**Please read below for information about the convenient transit options available in our area.**

### NEVADA COUNTY CONNECTS

The mission of the Transit Services Division of the Department of Public Works is to provide safe, convenient, reliable, and affordable fixed-route transit services and specialized paratransit services to the residents of Western Nevada County.

Nevada County Connects provides local and regional fixed-route bus service to the Cities, towns, and unincorporated areas of Western Nevada County, including Nevada City, Grass Valley, Penn Valley, Rough and Ready, Lake Wildwood, Alta Sierra, Lake of the Pines, and the regional hub at the Auburn Amtrak station.

Transit Services began in 1975 when the County of Nevada entered into a Joint Powers Agreement (JPA) between the cities of Grass Valley and Nevada City. The system began with only two routes serving Grass Valley and Nevada City. The system has subsequently grown over the years and now operates six routes throughout Western Nevada County.

**Use our sign up sheet before the end of each calendar month for access to next month's Transit Pass.**

Qualifying residents are eligible to receive a bus pass for one half the published price.
