The winner will receive a \$300 rent credit applied for March. Best of luck, may your favorite team win!

No one needs to be reminded that February 14th is Valentine's Day, but in case you do, be sure to send your favorite loved ones some flowers or a card. (hint hint) Long-stemmed roses are a classic favorite but orchids and daisies follow closely behind. Be sure to swing by the leasing office for a sweet treat from us!

Mardi Gras is on the 21st and celebrations will erupt everywhere. How will you choose to celebrate, do you have any traditions? One of our residents introduced us to a new tradition last year, have you had a king cake before? Traditionally, a small porcelain baby is hidden in the king cake and is a way for residents of New Orleans to celebrate. The baby symbolizes luck and prosperity to whoever finds it. This was a fun and delicious way to celebrate with our team, Jackie was the lucky one to find the baby in the cake! Speaking of babies, we are excited to announce that Jackie is expecting a little one in May! Looks like the king cake brought exactly what she wished for! We can't wait to meet the little one and welcome our first baby to the crew here!
