All Things Maintenance

Help! I have an emergency, what do I do?

Fire, flood, or blood?? *Call 9-1-1!* Please call 911 in case of a life-threatening emergency.

Otherwise, these are the things that are considered a maintenance emergency:

- No heat or air conditioning in extreme temperatures
- Electrical or gas failure of any nature
- Stopped-up commode in a one-bedroom apartment
- Water problems – leaks, broken pipes, flooding, overflowing commode
- No hot or cold water
- Malfunction of any essential appliance (refrigerator, stoves, and in certain cases garbage disposals)
- Any unsecured entry (please close all exit doors, and do not leave doors propped open)
- Power outage that is not the responsibility of the resident

Please note that when calling the emergency service line, **571.317.2577**, select option #2 for Emergency Maintenance. Be sure NOT to use the online portal for emergency service requests since these are received via email and may not receive the immediate attention warranted by emergencies. Also, make note of where the fire extinguishers are located in your hallway.

What do I do for all other maintenance needs?

The Maintenance team is available to assist all residents with general work order requests. We promise a 48-hour response (not necessarily completion based on the type of repair) to any work orders from our residents.

Please submit all non-emergency maintenance requests through your resident portal.

Here are a couple of quick maintenance tips to keep in mind...

- If you live in an apartment home with an individually controlled HVAC, you control your home's temperatures.
- Looking to save money on utilities? No need to turn your thermostats off, simply adjust the temperature.
- If the garbage disposal stops working, try pushing the RESET button (it can be found on the underside of the disposal).
- Remember, the disposal is not intended for food disposal (reach out to us for a Disposal Do's and Don'ts brochure).
- Additionally, when you run the disposal, you should continue flushing cold water through for 30 seconds after you switch it off.
- Should you ever experience a leak in your sinks or toilets, locate the water shut-off valve, usually found directly behind the toilet. Be sure to turn the water off when the leak is first discovered to avoid further damage to you or your neighbors. Call **571.317.2577** and **Press 2** for Emergency Maintenance immediately.
- Need help navigating your appliances? Give us a call, we're here to help!
- Pest control needs? Give our team a call and we'd be happy to schedule a service for you.
- Don't forget to clean that clothes dryer lint trap after each use. That will reduce drying time. Also, for HE (High Efficiency) washing machines, only use HE detergent.
- Fire extinguishers are located in each hallway.

Rent, Parking, Concierge Services, Packages, & Pets

I love to shop online! How does package delivery work?

All packages are delivered directly to your apartment home, except for USPS packages. For USPS, please visit the concierge desk.

Is there a place to walk my pup? What about a dog park?

Yes! Our community has a Bark Park with two areas, one area for small dogs and another for larger ones. Please remember that all pets should be always on a leash when outside of an apartment home or the Bark Park. For the sake of your neighbors' shoes, please clean up after your pet and dispose of all pet waste in an appropriate receptacle. Outside of our community, the parks and trails along Long Branch Creek are a favorite spot for dogs and their humans!

Balconies/Patios

Do not use your balcony or patio for storage purposes. No water, furniture, or grills are allowed on the patios for safety reasons. Please do not obstruct any sidewalks or the mechanical closet in your apartment.

Smoking Policy

While we do allow smoking in our community, we kindly ask that you be mindful of your neighbors. As a reminder, your lease states that smoking must not impact others' enjoyment of their home. Additionally, smoking is not allowed in the apartment common areas, the garage, the leasing office, or the amenity areas. You should be 20 feet away from the building when smoking outside.

Are there quiet hours?

Arlington County quiet hours are from 9PM to 7AM on weekdays and from 9PM to 10AM on weekends. If your neighbor is excessively noisy, please contact the non-emergency police and our concierge team at the front desk at 571.317.2577. You'll be prompted to Press 1 to speak with a member of our team.

My job is transferring me out of the area. How do I submit my notice to vacate?

While we hope you never leave, we get it, life happens. Please make sure to submit your written notice either 30 or 60 days in advance (based on your lease terms). We have a great form for that! You also have the option to transfer to another one of our communities. Did you know that we have many other communities in the area? See them at www.dweckproperties.com.

You're welcome to transfer at the end of your lease without charges or during your lease with the payment of a transfer fee and new deposit (unless using the 30 Day Satisfaction Guarantee). We're happy to help you find your next home within the Dweck portfolio!
