Welcome Home

We are so excited you are here! We know just how stressful moving is and we hope we made your move as seamless as possible.

We would love to finally offer you the opportunity to see your building for the first time, in-person.

The most fun way to do this is to take your Welcome Home Bingo card and get lost.

Take a look around, see where you might have questions. Bring those questions and your excitement to the weekly happy hours and we will happily answer your questions.

We hope the tent cards placed throughout your apartment help you get to know your home a little better as well.

Please know that our door is open and are always happy to assist.

We look forward to making Emrik SV your new home.
