History Of Palms Associates

The Islands is managed and maintained by Palms Associates - one of the finest and most experienced Property Management firms in the Southeast. The trained staff of Palms Associates manages over 6,000 apartment residences in major cities throughout four states. Understandably, it requires a high degree of professionalism, know-how and experience for an organization to operate successfully on this level over the years. A community maintained by Palms Associates is subject to the latest procedures of professional management, to keep carefully landscaped grounds and high quality materials as attractive as they were on their opening day. But, most importantly, Palms Associates has nice, competent people working very hard every day for you! Their management team is a proud and special group - move to **The Islands** and let them prove it.
