1. POLICY – NONDISCRIMINATION AND ACCOMMODATIONS

Viridian Management is committed to Fair Housing Policy and Equal Housing opportunity for prospective applicants regardless of race, color, religion, sex (gender), national origin, disabled status, familial or marital status, source of income, status as victim of domestic violence, sexual orientation, gender identification, or age. Viridian does not discriminate on the basis of disabled status in the admission or access to, treatment of, or employment in, its housing, programs or activities. Viridian complies with requirements of the Fair Housing Acts, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act (ADA).

Under the provisions of Section 504 of the Rehabilitation Act of 1973, a person with a disability shall be provided with a reasonable accommodation to the extent necessary to provide such person with an opportunity to use, enjoy and occupy the apartment and apartment premises. A verification of disability as well as linking the accommodation to disability may be required. Under federal and state law, an individual is disabled if he/she has a physical or mental impairment that substantially limits one or more major life activities, including: walking, seeing, hearing, speaking, breathing, thinking, communicating, learning, performing manual tasks, and caring for oneself. Applicants should contact the Manager for further clarification related to reasonable accommodations, or how to make a request for reasonable accommodation.

2. APPLICATION AND WAITING LIST

All persons interested in Viridian-managed housing may request an application either in person, or through a designated individual, at the local on-site or regional designated site office during posted office hours; or request an application to be mailed by calling the local phone number listed on the cover sheet of this document. Fax requests for applications may be sent to the fax number listed on the cover sheet of this document. TTY telecommunication is available by calling the national relay number 711. It is Viridian Management's policy to assist wherever possible especially in the accommodation requests by persons with disabilities; applicants may request assistance in completing the application if necessary.

An application must be completed **in full** by the applicant and submitted either in person to the local site office or via mail to the local or regional office. All applicants will be contacted in writing within 10 days of receipt of the application, to inform them of status of their application. Applicants are placed on the waiting list in order by date and time the completed application is received.

Applicants that submit incomplete applications will be placed on the waitlist and contacted by mail with a request to complete the application in full. If the incomplete application is not returned completed within 10 days of notification, the household will be removed from the waiting list and sent notice of the removal.

Periodically the manager will send 10-Day Waiting List Update letters out to all applicants on the waiting list to determine continued interest. Recipients of this letter have 10 days to respond. If no response is received within 10 days, the manager will send the applicant a letter to notify them that they have been withdrawn from the waiting list. Applicants that respond and wish to be removed from the waiting list will be removed and sent a letter informing them that they have been withdrawn from the waiting list.

When the manager contacts an applicant to determine continued interest, the applicant will be asked if there is anything on the application that needs to be changed. If the applicant indicates that the information

provided has changed, the site manager will schedule an appointment for the applicant to update the application.

Applicants sent a notice of available unit may refuse to begin processing for eligibility for that unit one time. The household will be skipped for that unit, but remain on the waiting list by their original application date. Applicants that refuse the second offered unit will be sent a notice of withdrawal from the waiting list, unless the applicant can demonstrate a need to turn down the unit due to an extenuating circumstance outside of their control. Additionally, if the property has project-based rental assistance but not available to all units, the applicant may request to remain on the waiting list until a unit with rental assistance becomes available.

Finally, if notices mailed to the applicant are returned as undeliverable, management will attempt to contact the applicant by any provided phone number or email address to obtain updated mailing information. If these attempts to contact the applicant fail, the household will be withdrawn from the waiting list.

All applicants must be willing to sign a release form to authorize verification of all items contained in the application, inclusive of; all income, assets and allowances along with credit, personal and landlord references. All households must provide positive identifications, as required by the funding program related to this project, of all persons who will be part of the household. Preliminary eligibility will be satisfied by using information on the application; placement of an application on the waiting list does not denote final tenant selection. Applicants may request information concerning the current status of their application by writing or calling the local site office at the number listed on the first page of this document or the Central Office at 1(541) 426-3820.

Applicants who have indicated the need for and requested the features of an accessible unit designed to assist individuals with disabilities, and have verified the need for the features of this type of unit and meet the definition of disabled, will have priority for those units. In the event, no households apply who would benefit from the features of an accessible unit, it will be offered to a non-disabled and income-eligible person on the waiting list. In this circumstance the applicants, as tenants, will be asked to sign a lease addendum agreeing to transfer (at their own expense) to another unit should an appropriately sized unit become available, and if there are households needing the features of the accessible unit.

Any applicant who requests modifications or accommodations related to their disability to non-adapted units will have consideration on those requests when selected, but with no priority for selection.

3. NUMBER OF OCCUPANTS

The number of occupants residing in the unit must be in accordance with unit density standards as set forth by the Owner/Manager. In determining unit density standards, the intent of property policy is to neither overcrowd nor underutilize space. Different properties may have different density standards depending on federal or state funding for the property, bedroom sizes, unit square footage and any local ordinances and restrictions; see page one for a table of the unit density standards. The Owner/Manager may change the unit density standard during the lease term if changes in laws, ordinances or regulations make such change necessary.

Households who become under or over-housed due to changes in household composition or changes in local, state or federal ordinances or restrictions will be asked to transfer to a more suitably sized unit within 30 days. If there are no suitably sized units existing at the property, the household will be asked to vacate the property within 30 days or at the end of their lease, whichever is longer. The unit density standard is based on the number of persons in the household and includes all full-time members of the household, persons who are away at school but live with the applicant at recesses, unborn children or children in the process of being adopted or secured by custody action, foster children and live-in attendants. Children who live in a household 50% of the year or more are also counted; however, visitors, permanently confined/institutionalized household members and children on active military duty are not counted in this determination for occupancy eligibility.

A disabled applicant who would need a larger unit to accommodate a disability would be given such consideration, even if disallowed by the property unit density standard. For specifically designed units (i.e. barrier free), applicants needing those features would be given priority even if occupancy would otherwise be considered underutilization.

4. ELIGIBILITY – GENERAL

Applicants who meet the income/occupancy guidelines and have come to the top of the income and/or other preference lists still must meet all other eligibility criteria before being approved to move in. Management will notify the applicant when their application is ready to be processed for residency. Applicants will receive notice that they must contact the manager within 10 days to begin processing or they will be issued a letter of withdrawal from the waiting list.

Applicants, in addition to any property program requirements, must also meet application, interview and reference criteria as defined below.

Applicants who have been rejected for occupancy will receive a letter detailing any applicable appeal rights and a description of the reasons for the rejection.

As previously stated, any application which is incomplete will not be processed if the applicant fails to respond to the incomplete application notice within 10 days of notice. An applicant who refuses to sign any release to allow the verification of all items contained in the application, including all income, assets and allowances along with credit, personal and landlord references, will be withdrawn from the waitlist and sent notice of withdrawal.

Applicants who exceed the maximum allowable income limits or unit density standards for a property, or who are found to have provided false answers on the application or at the interview, will be rejected.

Applicants who fail to come to a scheduled interview, unless there are extenuating circumstances, or who come to the interview under the influence of illegal drugs, intoxicated, or whose conduct is abusive, threatening, or disruptive will be rejected.

A household in which any member is currently engaged in illegal use of drugs or for which the owner has reasonable cause to believe that member's use or pattern of illegal use of a drug may interfere with the health, safety, and right to peaceful enjoyment of the property by other residents' will be rejected.

Any household if there is reasonable cause to believe that member's behavior, from abuse or pattern of abused of alcohol, may interfere with the health, safety and right to peaceful enjoyment by other residents will be rejected.

Applicants will be rejected if it is determined that their presence or the presence of any of their household members would create an unsafe environment

Total monthly unit rent should not exceed 75% of the household's net income (income after withholdings required by law or as a condition of employment). Food stamps will be included in the household income for this calculation. This requirement is waived if a portion of the rent will be paid by a rental subsidy. Applicants should contact the property manager if further explanation is required.

Applicants who wish to be a tenant or co-tenant must possess the legal capacity to sign all documents unless an accommodation determination for the individual to allow a guardian signature, if otherwise eligible, is made.

5. ELIGIBILITY – CRIMINAL HISTORY

Applications containing a household member who is subject to, or whose name is contained in any federal, state or local sex offender registry will be rejected.

A single conviction, guilty plea, plea of no contest or pending charge for any of the following offenses may be grounds for rejection of your rental application. If there are multiple convictions, guilty pleas or no contest pleas on the applicant's record, Owner/Agent may increase the number of years by adding together the years in each applicable category. Expunged records will not be considered.

- a) Felony involving: murder, manslaughter, arson, rape, kidnapping, child sex crimes, manufacturing or distribution of a controlled substance unless applicant provides evidence acceptable to the Owner/Agent that the applicant has been crime-free for at least 10 years since the later of: i) the date of release from incarcerations; or ii) completion of parole.
- b) Any other felony charge not listed above involving: drug-related crime, person crime, sex offense, crime involving financial fraud, including identity theft and forgery, or any other crime if the conduct for which applicant was convicted or is charged with is of a nature that would adversely impact the property of the landlord or a tenant, or the health, safety or right of peaceful enjoyment of the premises of the tenant, the landlord or landlord's agent, where the date of disposition has occurred in the last seven years.
- c) Misdemeanors involving: drug-related crimes, person crimes, sex offense, weapons, violation of a restraining order, criminal impersonation, criminal mischief, stalking, possession of burglary tools, financial fraud crimes, where the date of disposition has occurred within the last five years.
- d) Misdemeanors not listed above involving: theft, criminal trespass, property crimes or any other crime in the conduct for which applicant was convicted or is charged is of a nature that would adversely affect property of the landlord or a tenant, or the health, safety or right of peaceful

enjoyment of the premises of a the residents, the landlord or landlord's agent, where the date of disposition has occurred in the last three years.

Pending charges or outstanding warrants for any of the above listed offenses will cause the application to be suspended until the charges are resolved. No unit will be held awaiting the result of pending charges.

Exceptions may be made regarding some criminal charges and extenuating circumstances will be taken into consideration. Reasonable Accommodation requests may be made as to any policy or criteria. Do not be afraid to ask the property manager for more information, or for further clarification, if needed.

6. ELIGIBILITY – CREDIT HISTORY

To determine eligibility, credit history will be reviewed; however, lack of credit history will not be cause for denial. Credit reports containing unpaid utility collections or judgments or other housing-related debt will be cause for denial. Cable, cell phone, and internet debts are not considered utility or housing related expenses.

If you can provide proof of extenuating circumstances around specific debts, or can demonstrate actively working on debt resolution goals, it will be taken into consideration during the application review process.

7. ELIGIBILITY – PUBLIC RECORDS AND RENTAL REFERENCES

Third party rental history will be verified. Please provide references that can be contacted. Lack of rental history will not be cause for denial. Some applicants may have no previous, or current, rental or credit references, but can still offer personal non-related references. Public records or rental history, including but not limited to, the following may be grounds for rejection of your rental application:

- a) Eviction from a residence within the past five years.
- b) Eviction from more than one residence, regardless of how long ago the evictions occurred.
- c) Rental references which indicate the applicant caused significant damage to the unit, vacated the unit owing rent, were late paying their rent on four or more occasions, caused disturbances at the rental on more than one occasion, or maintained their unit in an unsanitary condition.
- d) References indicating the applicant used the rental for illegal activities or were found in non-compliance of their lease agreement on four or more occasions during the tenancy.

Applicants should be honest and disclose any information that may provide further context for an eviction, including past extenuating circumstances such as job loss and/or major medical. Successful completion of an approved second chance renters program, or proving circumstances that led to an eviction no longer exist, will be taken into consideration during the application review process.

Any rejection would be issued in a written statement to the applicant with notification of Grievance and Appeal rights, when applicable.

8. TRANSFER POLICY

Current tenants requiring a unit transfer for the following reasons will be logged on an in-house transfer waitlist and given preference for appropriate units over those on the applicant waitlist and the in-house transfer waitlist. Households with the need for a fully adapted, accessible unit, and those transferring under the protections on the Violence Against Women Act (VAWA) are given priority on the in-house waitlist. Tenants must be pre-approved to transfer, and must meet tenant selection criteria, occupancy standards and program regulation as apply to the desired unit.

- a) A unit transfer for an accessible unit for a medical reason certified by a qualified professional, if disability is not apparent;
- b) A unit transfer in accordance with the VAWA Emergency Transfer policy;
- c) A required unit transfer due to family size or changes in family composition;
- d) A unit transfer for reasonable accommodation for a medical reason certified by a qualified professional, if disability is not apparent.

Current tenants requesting a unit transfer for any other reason that unit occupancy standard, reasonable accommodation, and VAWA protections will be added to the transfer waiting list and selected in order by date of request, after those with the priorities listed above are appropriately housed. Tenants must be pre-approved to transfer, and must meet tenant selection criteria, occupancy standards and program regulation as apply to the desired unit. In some cases, the household may be required to establish program and income eligibility for the desired unit if certain funding sources exist. Consideration and approval of transfer requests will be based on the following criteria, in addition to any funding requirements:

- a) Household must have been in residency at the property for at least one year;
- b) Tenants must be in good standing. Rent and other charges must be current and rental payment history is positive;
- c) Housekeeping history is satisfactory, and tenants have a positive tenancy record without ongoing or egregious lease violations.

Upon notification of an available unit, a tenant may refuse an apartment twice. In the event that a tenant refused an apartment a third time, the individual will be removed from the in-house transfer list and the request denied for that reason.

9. VAWA-VIOLENCE AGAINST WOMEN ACT

That an applicant is or has been a victim of domestic violence, sexual assault, dating violence, or stalking is not an appropriate basis for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for admission.

In determining eligibility for housing in cases where the Agent, acting on behalf of the Project Owners, has become aware that the household includes a victim of domestic violence, and when screening reveals negative and potentially disqualifying information, such as poor credit history, previous damage to an apartment, or a prior arrest, inquiries will be made regarding the circumstances contributing to this negative history, to ascertain whether these past events were the consequence of domestic violence against a member of the applicant household.

Any such inquiries will make clear that members of applicant households have a right to keep any history of domestic violence against them confidential.

When inquiries reveal that the negative history was the consequence of domestic violence, sexual assault, dating violence, or stalking against a member of the applicant household, the applicant household will not be denied housing assistance on the basis of this reporting, provided that the perpetrator of domestic violence is not a member of the applicant household.

The Agent may ask for documentation establishing that the negative history was the consequence of domestic violence, sexual assault, dating violence, or stalking. The applicant shall have fourteen business days (i.e. weekends and holidays will not count in determining the deadline) to provide such documentation. The Agent may grant extensions to the fourteen-day-deadline if the applicant demonstrates good cause. The applicant can satisfy the documentation requirement in any of the following ways:

- 1) Completing a certification form verifying that the individual is a victim of domestic violence, dating violence, or stalking, and that the incident or incidents in question are bona fide incidents of actual or threatened abuse. Such certification shall include the name of the perpetrator, if it is known; OR
- 2) Providing documentation signed by any of the following third parties:
 - a) an employee, agent, or volunteer of a victim service provider;
 - b) an attorney;
 - c) a medical professional; or
 - d) other knowledgeable professional.

The person signing the documentation must have assisted the victim in addressing domestic violence, dating violence, or stalking, or the effects of the abuse. The person signing the documentation must attest under penalty of perjury to his or her belief that the incident or incidents in question are bona fide incidents of abuse. The victim of domestic violence, sexual assault, dating violence, or stalking must also sign the documentation; OR

- 3) Producing a Federal, State, tribal, territorial, or local police or court record.

All denial of assistance letters will notify applicants of VAWA's protections and that they may seek an informal review if they believe that the denial of assistance was related to acts of domestic violence, sexual assault, dating violence, or stalking committed against the applicant.

If because of safety concerns a victim of domestic violence, sexual assault, dating violence, or stalking is unwilling or unable to provide information or identification ordinarily required to confirm eligibility, efforts will be made to otherwise establish eligibility and alternative sources and methods of verification will be accepted.

10. NON-DISCRIMINATION

No person, applicant or resident shall be discriminated against or segregated on the basis of race, color, religion, national origin, disability, age, sex (gender), familial or marital status, source of income, status as victim of domestic violence, sexual orientation or gender identification. Applications may not be rejected, and applicants and/or residents may not be denied housing, treated differently than others, harassed, or evicted from housing based on any of these discriminatory criteria.

OHCS ELDERLY BOND PROGRAM

This document is intended to be an addendum to the tenant selection criteria. It explains additional selection criteria based on requirements posed to the owner/agent by state and/or federal regulations due to funding used in the construction, acquisition and/or rehabilitation of the project.

Applicants who do not meet income limits imposed by the Elderly Bond program will be rejected.

Where there is layered funding at a project and conflicting tenancy criteria, the most restrictive standards will be used.

1. STUDENTS

Households composed entirely full-time students will not be eligible under the Elderly/Disabled Loan Program. A student is defined as someone who is enrolled at an institution of higher education for the purpose of obtaining a degree, certificate, or other program leading to a recognized educational credential.

2. TRANSFERS BETWEEN UNITS

Transfers between units will be authorized only if: required due to a reasonable accommodation, changes in family size or composition, the over or under-utilization of the unit or a transfer is needed to maintain an appropriate unit mix if the household's income coincides with a specific income set-aside of another unit. Transfers based on other compelling reason may also be approved by management after verifying that the existing household does not have any record of lease violations, late rent payments and the unit is being maintained in accordance with the lease agreement.

3. DISCLOSURE OF SOCIAL SECURITY NUMBER OR TAX IDENTIFICATION NUMBER

Family members must provide the borrower with a complete and accurate social security number or tax identification number. For any members of the family who do not have a social security number, the applicant or family member must certify that the individual has never received a social security number.
