Dear Residents,

National Women's History is celebrated throughout the month and International Women's History Day has a claim on March 8th.

Are you ready for the madness of March and your next chance at a rent credit? That's right, The Enclave's annual March Madness Bracket Challenge is back! It all starts on March 14th with the first round and concludes on April 3rd when the champion will be crowned. Keep a look out for an email and flyers the second week in March for more details. All resident are encouraged to join in on the madness.

The weather is getting warmer and sites are set on people from every walk of life wanting to be "Irish" for one day. The 17th is just around the corner, plan ahead, schedule ride shares, and most importantly be safe while having fun being Irish for the day!

March is also known for a little Spring cleaning. This is a great time to go through your closets/boxes and donate some of the items that no longer bring you joy! Keep in mind we do have storage units available, contact the leasing office to get one for \$25 a month!
