

Dear Residents,

April is "Keep America Beautiful" Month. Visit a park, enjoy the scenery that our city and southeast Wisconsin offers including Hawthorne Glenn right next door. The month begins with April Fool's Day, a day of jokes and pranks. To set the record straight, it is no joke that we appreciate all you do to keep our community beautiful. April 1st is also spring election day in our town.

Happy Easter on the 20th and Passover will run from the 12th to the 20th. For those who celebrate during those holidays, we hope they are good ones. We also celebrate Earth and Arbor days towards the end of the month.

The 15th of the month will be here before we know it. Remember that date! Income tax is due. If you have already sent your forms in and received a refund, good for you. If you have not, don't wait until the last minute.

Our days are longer and more of our residents will be out enjoying the community in the evening. Take the time to meet a neighbor. Maybe watch a Brewers or Bucks game in the game room or go for a walk in Hawthorne Glenn or down to the village for a delicious meal or refreshing beverage.

Have a great month,
Your Enclave Team

A Referring We Will Go!

Refer a friend, relative, or co-worker to our community and you will receive \$500 rent credit applied the month after they move in. Contact the management office for move in requirements!

Help Welcome Our 24 Carrot Residents!

Thank you for planting your roots here. Let us know how we can help you transition smoothly.

Our Returning Residents Are To Dye For!

Thank you renewing your lease. You have us over the rainbow!

Hurrah For April Birthdays!

We wish you have many reasons to dance in the rain this year.

Tip of the Month

Vitamin E is one of the many nutrients found in veggies that is better absorbed when eaten with eggs. Another nutrient, choline, helps support lifelong brain health. Just keep in mind that regardless of how the hens were raised or the egg color, the nutritional value is the same unless stated otherwise on the carton.

Before You Do Your Business...

To keep your toilet in working order, don't use it as a wastebasket! Don't flush any other materials besides toilet paper. Paper towels, diapers, cotton balls, baby wipes, cotton swabs and sanitary napkins should never be flushed. These items don't dissolve and can cause clogs.
