Background and Credit History

As of January 1, 2024, under California law, applicants with a government rent subsidy have the option, at the applicant's discretion, of providing lawful, verifiable alternative evidence of the applicant's reasonable ability to pay the portion of the rent to be paid by the tenant, including, but not limited to, government benefit payments, pay

records, and bank statements.

If an eligible applicant elects to submit such alternative evidence, management will consider that alternative evidence instead of the applicant’s credit history.

Option 1: Consideration of Credit History	Option 2: Alternative Evidence of Ability to Pay (This option is <u>ONLY</u> available to government rent subsidy recipients)

Our community uses a statistically sound credit scoring system to evaluate your consumer credit report. Credit scoring is based on real data and statistics, so all applicants are treated objectively. Your credit report contains information about you and your credit experiences, including your bill-paying history, the number and type of accounts you have, late payments, collection actions, outstanding debt, rental history, and the age of your accounts. If your application is denied or accepted with conditions, you will be given the name, address, and telephone number of the consumer reporting agencies which provided your consumer information to us.

The applicant acknowledges that the following information will be verified in accordance with Federal Trade Commission Guidelines, issued August 1, 2009, and will be used to verify the applicant's identity and ability to qualify to live at a Wasatch Property Management community.
