

RESIDENT SELECTION CRITERIA

OVERALL STANDARDS

Fair Housing

The Community does not discriminate on the basis of race, color, sex, religion, familial status, national origin, disability, or any other class protected by applicable law. We will make reasonable accommodations and rules, policies, practices, or services when such accommodations may be necessary to afford a person with a disability the equal opportunity to use and enjoy a dwelling. We will permit, at the expense of the person with the disability, reasonable modifications of existing premises occupied or to be occupied by such person if such modifications may be necessary to afford such person full enjoyment of the premises.

Occupancy Standards

No more than two persons per bedroom, plus one additional person may occupy the apartment, unless otherwise mandated by state or local government entity. Efficiency and studio apartments are considered one (1) bedrooms, for occupancy purposes.

Identification

All visitors must present a valid driver's license, valid passport or other U.S. or Government issued photo identification in order to view the Community and sign an application or Lease Contract.

Animal Policy

Maximum of two (2) animals per apartment. A nonrefundable \$400 animal fee and \$20 per month animal rent are due for each animal per apartment. The total animal fee may be paid in two installments – 50% at time of move in and 50% with the second month's rent.

The Community will not accept any animals that exhibit any type of aggressive behavior. A animal interview will be conducted prior to move in. In no event is any animal allowed on the premises that is of a dangerous, vicious, or unsafe breed or type. Unacceptable breeds include but are not limited to: Pit bulls, Rottweiler, Dobermans and other known aggressive breeds. The Landlord reserves the right to prohibit aggressive pets or any pet deemed unacceptable. Either a bird cage or a fish tank not to exceed 20-gallons will be allowed in each apartment. Only domesticated, common household animals will be allowed. The Community does not guarantee or represent those animals currently residing at the Community qualify under the criteria stated herein. Number, breed restrictions, fees, and additional rent requirements do not apply to qualified assistance animals.

APPLICATION

Agreement

An application must be completed for each individual who will be living in the apartment and who has reached the age of majority under state laws, which in most states is 18 years or older. An application fee of \$50 and standard administrative fees will be collected before an application is processed. If you fail to answer any question or give false information, the Community may reject your application and retain all fees as liquidated damages for its time and expense.

Process

1. Complete the application. Read the application carefully as this is a legal document. Falsifying or leaving out information can result in retention of the fees paid and denial of the Application.
2. Turn in the application, and proof of income, and pay the application fee and administrative fee, if applicable.
3. Applicant will be notified of Approval, Approval with Conditions or Denial within 72 hours. If Approved with Conditions, and Applicant is unable to meet the conditions required, the Community must be notified within 24 hours.
4. Applicant will have three days to complete and execute the Lease Contract upon approval, unless a longer period of time is allowed in the application.
5. Any additional administrative fee due as a result of Credit History (as described below) will be due within 24 hours after Applicant is notified of the assessment of the additional administrative fee. Prorated rents will need to be paid before move-in. Prorated rents plus the following calendar month's rent will need to be paid before move-in, if the move-in day is after the 25th of the month.

Once all parties have signed a Lease Contract, it is a valid, binding legal contract. Unless we consent in writing, if you fail to occupy the rental premises by the date specified in the Lease Contract, you will be liable to us for damages pursuant to the Lease Contract.

Security Deposit

RPM Living, LLC offers a security deposit alternative option for residents based on the final screening decision. If you choose not to participate in the security deposit alternative program, you will be required to pay a traditional security deposit prior to move in. See the table below for the non-refundable monthly fee and security deposit level based on screening decision.

Screening Decision	Traditional Security Deposit	Alternative Monthly Fee
Approved	\$500	\$19
Approved with Conditions	\$1500	\$31

Once all parties have signed a Lease Contract, it is a valid, binding legal contract. Unless we consent in writing, if you fail to occupy the rental premises by the date specified in the Lease Contract, you will be liable to us for damages pursuant to the Lease Contract.

ELIGIBILITY

Final approval of all applications for tenancy will be contingent on full consideration of the results of Income and Rental History verification, Credit and Criminal background screening, and full and prompt payment of all required fees.

Guarantors will not have access to the apartment. A Guarantor will be fully responsible for the rent obligations of the Lease Contract if the occupying Resident(s) defaults on the Lease Contract.

Credit History

All Applicants are subject to approval through the Community's third-party Applicant screening agency. Screening criteria will be applied uniformly and, in a manner consistent with all applicable laws, including state and federal housing laws, federal fair credit reporting laws, program guidelines and administrative rules. Approvals of all Applicants are based on an empirical system that incorporates multiple credit factors along with other non-statistical factors, including the Applicant's income and credit score, to determine overall Applicant qualification. Applicants with less than two (2) years of established credit or a credit score between 599 - 525 will be conditionally approved. Applicants with a credit score of 524 or below will be denied.
