Harbor Heights GM Message

Greetings Residents,

As summer settles in with longer days and sun-filled evenings, there's a special energy in the air, a reminder of how fortunate we are to live in a beautiful place surrounded by fantastic neighbors and so many activities to fill up your social calendars!

Speaking of events, we are thrilled to invite you to one of our most cherished traditions at HH, our Annual Lakefair BBQ & Fireworks Viewing Party! On Sunday, July 20th, dinner starts at 6 pm, and the sparks will fly at dark.

Whether you've lived here for years or are new to the community, this is a perfect opportunity to celebrate summer with your neighbors in a relaxed, joyful setting!

Please visit the Concierge desk to learn more about this event as well as other fun activities in the area coming up this summer!

Wishing you all a fantastic Fourth of July Weekend!

Cheers

PET OF THE MONTH

Artie was originally named Artemis by Bill & Priscilla's daughter, Sarah, when the family first got him and were under the impression that he was a she. It was only after watching him assert himself, strut around and flop down in decidedly masculine ways that they became suspicious, and then the vet confirmed it - he is a he. Thus he became Artie.

Take a seat on the couch and he will take ownership of your lap. Get settled in bed and doze off and he will claim his place alongside or atop you. He also loves to play catch with his favorite mouse toys, and will occasionally just run across the floor or attack a door jam without provocation. He also treated Bill to hugs around the neck while working at his desk, often during his Zoom meetings at work.

Reminders Regarding Your Furry Family Members

Leashes - Your animals **MUST** be on leashes in all areas of Harbor Heights with the exception of inside your home. **When using a retractable leash, be mindful of keeping your animal within a few feet of you at most, not allowing the leash to become a tripping hazard to your neighbors.**

Potty Talk - Please remember to throw your dog waste bags away *OUTSIDE* before you come into the building. ***Outside of our building on the floor, inside the garbage cans on floors 1, 2, and 3 are not acceptable places.*** If your dog uses the outdoor pad on floor 3, please be sure to clean up after your pet and throw the bags away outside on floor 3. **Please do not allow pets to potty in parking garage.** Please do not leave pet waste on the sidewalks or flower beds outside of our entrances.

Pet waste violations are subject to \$50 fines, per incident.

A map is available at Concierge acknowledging where garbage cans are located in the neighborhood. Please reach out if you'd like a copy of this to help with planning your dog's walk!

Pets are not permitted to sit on indoor or outdoor furniture Please be respectful to your neighbors
