful to your neighbors

DID YOU KNOW?

Did you know your transmitter not only lets you into the gated parking garage but also works like the round fob for accessing entrances, elevators, and stairwells. It's a good idea to keep your transmitter separate from your fob just in case you misplace your keys. This way, the transmitter can serve as a backup to help you get around the building.

Speaking of misplaced keys...

Did you know there is a key loan locker on the 3rd floor? If you're a new resident, you signed up for it during your orientation, and others were enrolled when we set it up. If you've forgotten your code, need to reset it, or simply want a little refresher on how to grab your spare keys, swing by the concierge desk today! Alicia will be happy to help you out.

HIGHLIGHTS

Please be mindful of your downstairs neighbors. We have had a few new neighbors move-in, please remember that noise carries to the floor below you the most in our building. Slippers, felt for furniture feet, area rugs, and respecting quiet hours are a few ways you can prevent disturbances.

Please reserve laundry to be done during non-quiet hours.
Quiet hours are 10 PM - 8 AM

HARBOR HEIGHTS IS A NO SMOKING & VAPING BUILDING. THIS INCLUDES THE SKY TERRACE.

Please remember to notify concierge when you will be traveling! This is especially important in case of maintenance emergencies.

RESIDENTS, VISITORS, AND PETS, ARE NOT PERMITTED IN THE GRAVEL AREA ON THE SKY TERRACE.
