Dear Residents,

October has arrived and it's time to start thinking about your Halloween costume, enjoy the final weeks of our local farmers market, head out to a pumpkin farm and celebrate Octoberfest. Also the Brewers begin the playoffs in hopes of capturing their first world series title and both college and professional football are in full swing. Plenty of activities to enjoy this month.

October is Breast Cancer Awareness Month. Encourage your loved ones to stay on top of regular health screenings. Most of us know of someone who is already a survivor, someone who has just recently been diagnosed or even, a loved one we have lost to this disease. Early detection is so important with breast and other cancers.

Thank you to all who attended our pool closing and doggy dip party. It's always sad to see the pool season come to a close, but we had a great month of September and so much fun watching the dogs happily belly flop into the pool. With Halloween coming up keep a look out for a sweet treat from us. Maintenance Appreciation Week was moved this year to the week of October 7th. We are excited to celebrate our stellar maintenance team and all they do to keep this place running smoothly.

If you have any concerns or maintenance requests, please don't hesitate to contact us or stop by the office to discuss, we want to make sure you are enjoying your home. Have a wonderful month.

Have a Rootin' Tootin' Birthday!

We wish our October birthdays a smashin' great day! Life is an adventure, live it up!

Tip of the Month

If you plan on a night of partying, be sure to drink water and have a comfortably full stomach before you start drinking alcohol. It is dangerous to consume alcohol on an empty stomach. Drinking water throughout the night reduces the negative effects such as dehydration, hangovers and grogginess. As always, NEVER drive if you drink alcohol.
