1.46. **"Underwriting Lender"** means a national institutional mortgage lender, insurer, underwriter, guarantor, or purchaser on the secondary market, such as Federal Home Administration (FHA) Federal Home Loan Mortgage Corporation (Freddie Mac), Federal National Mortgage Association (Fannie Mae), or the Veterans Administration, singularly or collectively. Use of the term "Underwriting Lender" in this Declaration, and the specific instructions listed in this definition, may not be construed as a limitation on an Owner's financing options or as a representation that the Property is approved by any specific institution.

1.47. **"Unit"** means a physical portion of the Property designated by this Declaration for separate ownership, the boundaries of which are shown on the Plat and Plans attached hereto as Attachment 1, as further described in *Section 5.2* of this Declaration.

1.48. **"Yard Area"** means all turf areas within a Unit. In the event of a dispute concerning what constitutes the Yard Area of a Unit, the Board's determination of such area will be final, binding and conclusive.

## ARTICLE 2

### PROPERTY SUBJECT TO DOCUMENTS

2.1. **Subject to Documents.** The Property is held, transferred, sold, conveyed, leased, occupied, used, insured, and encumbered subject to the terms, covenants, conditions, restrictions, liens, and easements of this Declaration, including Declarant's representations and reservations as set forth on Appendix "A", attached hereto, which run with the Property, bind all Persons having or acquiring any right, title, or interest in the Property, their heirs, successors, and assigns, and inure to the benefit of each Owner of the Property.

2.2. **Adjacent Land Use.** Declarant makes no representation of any kind as to current or future uses, actual or permitted, of any land that is adjacent to or near the Property.

2.3. **Additional Property.** Additional real property may be annexed into the Regime and subjected to the Declaration and the jurisdiction of the Association with the approval of Owners holding at least sixty-seven percent (67%) of the total votes in the Association, or, during the Development Period, unilaterally by Declarant as permitted in Appendix "A". Annexation of additional property is accomplished by the Recording of an amendment to this Declaration, which will include a description of the additional real property. The amendment may include a description of the Units added to the Regime. Upon the annexation of such real property into the Regime such land will be considered part of the Property for the purposes of this Declaration.

2.4. **Recorded Easements and Licenses.** In addition to the easements and restrictions contained in this Declaration, the Property is subject to all easements, licenses, leases, and encumbrances of record, including those described in Attachment 2 attached hereto, and as shown on a Recorded plat, each of which is incorporated herein by reference. Each Owner, by accepting an interest in or title to a Unit, whether or not it is so expressed in the instrument of conveyance, covenants and agrees to be bound by prior-recorded easements, licenses, leases, and encumbrances. Each Owner further agrees to maintain any easement that crosses the Owner's Unit and for which the Association does not have express responsibility.

2.5. **Common Elements.** The Common Elements of the Property consist of all of the Property, save and except the Units. The designation of Common Elements is determined by this Declaration. The Declarant may install, construct, or authorize certain Improvements on Common Elements in connection with the development of the Property.

## ARTICLE 3

### PROPERTY EASEMENTS, RIGHTS AND RESTRICTIONS

3.1. **General.** In addition to other easements, rights and restrictions established by the Documents and the Master Plan Documents, the Property is subject to the easements, rights and restrictions contained in this *Article 3*.

3.2. **Owner's Easement of Enjoyment.** Every Owner is granted a right and easement of enjoyment over the General Common Elements and the use of Improvements therein, subject to other limitations, rights and easements contained in the Documents and the Master Plan Documents. An Owner who does not occupy a Unit delegates this right of enjoyment to the Occupants of the Owner's Unit, and is not entitled to use the General Common Elements. In addition, every Owner is granted an easement over the General Common Elements, to the extent necessary, to provide access to an Owner's Unit and for utilities serving the Owner's Unit. The right of access for necessary ingress and egress to an Owner's Unit cannot be suspended by the Board for violations of the Documents or the Master Plan Documents or nonpayment of Assessments.

3.3. **Owner's Maintenance Easement.** Each Owner is hereby granted an easement over and across any adjoining Unit and Common Elements to the extent reasonably necessary to maintain or reconstruct such Owner's Unit, subject to the consent of the Board and the consent of the Owner of the adjoining Unit, or the consent of the Board in the case of Common Elements, and provided that the Owner's use of the easement granted hereunder does not damage or materially interfere with the use of the adjoining Unit or Common Elements. Requests for entry into an adjoining Unit must be made to the Board and the Owner of such Unit in advance. The consent of the adjoining Unit Owner will not be unreasonably withheld. Access to an adjoining Unit is limited, except in the case of an emergency that would threaten injury to person or property unless such maintenance was immediately performed, to Monday through Friday, between the hours of 8 a.m. until 6 p.m., and then only in conjunction with actual maintenance or reconstruction activities. Access to the Common Elements for the purpose of maintaining or reconstructing any Unit must be approved in advance and in writing by the Board. The Board may require that access to the Common Elements be limited to Monday through Friday, between the hours of 8 a.m. until 6 p.m., and then only in conjunction with actual maintenance or reconstruction activities. Absent an emergency that would threaten injury to person or property unless such maintenance was immediately performed, the Board may require that the Owner abide by additional reasonable rules with respect to use and protection of the Units and the Common Elements during any such maintenance or reconstruction. If an Owner damages an adjoining Unit or Common Element in exercising the easement granted hereunder, the Owner will be required to restore the Unit or Common Element to the condition which existed prior to any such damage, at such Owner's expense, within a reasonable period of time not to exceed thirty (30) days after the date the Owner is notified in writing of the damage by the Board or the Owner of the damaged Unit.

Notwithstanding the foregoing, no Owner, other than the Declarant, shall perform any work to any portion of his Unit or the Common Elements unless such work is approved in advance and in writing by the Plum Creek Reviewer.

3.4. **Owner's Ingress/Egress Easement.** Each Owner is hereby granted a perpetual easement over the Property, as may be reasonably required, for vehicular and pedestrian ingress to and egress from the Owner's Unit or the Limited Common Elements assigned thereto.

3.5. **Owner's Encroachment Easement.** Every Owner is granted an easement for the existence and continuance of any encroachment by the Owner's Unit on any adjoining Unit or Common Element now existing or which may come into existence hereafter, as a result of construction, repair, shifting, settlement, or movement of any portion of a Building, or as a result of condemnation or eminent domain proceedings, so that the encroachment may remain undisturbed so long as the Improvement stands. The easement granted herein is not intended to permit the continuance of any Improvement installed by an Owner not otherwise approved in advance by the Plum Creek Reviewer.

3.6. **Easement of Cooperative Support.** Each Owner is granted an easement of cooperative support over each adjoining Unit and Limited Common Element assigned thereto (if any) as needed for the common benefit of the Property, or for the benefit of a Building, or Units that share any aspect of the Property that requires cooperation. By accepting an interest in or title to a Unit, each Owner: (i) acknowledges the necessity for cooperation in a condominium; (ii) agrees to try to be responsive and civil in communications pertaining to the Property and to the Association; (iii) agrees to provide access to the Owner's Unit and Limited Common Elements when needed by the Association to fulfill its duties; and (iv) agrees to refrain from actions that interfere with the Association's or the Master Association's maintenance and operation of the Property.

3.7. **Association's Access Easement.** Each Owner, by accepting an interest in or title to a Unit, whether or not it is so expressed in the instrument of conveyance, grants to the Association an easement of access and entry over, across, under, and through the Property, including without limitation, all Common Elements and the Owner's Unit and all Improvements thereon for the following purposes:

- (i) To perform inspections and/or maintenance that is permitted or required of the Association by the Documents or by Applicable Law.
- (ii) To perform maintenance that is permitted or required of the Owner by the Documents or by Applicable Law, if the Owner fails or refuses to perform such maintenance.
- (iii) To enforce the Documents.
- (iv) To exercise self-help remedies permitted by the Documents or by Applicable Law.
- (v) To grant easements to utility providers as may be necessary to install, maintain, and inspect utilities serving any portion of the Property.
- (vi) To respond to emergencies.
- (vii) To perform all Irrigation Maintenance Services and Landscape Services.

(viii) To perform any and all functions or duties of the Association as permitted or required by the Documents or by Applicable Law.

3.8. **Utility Easement.** Declarant, during the Development Period, and the Association thereafter, may grant permits, licenses, and easements over the Common Elements for utilities, and other purposes reasonably necessary for the proper operation of the Regime. Declarant, during the Development Period, and the Association thereafter, may grant easements over and across the Units and Common Elements to the extent necessary or required to provide utilities to Units; provided, however, that such easements will not unreasonably interfere with the use of any Unit for residential purposes. A company or entity, public or private, furnishing utility service to the Property, is granted an easement over the Property for ingress, egress, meter reading, installation, maintenance, repair, or replacement of utility lines and equipment, and to do anything else necessary to properly maintain and furnish utility service to the Property; provided, however, this easement may not be exercised without prior notice to the Board and may not unreasonably interfere with the use of a Unit for residential purposes. Utilities may include, but are not limited to, water, irrigation, sewer, trash removal, electricity, gas, telephone, master or cable television, security and pest control.

**NOTICE**

PLEASE READ CAREFULLY THE FOLLOWING PROVISIONS ENTITLED "SECURITY" AND "INJURY TO PERSON OR PROPERTY". THE PROVISIONS LIMIT THE RESPONSIBILITY OF DECLARANT AND THE ASSOCIATION FOR CERTAIN CONDITIONS AND ACTIVITIES.

3.9. **Security.** THE ASSOCIATION AND/OR THE MASTER ASSOCIATION MAY, BUT IS NOT OBLIGATED TO, MAINTAIN OR SUPPORT CERTAIN ACTIVITIES WITHIN THE PROPERTY DESIGNED, EITHER DIRECTLY OR INDIRECTLY, TO IMPROVE SAFETY IN OR ON THE PROPERTY. EACH OWNER AND OCCUPANT ACKNOWLEDGES AND AGREES THAT THE MASTER DECLARANT, THE DECLARANT, THE MASTER ASSOCIATION, THE ASSOCIATION, AND THEIR RESPECTIVE DIRECTORS, OFFICERS, COMMITTEES, AGENTS, AND EMPLOYEES ARE NOT PROVIDERS, INSURERS, OR GUARANTORS OF SECURITY WITHIN THE PROPERTY. EACH OWNER AND OCCUPANT ACKNOWLEDGES AND ACCEPTS THAT IT IS THE SOLE RESPONSIBILITY OF THE OWNER OR OCCUPANT TO PROVIDE SECURITY FOR THEIR OWN PERSON AND PROPERTY, AND EACH OWNER AND OCCUPANT ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO SAME. EACH OWNER AND OCCUPANT FURTHER ACKNOWLEDGES THAT THE MASTER DECLARANT, THE DECLARANT, THE MASTER ASSOCIATION, THE ASSOCIATION, AND THEIR RESPECTIVE DIRECTORS, OFFICERS, COMMITTEES, AGENTS, AND EMPLOYEES HAVE MADE NO REPRESENTATIONS OR WARRANTIES, NOR HAS THE OWNER OR OCCUPANT RELIED ON ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE, BURGLARY, AND/OR INTRUSION SYSTEMS RECOMMENDED OR INSTALLED, OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTY.

EACH OWNER AND OCCUPANT ACKNOWLEDGES AND AGREES THAT THE MASTER DECLARANT, THE DECLARANT, THE MASTER ASSOCIATION, THE ASSOCIATION, AND THEIR RESPECTIVE DIRECTORS, OFFICERS, COMMITTEES, AGENTS, AND EMPLOYEES MAY NOT BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF ANY FAILURE TO PROVIDE ADEQUATE SECURITY OR THE INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN.

3.10. **Injury to Person or Property.** NONE OF THE MASTER DECLARANT, THE DECLARANT, THE ASSOCIATION, NOR THE MASTER ASSOCIATION, NOR ANY OF EACH SUCH ENTITY'S RESPECTIVE AFFILIATES, DESIGNEES, DIRECTORS, OFFICERS, COMMITTEES, AGENTS, AND EMPLOYEES, HAVE A DUTY OR OBLIGATION TO ANY OWNER OR THEIR OCCUPANTS: (A) TO SUPERVISE MINOR CHILDREN OR ANY OTHER PERSON; (B) TO FENCE OR OTHERWISE ENCLOSE ANY LIMITED COMMON ELEMENT, GENERAL COMMON ELEMENT, OR OTHER IMPROVEMENT; OR (C) TO PROVIDE SECURITY OR PROTECTION TO ANY OWNER OR HIS OR HER OCCUPANTS FROM ANY HARM, LOSS, OR DAMAGE. BY ACCEPTING TITLE TO A UNIT, EACH OWNER AGREES THAT THE LIMITATIONS SET FORTH IN THIS SECTION 3.10 ARE REASONABLE AND CONSTITUTE THE EXERCISE OF ORDINARY CARE BY EACH OF THE MASTER DECLARANT, THE DECLARANT, THE ASSOCIATION, AND THE MASTER ASSOCIATION, AND EACH SUCH ENTITY'S RESPECTIVE AFFILIATES, DESIGNEES, DIRECTORS, OFFICERS, COMMITTEES, AGENTS, AND EMPLOYEES. EACH OWNER, BY ITS ACCEPTANCE OF DEED TO A UNIT, ON BEHALF OF HIMSELF OR HERSELF, OR HIS OR HER OCCUPANTS, OR INVITEES, AND THEIR RESPECTIVE PERSONAL REPRESENTATIVES, HEIRS, AND ASSIGNS, HEREBY FULLY RELEASE, DISCHARGE, AND HOLDS HARMLESS ALL AND EACH OF THE MASTER DECLARANT, THE DECLARANT, THE ASSOCIATION, AND THE MASTER ASSOCIATION, AND EACH SUCH ENTITY'S RESPECTIVE AFFILIATES, DESIGNEES, DIRECTORS, OFFICERS, COMMITTEES, AGENTS, AND EMPLOYEES (INDIVIDUALLY, A "RELEASEE" AND COLLECTIVELY, THE "RELEASEES"), AND FURTHER THE OWNER AGREES TO INDEMNIFY AND SAVE AND HOLD HARMLESS EACH OF THE RELEASEES, FROM ANY OR ALL PRESENT, PAST, OR FUTURE CLAIMS, DAMAGES, SUITS, ALLEGATION, LIABILITIES, JUDGMENTS, LOSSES, AND CAUSES OF ACTION, WHETHER LEGAL OR EQUITABLE, INCLUDING ALL CLAIMS FOR INJUNCTIVE OR DECLARATORY RELIEF, ALL CLAIMS FOR MONETARY, COMPENSATORY, PUNITIVE AND EXEMPLARY DAMAGES, AND ALL ALLEGATIONS OF LIABILITY, ATTORNEYS' FEES, COSTS, INTEREST OR EXPENSES (INCLUDING ANY COST, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT OF THE RELEASEES' NEGLIGENCE IN CONNECTION THEREWITH) THAT HAVE BEEN, COULD HAVE BEEN, MAY BE, OR COULD BE ASSERTED AGAINST ANY OR ALL OF THE RELEASEES BY THE OWNER OR ANY OF THE OWNER'S OCCUPANTS OR INVITEES, AND THEIR RESPECTIVE PERSONAL REPRESENTATIVES, HEIRS, AND ASSIGNS, ARISING FROM ANY INJURY, ILLNESS, OR ANY OTHER LOSS OR DAMAGE SUFFERED BY THE OWNER OR THE OCCUPANT, OR ANY INVITEE OF THE OWNER OR THE OCCUPANT, OR INCURRED IN

ANY WAY DUE TO THE PRESENCE OF THE OWNER OR ANY OF THE OWNER'S OCCUPANTS OR INVITEES IN, UPON, OR ABOUT THE DEVELOPMENT (AS SUCH TERM IS DEFINED IN THE MASTER DECLARATION), OR THEIR USE OF ANY AMENITIES, COMMON ELEMENTS, APPARATUS, OR EQUIPMENT LOCATED WITHIN THE DEVELOPMENT (AS SUCH TERM IS DEFINED IN THE MASTER DECLARATION), EXCEPT TO THE EXTENT SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION RESULTED FROM A RELEASEE'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.

3.11. **Easement to Inspect and Right to Correct.** For a period of ten (10) years after expiration of the Development Period, Declarant reserves for itself and for Declarant's architect, engineer, other design professionals, builder, and general contractor the right, but not the duty, to inspect, monitor, test, redesign, correct, and relocate any structure, Improvement, or condition that may exist on any portion of the Property, including the Units, and a perpetual nonexclusive easement of access throughout the Property to the extent reasonably necessary to exercise this right. The party exercising the easement reserved hereunder, will promptly repair, at its sole expense, any damage resulting from the exercise of this right. By way of illustration but not limitation, relocation of a utility panel may be warranted by a change of circumstance, imprecise siting, or desire to comply more fully with Applicable Law. This *Section 3.11* may not be construed to create a duty for Declarant or the Association, and may not be amended without Declarant's written and acknowledged consent. In support of this reservation, each Owner, by accepting an interest in or title to a Unit, hereby grants to Declarant, and the Declarant's architect, engineer, other design professionals, builder, and general contractor an easement of access and entry over, across, under, and through the Property, including without limitation, all Common Elements and each Unit for the purposes contained in this *Section 3.11*

3.12. **Master Association's Access Easement.** Each Owner, by accepting an interest in or title to a Unit, whether or not it is so expressed in the instrument of conveyance, grants to the Master Association and its designees an easement of access and entry over, across, under, and through the Property, including without limitation, all Common Elements and the Owner's Unit and all Improvements thereon for the following purposes:

- (a) To perform inspections and/or maintenance that is permitted or required of the Master Association under the Master Plan Documents or by Applicable Law.
- (b) To perform maintenance that is permitted or required of the Owner under the Master Plan Documents or by Applicable Law, if the Owner fails or refuses to perform such maintenance.
- (c) To enforce the Master Plan Documents.

(d) To exercise self-help remedies permitted under the Master Plan Documents or by Applicable Law.

(e) To grant easements to utility providers as may be necessary to install, maintain, and inspect utilities serving any portion of the Property or the Future Development Area.

(f) To respond to emergencies.

(g) To perform any and all functions or duties of the Master Association as permitted or required by the Master Plan Documents or by Applicable Law.

IN EXERCISING THE EASEMENT RESERVED HEREIN, IN NO EVENT WILL THE MASTER ASSOCIATION BE LIABLE TO ANY OWNER FOR TRESPASS.

#### ARTICLE 4 DISCLOSURES

This *Article 4* discloses selective features of the Regime that may not be obvious to potential Owners and Occupants. Because features may change over time, no disclosure in this *Article 4* should be relied upon without independent confirmation.

4.1. **Service Contracts.** In connection with construction of the Unit, the Unit may have been wired or fitted for one or more services to be provided by vendors to the Owner on a contract basis, such as intrusion monitoring and cable television. In exchange for such installations, Declarant may have contracted on behalf of the Owner for a period of service to the Owner's Unit. In that event, whether or not an Owner chooses to use the service, the Owner may be required to pay the Unit's share of the contract for the contract period. The Association may serve as the conduit for the service fees and payments, which may be considered Regular Assessments or Individual Assessments. **However, neither the Declarant nor the Association is the service provider and has no responsibility or liability for the availability or quality of the service, or for the maintenance, repair, or replacement of the wires, conduits, equipment, or other fittings relating to the contract service.**

4.2. **Water Quality Facilities, Drainage Facilities and Drainage Ponds.** The Property may include one or more water quality facilities, sedimentation, drainage and detention facilities, or ponds which serve all or a portion of the Property. The Association or the MUD (defined in *Section 4.27*) will be obligated to inspect, maintain and administer such water quality facilities, drainage facilities, and drainage ponds in good and functioning condition and repair. Each Owner is advised that any such water quality facilities, sedimentation, drainage and detention facilities and ponds are an active utility feature integral to the proper operation of the Regime and may periodically hold standing water. Each Owner is advised that entry into the water

quality facilities, sedimentation, drainage and detention facilities or ponds may result in injury and is a violation of the Rules.

4.3. **Adjacent Thoroughfares.** The Property is located adjacent to thoroughfares that may be affected by traffic and noise from time to time and may be improved and/or widened in the future.

4.4. **Zoning.** No representations are made regarding the zoning of adjacent property. The zoning and use of adjacent property may change in the future.

4.5. **Outside Conditions.** Since in every neighborhood there are conditions that different people may find objectionable, it is acknowledged that there may be conditions outside of the Property that an Owner or Occupant may find objectionable, and it shall be the sole responsibility of an Owner or Occupant to become acquainted with neighborhood conditions that could affect the Property and the Unit.

4.6. **Concrete.**

4.6.1. **Cracks.** Minor cracks in poured concrete, including foundations, sidewalks, driveways and patios, are inevitable as a result of the natural movement of soil (expansion and contraction), shrinkage during the curing of the concrete, and movement of a Building.

4.6.2. **Exposed Floors.** This Section 4.6.2 applies to Units with exposed concrete floors. This notice is given because some Owners are inexperienced with concrete flooring. In deciding whether, when, and how to fill cracks in exposed concrete floors, an Owner is hereby made aware that the color and texture of the fill material may not match the rest of the concrete floor. On some exposed concrete floors, fill materials make minor cracks more noticeable than if the cracks had been left in their natural state. In addition, an Owner is hereby made aware that any specification for polished concrete does not mean an Owner will be able to actually see his reflection in the floor.

4.7. **Construction Activities.** Declarant will be constructing portions of the Regime and engaging in other construction activities related to the construction of Units and Common Elements. Such construction activities may, from time to time, produce certain conditions within the Regime, including, without limitation: (i) noise or sound that is objectionable because of its volume, duration, frequency or shrillness; (ii) smoke; (iii) noxious, toxic or corrosive fumes or gases; (iv) obnoxious odors; (v) dust, dirt or flying ash; (vi) unusual fire or explosion hazards; (vii) temporary interruption of utilities; and/or (viii) other conditions that may threaten the security or safety of Persons on the Regime. Notwithstanding the foregoing, all Owners and Occupants agree that such conditions on the Regime resulting from construction activities shall not be deemed a nuisance and shall not cause Declarant and its agents to be deemed in violation of any provision of this Declaration.

4.8. **Moisture.** Improvements may trap humidity created by general use and occupancy. As a result, condensation may appear on the interior portion of windows and glass surfaces and fogging of windows and glass surfaces may occur due to temperature disparities between the interior and exterior portions of the windows and glass. If left unattended and not properly maintained by Owners and Occupants, the condensation may increase resulting in staining, damage to surrounding seals, caulk, paint, wood work and sheetrock, and potentially, mildew and/or mold. **Mold and/or mildew can grow in any portion of the Property that is exposed to elevated levels of moisture.** (See Section 9.10 for certain duties of an Owner with respect to mold).

4.9. **Encroachments.** Improvements may have been constructed on adjoining lands that encroach onto the Property. Declarant gives no representations or warranties as to property rights, if any, created by any such encroachments.

4.10. **Budgets.** Any budget prepared by or on behalf of the Association is based on estimated expenses only without consideration for the effects of inflation. The estimated expenses reflected on a budget may increase or decrease significantly when the actual expenses become known.

4.11. **Light and Views.** The natural light available to and views from a Unit can change over time due to among other things, additional development and the removal or addition of landscaping. **NATURAL LIGHT AND VIEWS ARE NOT PROTECTED.**

4.12. **Schools.** No representations are being made regarding which schools may now or in the future serve the Unit.

4.13. **Sounds.** No representations are made that the Unit or Buildings are or will be soundproof or that sound and/or vibrations may not be transmitted from one Unit to another or from the Common Elements (including, but not limited to, any amenity areas) to a Unit. Sound transmissions and/or vibrations between Units and Common Elements are inherent in attached condominium construction and are not construction defects. The Units are built in close proximity to one another, resulting in the sharing of common walls, floors and ceilings. As a result, noise and vibration may be detectable between Units or between Units and the Common Elements. The plumbing and concrete, tile, and hardwood surfaces and other uncovered surfaces within a Unit may transmit noise from one Unit to another.

4.14. **Suburban Environment.** The Property is located in a suburban environment. Land adjacent or near the Property may contain or be developed to contain residential and commercial uses. Sound and vibrations may be audible and felt from such things as sirens, whistles, horns, the playing of music, people speaking loudly, trash being picked up, deliveries being made, equipment being operated, dogs barking, construction activity, building and grounds maintenance being performed, automobiles, buses, trucks, ambulances, airplanes, trains and other generators of sound and vibrations typically found in a suburban area. In addition to

sound and vibration, there may be odors (from restaurants, food being prepared and dumpsters) and light (from signs, streetlights, other buildings, car headlights and other similar items) in suburban areas, and these things are part of the reality and vibrancy of suburban living. The Units are not constructed to be soundproof or free from vibrations. Sounds and vibrations can also be generated from sources located within a Unit, the Common Elements including heating and air conditioning equipment, utility treatment facilities, pump rooms, other mechanical equipment, dogs barking and the playing of certain kinds of music.

4.15. **Unit Plans and Dimensions.** Any advertising materials, brochures, renderings, drawings, and the like, furnished by Declarant to Owner which purport to depict the Improvements to be constructed within the Property or any portion thereof, are merely approximations and do not necessarily reflect the actual as-built conditions of the same. Room dimensions, Unit size and elevations may vary due to the nature of the construction process and site conditions. If the Owner is concerned about any representations regarding room dimensions, Unit size and elevations, the Owner should conduct its own investigation of such matters prior to contracting for the purchase of a Unit.

4.16. **Water Runoff.** The Property may be subject to erosion and/or flooding during unusually intense or prolonged periods of rain. In addition, water may pond on various portions of the Property having impervious surfaces, such as the driveways, streets, patios, balconies, terraces and patios, as applicable.

4.17. **Unit Systems.** No representations are made that the systems in the Unit including, by way of example only, heating and air conditioning and electrical systems will operate or perform at a level or standard greater than the minimum specifications of the manufacturer. In addition, the performance and methods and practices of operating heating and cooling systems can be directly affected by the orientation and location of a room or Unit in relation to the sun.

4.18. **Upgrades.** The cost of upgrades may not necessarily result in a commensurate increase in the value of the Unit.

4.19. **Location of Utilities.** Declarant makes no representation as to the location of mailboxes, utility boxes, utility treatment facilities, street lights, fire hydrants or storm drain inlets or basins.

4.20. **Wood.** Natural wood has considerable variation due to its organic nature. There may be shades of white, red, black or even green in areas. In addition, mineral streaks may also be visible. Grain pattern or texture will vary from consistent to completely irregular; wood from different areas of the same tree can also have variations in pattern or texture. These variations in grain will in turn accept stain in varying amounts, which will show throughout the wood products from one door to the next, one panel to the next or one piece of wood to the next. Also, cabinet finishes (including gloss and/or matte finishes) will not be entirely consistent and some irregularities will be apparent. Additionally, wood and wood products may be subject to

warping, splitting, swelling and/or delamination. Wood floors may require more maintenance than some man-made materials. Owners of Units with wood floors should educate themselves about wood floor care.

4.21. **Stone.** Veins and colors of any marble, slate or other stone in the Unit, if any, may vary drastically from one piece of stone to another. Each piece is different. Marble, granite, slate and other stone can also have chips and shattering veins, which look like scratches. The thickness of the joints between marble, granite, slate and other stone and/or other materials against which they have been laid will vary and there will be irregularities in surface smoothness. Marble and other stone finishes may be dangerously slippery and Declarant assumes no responsibility for injuries sustained as a result of exposure to or use of such materials. Periodic use of professionally approved and applied sealant is needed to ensure proper maintenance of the marble, granite, slate and other stone and it is the Owner's responsibility to properly maintain these materials. Marble, granite and other stone surfaces may scratch, chip or stain easily. Such substances, as part of their desirable noise attenuating properties, may flex or move slightly in order to absorb impacts. Such movement may in turn cause grout to crack or loosen or cause some cracking in the stone flooring which may need to be repaired as part of normal home maintenance.

4.22. **Chemicals.** The Buildings and Units contain products that have water, powders, solids and industrial chemicals used in construction. The water, powders, solids and industrial chemicals will and do contain mold, mildew, fungus, spores and chemicals that may cause allergic or other bodily reactions in certain individuals. Leaks, wet flooring and moisture will contribute to the growth of molds, mildew, fungus or spores. Declarant is not responsible for any illness or allergic reactions that a person may experience as a result of mold, mildew, fungus or spores. It is the responsibility of the Owner and/or Occupant to keep the Unit clean, dry, well ventilated and free of contamination.

4.23. **Paint.** Due to the large quantity of paint used in the Buildings and Units, Owner should be aware that slight variations in paint shade may exist. Due to the properties within today's paints, Owner should expect paint to yellow or fade with time. This is a normal occurrence and is neither a construction defect nor a warrantable item. Avoid washing or scrubbing painted walls. Lightly soiled areas may be cleaned using a sponge with water and lightly wiping over the soiled areas.

4.24. **Fixtures.** Certain materials used for fixtures in the Buildings and Units (including, but not limited to, brass/chrome plumbing fixtures, brass/chrome bathroom accessories and brass/chrome light fixtures) are subject to discoloration and/or corrosion over time. This is a normal occurrence and this is neither a construction defect nor a warrantable item.

4.25. **Marketing.** Declarant's use of a sales center and/or model Units or reference to other construction by Declarant is intended only to demonstrate the quality of possible finish details, the basic floor plans, and styles of Units available for purchase. The Units may not conform to any model Unit in any respect, or contain some or all of the amenities featured, such

as furnishings and appliances. Likewise, any model Unit is intended only to demonstrate the size and basic architectural features of the project. The project or an individual Unit may not conform to the models displayed by Declarant. Declarant may have shown prospective purchasers model homes, floorplans, sketches, drawings, and scale models of Units or the project (collectively "**Promotional Aids**"). Owner understands and agrees that the Promotional Aids are conceptual, subject to change, for display purposes only, and may not be incorporated into the project or a Unit. Declarant retains the right to obtain and use photography of the Property (including any Unit) for publication and advertising purposes.

4.26. **Private Streets.** Any private streets located within the Property are General Common Elements and will be operated and maintained by the Association. By acquiring a Unit in the Regime, each Owner acknowledges and agrees that use of any private streets will be subject to all applicable Rules. The Association, acting through the Board, has the express authority to adopt, amend, repeal, and enforce Rules for use of any private streets, including but not limited to:

- (i) Identification of vehicles used by Owners and Occupants and their guests.
- (ii) Designation of guest parking areas, no-parking areas and loading/unloading zones.
- (iii) Removal or prohibition of vehicles that violate applicable Rules.
- (iv) Fines for violations of applicable Rules.

Private streets located within the Property shall provide perpetual access for police and other emergency vehicles, public and private utility maintenance and service personnel, solid waste collection services, the U.S. Postal Service, and government employees in pursuit of their official duties. Access to the private streets for the persons and entities referenced in the preceding sentence shall be reasonably provided by the Association

4.27. **North Hays County Municipal Utility District No. 2.** The Property is subject to that certain North Hays County Municipal Utility District No. 2 created pursuant to Article XVI, Section 59 of the Constitution of Texas and/or Chapters 49 and 54, Texas Water Code (the "**MUD**"), and each Owner is advised to review the MUD documents in their entirety. Acceptance of an interest in or title to a Unit located within the Property, whether or not it is so expressed in the instrument of conveyance, shall constitute acquiescence by the Owner of such Unit to the applicability of and obligations set forth within the MUD documents. As an Owner of a Unit within the MUD, you may be required to pay additional assessments to Hays County or the MUD.

## ARTICLE 5

### UNITS, LIMITED COMMON ELEMENTS & ALLOCATIONS

5.1. **Number of Units.** The Regime initially consists of eighteen (18) Units. During the Development Period, Declarant, as permitted in Appendix "A", has reserved the right to create a total of one hundred and twenty-nine (129) Units on the Property and to add additional property to the Regime. To add Units or property to the Regime, Declarant during the Development Period may, from time to time, Record an amendment to this Declaration. The amendment will: (i) describe the property being added to the Regime, if applicable; (ii) describe and assign an identifying number to each new Unit; (iii) reallocate the Common Interest Allocation (computed pursuant to *Section 5.9* below) among all Units then existing within the Regime; (iv) describe any Limited Common Elements, if any, created or designated to each new Unit; and (v) with respect to new Units, include the information required by Section 82.055 and Section 82.059(b) of the Act, as applicable. The amendment will include a description of the Units added to the Regime if Declarant elects to create Units upon Recordation of the amendment, OR if Declarant elects to create additional Units subsequent to the Recordation of the amendment adding property to the Regime, the amendment will describe the property and include the information required by Section 82.055 and Section 82.059(b) of the Act, as applicable. No assurance is given as to the dispersion of new Units, total number of new Units, or size of such Unit.

5.2. **Unit Boundaries.** The boundaries and identifying number of each Unit are shown on the Plat and Plans attached as Attachment 1. The boundaries of each Unit are further described as follows:

5.2.1. **Lower Boundary of the Unit:** The horizontal plane corresponding to the finished grade of the land within the Unit as described and defined on Attachment 1.

5.2.2. **Upper Boundary of the Unit:** The horizontal plane parallel to and fifty feet (50') above the lower boundary of the Unit.

5.2.3. **Lateral Boundaries of the Unit:** A plane located on each side of a Unit perpendicular to the lower and upper horizontal planes, from the lower boundary of the Unit to the upper boundary of the Unit as described and defined on Attachment 1. On interior walls, i.e., walls between two (2) Units, the Unit's lateral boundaries are the planes defined by the midpoints of the interior wall. The Unit on each side of an interior wall extends to the middle of the interior wall.

5.3. **No Relation to Living Areas.** The space contained within the Unit's vertical and horizontal boundaries is not related to the size of the Unit's living areas. Similarly, the Units are initially marketed on the basis of representational floorplans, each of which is marked with an estimated size taken from architectural drawings. Those marketing sizes may vary from the size of the actual space contained within the Unit's vertical and horizontal boundaries.

5.4. **Units Generally.** If the foregoing description of Unit boundaries is inconsistent with the Plat and Plans, then *Section 5.2* hereof will control. It is the express intent of the Declarant that the property described as being part of a Unit shall for all purposes herein be treated as and constitutes a lawfully described "Unit" as that term is defined in the Act. In the event that there is a final judicial determination by a court of competent jurisdiction that the boundaries of a Unit or any portion thereof are so indefinite and vague so as to not create a legally constituted "Unit" within the meaning of the Act, then that portion of the Unit that has not been adequately described shall be severed from the property deemed a part of the Unit (if the remainder of the Unit, excluding the severed portion thereof, constitutes a properly described "Unit" under the Act) and shall thereafter be deemed a Limited Common Element reserved to the exclusive use of said Unit, subject to the rights and obligations of other Owners with respect to said property.

5.5. **What a Unit Includes.** Each Unit includes the spaces and Improvements within the lower, upper, and lateral boundaries, including without limitation the exterior components of the Building, e.g., the roof and foundation, landscaping, driveways, sidewalks, landscape walls, fences, yards, utility lines and meters, and all other Improvements located within the Unit. In addition to the Building and the Improvements located therein, each Unit also includes Improvements, fixtures, and equipment serving the Unit exclusively, whether located inside, outside, or below the Unit, whether or not attached to or contiguous with the Unit, including but not limited to any below-grade foundation, piers, retaining walls, fence, or other structural supports; plumbing, sewage and/or septic and utility lines, pipes, drains, and conduits; drainage facilities, and subterranean components of plant material, including roots of trees on the Unit; and any other below-grade item that serves or supports the Unit exclusively.

5.6. **Building Size.** The space contained within the vertical and horizontal boundaries of the Unit is not related to the size of the Building. A Building may only occupy a portion of a Unit in a location approved in advance by the Plum Creek Reviewer.

5.7. **Initial Designations of Limited Common Elements.** Portions of the Common Elements may be allocated as Limited Common Elements on the Plat and Plans, attached hereto as Attachment 1, by use of "LCE" and the identifying number of the Unit(s) to which the Limited Common Element is appurtenant, or by use of a comparable method of designation.

5.8. **Subsequent Allocation of Limited Common Elements.** A Common Element not allocated by this Declaration as a Limited Common Element may be so allocated only in accordance with the Act or the provisions of this Declaration. Declarant has reserved the right as set forth in Appendix "A" of this Declaration, to create and assign Limited Common Elements within the Property.

5.9. **Common Interest Allocation.** The percentage of interest in the Common Elements (the "Common Interest Allocation") allocated to each Unit is set forth on Attachment 3, and is assigned in accordance with a ratio of one (1) to the total number of Units. The same formula will be used in the event the Common Interest Allocation is reallocated as a result of any increase or

decrease in the number of Units subject to this Declaration. In the event an amendment or notice of annexation to this Declaration is filed which reallocates the Common Interest Allocation as a result of any increase or decrease in the number of Units, the reallocation will be effective on the date such amendment or notice of annexation is Recorded.

5.10. **Common Expense Liability.** The percentage of liability for Common Expenses allocated to each Unit (the “**Common Expense Liability**”) and levied pursuant to *Article 6* is equivalent to the Common Interest Allocation assigned to the Unit in accordance with *Section 5.9*.

5.11. **Votes.** One (1) vote is allocated to each Unit. The one vote appurtenant to each Unit is weighted equally for all votes, regardless of the other allocations appurtenant to the Unit. In other words, the one vote appurtenant to each Unit is uniform and equal to the vote appurtenant to every other Unit.

5.12. **Master Association Votes.** The Master NOA sets forth the number of votes that are allocated to the Property under the Master Association.

## ARTICLE 6 **COVENANT FOR ASSESSMENTS**

6.1. **Purpose of Assessments.** The Association will use Assessments for the general purposes of preserving and enhancing the Regime, and for the benefit of Owners and Occupants, including but not limited to maintenance of the Regime, management and operation of the Association, and any expense reasonably related to the purposes for which the Association was formed. If made in good faith, the Board’s decision with respect to the use of Assessments is final.

6.2. **Personal Obligation.** An Owner is obligated to pay Assessments levied by the Board against the Owner or the Owner’s Unit. Payments are made to the Association at its principal office or at any other place the Board directs. Payments must be made in full regardless of whether an Owner has a dispute with the Association, another Owner, or any other Person regarding any matter to which the Documents pertain. No Owner may exempt himself from such Owner’s Assessment liability by waiver of the use or enjoyment of the Common Elements or by abandonment of such Owner’s Unit. An Owner’s obligation for Assessments is not subject to offset by the Owner, nor is it contingent on the Association’s performance or lack thereof. Payment of Assessments is both a continuing affirmative covenant personal to the Owner and a continuing covenant running with the Unit.

6.3. **Types of Assessments.** There are six (6) types of Assessments: Regular Assessments, Special Assessments, Utility Assessments, Individual Assessments, Deficiency Assessments, and Master Assessments.

#### 6.4. Regular Assessments.

6.4.1. Purpose of Regular Assessments. Regular Assessments are used for Common Expenses related to the recurring, periodic, and anticipated responsibilities of the Association, including but not limited to:

(i) Maintenance, repair, and replacement, as necessary, of the Common Elements and Improvements, equipment, signage, and property owned by the Association.

(ii) Maintenance examination and report, as described in *Section 9.4*.

(iii) Utilities billed to the Association.

(iv) Pest control and other services obtained by the Association.

(v) Taxes on property owned by the Association and the Association's income taxes.

(vi) Management, legal, accounting, auditing, and professional fees for services to the Association.

(vii) Costs of operating the Association, such as telephone, postage, office supplies, printing, meeting expenses, and educational opportunities of benefit to the Association.

(viii) Insurance premiums and deductibles.

(ix) Contributions to the reserves.

(x) Any other expense which the Association is required by Applicable Law or the Documents to pay, or which, in the opinion of the Board, is necessary or proper for the operation and maintenance of the Regime or for enforcement of the Documents.

(xi) Landscape Services and Irrigation Maintenance Services.

(xii) Administration, maintenance and repair of the Area of Common Responsibility, including but not limited to the costs of: (a) maintaining, repairing, and replacing, as necessary the Area of Common Responsibility; and (b) contributions to the reserve funds for capital improvements and replacement of the Area of Common Responsibility (to be repaired or replaced by the Association pursuant to Attachment 4 attached hereto).

6.4.2. Annual Budget-Regular. The Board will prepare and approve an annual budget with the estimated expenses to be incurred by the Association for each fiscal year.

The budget will take into account the estimated income and Common Expenses of the Association for the year, contributions to reserve funds, and a projection for uncollected receivables. The Board will make the budget or a summary of the budget available to each Owner, although failure to receive a budget or budget summary will not affect an Owner's liability for Assessments. The Board will provide copies of the budget to Owners who make written request and pay a reasonable copy charge.

6.4.3. **Basis of Regular Assessments.** Regular Assessments will be based on the annual budget, minus estimated income from sources other than Regular Assessments. Each Unit will be liable for the Unit's share of the annual budget based on the Common Expense Liability allocated to such Unit. If the Board does not approve an annual budget or fails to determine new Regular Assessments for any year, or delays in doing so, Owners will continue to pay the Regular Assessment as last determined by the Board.

6.5. **Supplemental Increases.** If, during the course of a year, the Board determines that Regular Assessments are insufficient to cover the estimated Common Expenses of the Association for the remainder of the year, the Board may increase Regular Assessments for the remainder of the fiscal year in an amount that covers the estimated deficiency. Supplemental increases will be apportioned among the Units in the same manner as Regular Assessments.

6.6. **Special Assessments.** The Board may levy one or more Special Assessments against all Units for the purpose of defraying, in whole or in part, Common Expenses not anticipated by the annual budget or reserve funds. Special Assessments may be used for the same purposes as Regular Assessments. Special Assessments do not require the approval of the Owners, except that Special Assessments for the acquisition of real property must be approved by Owners representing at least a Majority of the votes in the Association. Special Assessments will be apportioned among the Units in the same manner as Regular Assessments.

6.7. **Utility Assessments.** This Section 6.7 applies to utilities serving the Units and consumed by the Owner and/or Occupants that are billed to the Association by the utility provider, and which may or may not be sub-metered by or through the Association. The Board may levy a Utility Assessment against each Unit. The Board may allocate the Association's utility charges among the Units by any conventional and reasonable method. The levy of a Utility Assessment may include a share of the utilities for the Common Elements, as well as administrative and processing fees, and an allocation of any other charges that are typically incurred in connection with utility or sub-metering services. The Board may, from time to time, change the method of utility allocation, provided the method of allocation is reasonable.

6.8. **Individual Assessments.** The Board may levy an Individual Assessment against an Owner and the Owner's Unit. Individual Assessments may include, but are not limited to: (i) interest, late charges, and collection costs on delinquent Assessments; (ii) reimbursement for costs incurred in bringing an Owner or the Owner's Unit into compliance with the Documents or the Master Plan Documents; (iii) fines for violations of the Documents or the Master Plan Documents;

(iv) transfer-related fees and resale certificate fees; (v) fees for estoppel letters and copies of the Documents or the Master Plan Documents; (vi) insurance deductibles; (vii) reimbursement for damage or waste caused by willful or negligent acts of the Owner, Occupant, or their agents, guests or invitees (including any waste caused by a leak in an Owner's Unit); and (viii) Common Expenses that benefit fewer than all of the Units, which may be assessed according to benefit received as reasonably determined by the Board.

6.9. **Deficiency Assessments.** The Board may levy a Deficiency Assessment against the Units for the purpose of defraying, in whole or in part, the cost of repair or restoration for the Common Elements, as necessary, performed by the Association or its permittees if insurance proceeds or condemnation awards prove insufficient. Deficiency Assessments will be apportioned among the Units in the same manner as Regular Assessments.

6.10. **Working Capital Fund.** Upon the transfer of a Unit (including both transfers from Declarant to the initial Owner, and transfers from one Owner to a subsequent Owner), a working capital fee in such amount, if any, as may be determined by the Declarant, until expiration or termination of the Development Period, and the Board thereafter, will be paid from the transferee of the Unit to the Association for the Association's working capital fund. Each working capital contribution will be collected from the transferee of a Unit upon the conveyance of the Unit from one Owner (including Declarant) to another (expressly including any re-conveyances of the Unit upon resale or transfer thereof). Notwithstanding the foregoing provision, the following transfers of a Unit will not be subject to the working capital contribution: (i) foreclosure of a deed of trust lien, tax lien, or the Association's or the Master Association's assessment lien; (ii) transfer to, from, or by the Association or the Master Association; (iii) voluntary transfer by an Owner to one or more co-owners, or to the Owner's spouse, child, or parent; (iv) any grantee who is the domestic partner or former spouse of the grantor; (v) any grantee that is a wholly-owned entity of the grantor; and (vi) any grantee to whom a Unit is conveyed by a will or through the law of intestacy. Contributions to the fund are not advance payments of Regular Assessments and are not refundable. Declarant may not use working capital fees collected hereunder to pay operational expenses of the Association until the Declarant Control Period terminates. The Declarant during the Development Period, and thereafter the Board, will have the power to waive the payment of any working capital fund contribution attributable to a Unit (or all Units) by the Recordation of a waiver notice, which waiver may be temporary or permanent.

6.11. **Due Date.** Regular Assessments are due annually, with monthly installments of the total annual Regular Assessments to be paid on the first calendar day of each month or on such other date or frequency as the Board may designate in its sole and absolute discretion, and are delinquent if not received by the Association on or before such date. Utility, Special, Individual, Deficiency Assessments, and Master Assessments are due on the date stated in the notice of Assessment or, if no date is stated, within ten (10) days after notice of the Utility, Special, Individual, Deficiency Assessment, or Master Assessment is given.

6.12. **Reserve Funds.** The Association may maintain reserves at a level determined by the Board to be sufficient to cover the cost of operational or maintenance emergencies or contingencies, including deductibles on insurance policies maintained by the Association. The Association may maintain replacement and repair reserves at a level that anticipates the scheduled replacement or major repair of components of the Common Elements and the Area of Common Responsibility.

6.13. **Declarant's Right to Inspect and Correct Accounts.** For a period of ten (10) years after termination or expiration of the Development Period, Declarant reserves for itself and for Declarant's accountants and attorneys, the right, but not the duty, to inspect, correct, and adjust the Association financial records and accounts established during the Declarant Control Period. The Association may not refuse to accept an adjusting or correcting payment made by or for the benefit of Declarant. By way of illustration but not limitation, Declarant may find it necessary to re-characterize an expense or payment to conform to Declarant's obligations under the Documents or Applicable Law. This Section 6.13 may not be construed to create a duty for Declarant or a right for the Association, and may not be amended without Declarant's written and acknowledged consent. In support of this reservation, each Owner, by accepting an interest in or title to a Unit, hereby grants to Declarant a right of access to the Association's books and records that is independent of Declarant's rights during the Declarant Control Period and the Development Period.

6.14. **Association's Right to Borrow Money.** The Association is granted the right to borrow money, subject to the ability of the Association to repay the borrowed funds from Assessments. To assist its ability to borrow, the Association is granted the right to encumber, mortgage, or pledge any of its real or personal property, and the right to assign its right to future income, as security for money borrowed or debts incurred, provided that the rights of the lender in the pledged property are subordinate and inferior to the rights of the Owners hereunder.

6.15. **Limitations of Interest.** The Association, and its officers, directors, managers, and attorneys, intend to conform strictly to Applicable Law. Notwithstanding anything to the contrary in the Documents or any other document or agreement executed or made in connection with the Association's collection of Assessments, the Association will not in any event be entitled to receive or collect, as interest, a sum greater than the maximum amount permitted by Applicable Law. If from any circumstances whatsoever, the Association ever receives, collects, or applies as interest a sum in excess of the maximum rate permitted by Applicable Law, the excess amount will be applied to the reduction of unpaid applicable Assessments, or reimbursed to the Owner if those Assessments are paid in full.

6.16. **Audited Financial Statements.** The Association shall have an audited financial statement for the preceding full fiscal year of the Association prepared and made available within one hundred and twenty (120) days after the Association's fiscal year-end

6.17. **Master Assessments.** Each Unit is subject to the terms and provisions of the Master Plan Documents, and accordingly, each Owner will also be a mandatory member of the Master Association and be required to pay Master Assessments in accordance with the Master Plan Documents. Under the Master Plan Documents, the Property will be allocated that number of "Assessment Units" (as defined in the Master Declaration) and votes set forth in the Master NOA. The Master Declarant will determine such Assessment Units and votes in its sole and absolute discretion. Unless the Master Association elects otherwise (which election may be made at any time), the Association will collect all Master Assessments payable to the Master Association in accordance with the Master Declaration. The Association will promptly remit all Master Assessments collected from Owners to the Master Association. If the Association fails to timely collect any portion of the Master Assessments due from the Owners, then the Master Association may collect such Master Assessments allocated to a Unit on its own behalf and enforce its lien against the Unit without joinder of the Association. The Association's right to collect Master Assessments on behalf of the Master Association is a license from the Master Association which may be revoked by written instrument at any time, and from time to time, at the sole and absolute discretion of the Master Board.

## ARTICLE 7 **ASSESSMENT LIEN**

7.1. **Assessment Lien.** Each Owner, by accepting an interest in or title to a Unit, whether or not it is so expressed in the instrument of conveyance, covenants and agrees to pay Regular Assessments, Special Assessments, Utility Assessments, Individual Assessments, and Deficiency Assessments to the Association. Each Assessment is a charge on the Unit and is secured by a continuing lien on the Unit. Each Owner, and each prospective Owner, is placed on notice that title to such Owner's Unit may be subject to the continuing lien for Assessments attributable to a period prior to the date the Owner purchased its Unit. An express lien on each Unit is hereby granted and conveyed by Declarant to the Association to secure the payment of Regular Assessments, Special Assessments, Utility Assessments, Individual Assessments, and Deficiency Assessments.

7.2. **Superiority of Assessment Lien.** The Assessment lien is superior to all other liens and encumbrances on a Unit, except only for: (i) real property taxes and assessments levied by governmental and taxing authorities; (ii) Master Assessments levied pursuant to the terms and provisions of the Master Plan Documents; (iii) a Recorded deed of trust lien securing a loan for construction of Improvements upon the Unit or acquisition of the Unit; (iv) a deed of trust or vendor's lien Recorded before this Declaration; or (v) a first or senior purchase money vendor's lien or deed of trust lien Recorded before the date on which the delinquent Assessment became due. The Assessment lien is superior to any Recorded assignment of the rights to insurance proceeds on the Unit unless the assignment is part of a superior deed of trust lien.

7.3. **Effect of Mortgagee's Foreclosure.** Foreclosure of a superior lien extinguishes the Association's claim against the Unit for unpaid Assessments that became due before the sale, but

does not extinguish the Association's claim against the former Owner. The purchaser at the foreclosure sale of a superior lien is liable for Assessments coming due from and after the date of the sale.

**IF YOU FAIL TO PAY ASSESSMENTS TO THE ASSOCIATION, YOU  
MAY LOSE TITLE TO YOUR UNIT IF THE ASSOCIATION  
FORECLOSES ITS ASSESSMENT LIEN AGAINST YOUR UNIT.**

7.4. **Notice and Release of Notice.** The lien established hereby for Assessments is created by Recordation of this Declaration, which constitutes record notice and perfection of the lien. No other Recordation of a lien or notice of lien is required. However, in the exercise of its lien rights, the Association may, at its option, cause a notice of the lien to be Recorded. Each lien filed by the Association must be prepared and filed by an attorney licensed to practice law in the State of Texas. If the debt is cured after a notice has been Recorded, the Association will Record a release of the notice at the expense of the curing Owner. The Association may require reimbursement of its costs of preparing and Recording the notice before granting the release.

7.5. **Power of Sale.** By accepting an interest in or title to a Unit, each Owner grants to the Association a private power of sale in connection with its Assessment lien. The Board may appoint, from time to time, any Person, including an officer, agent, trustee, substitute trustee, or attorney, to exercise the Association's lien rights on behalf of the Association, including the power of sale. Any such appointment must be in writing and may be in the form of a resolution duly adopted by the Board.

7.6. **Foreclosure of Lien.** The Assessment lien may be enforced by judicial or non-judicial foreclosure. A non-judicial foreclosure must be conducted in accordance with the provisions applicable to the exercise of powers of sale as set forth in Section 51.002 of the Texas Property Code, or in any manner permitted by Applicable Law. In any foreclosure, the Owner will be required to pay all costs and expenses for the proceedings, including reasonable attorneys' fees. The Association has the power to bid on the Unit at a foreclosure sale initiated by it and to acquire, hold, lease, mortgage, and convey same.

7.7. **Lien Rights under Master Declaration.** In addition to the lien rights granted to the Association pursuant to the terms and provisions of this Declaration, each Owner, by accepting an interest in or title to a Unit, whether or not it is so expressed in the instrument of conveyance, covenants and agrees to pay to the Master Association those Master Assessments levied in accordance with the Master Plan Documents. Each Master Association assessment is a charge on the Unit and is secured by a continuing lien on the Unit as set forth in the Master Plan Documents. Each Owner, and each prospective Owner, is placed on notice that his or her title may be subject to the continuing lien for the Master Assessments attributable to a period prior to the date the Owner purchased his or her Unit. An express lien on each Unit has been granted

and conveyed by the Master Declarant under the Master Plan Documents to the Master Association to secure the payment of the Master Assessments.

## ARTICLE 8

### EFFECT OF NONPAYMENT OF ASSESSMENTS

8.1. **Generally.** An Assessment is delinquent if the Association does not receive payment in full by the Assessment's due date. The Association, acting through the Board, is responsible for taking action to collect all delinquent Assessments. From time to time, the Association may delegate some or all of its collection procedures and remedies, as it in its sole discretion deems appropriate, to a manager, attorney or a debt collector. Neither the Association nor the Board, however, is liable to an Owner or other Person for its failure or inability to collect or attempt to collect an Assessment. The following remedies are in addition to and not in substitution for all other rights and remedies which the Association may have pursuant to the Documents or Applicable Law.

8.2. **Interest.** Delinquent Assessments are subject to interest from the due date until paid, at a rate to be determined by the Board from time to time, not to exceed the lesser of eighteen percent (18%) per annum or the maximum permitted by Applicable Law. If the Board fails to establish a rate, the rate is ten percent (10%) per annum.

8.3. **Late Fees.** Delinquent Assessments are subject to reasonable late fees, at a rate to be determined by the Board from time to time.

8.4. **Collection Expenses.** The Owner of a Unit against which Assessments are delinquent is liable to the Association for reimbursement of reasonable costs incurred by the Association to collect the delinquent Assessments, including attorneys' fees and processing fees charged by the manager.

8.5. **Suspension of Vote.** Subject to the below-described limitations, if an Owner's account has been delinquent for at least thirty (30) days, the Association may suspend the right to vote appurtenant to the Unit during the period of delinquency. Suspension does not constitute a waiver or discharge of the Owner's obligation to pay Assessments. When the Association suspends an Owner's right to vote, the suspended Owner may nevertheless participate as a Member of the Association for the following activities: (i) be counted towards a quorum; (ii) attend meetings of the Association; (iii) participate in discussions at Association meetings; (iv) be counted as a petitioner for a special meeting of the Association; and (v) vote to remove a Director and for the replacement of the removed Director. If the number of suspended Members exceeds twenty percent (20%) of the total Members (Co-Owners of a Unit constituting one Member), all Members are eligible to vote. These limitations are imposed to prevent a Board from disenfranchising a large segment of the membership and to preserve the membership's right to remove and replace Directors.

8.6. **Assignment of Rents.** Every Owner hereby grants to the Association a continuing assignment of rents to secure the payment of Assessments to the Association. If a Unit's account becomes delinquent during a period in which the Unit is leased, the Association may direct the tenant to deliver rent to the Association for application to the delinquent account, provided the Association gives the Owner notice of the delinquency, a reasonable opportunity to cure the debt, and notice of the Owner's right to a hearing before the Board. The Association must account for all monies received from a tenant and must remit to the Owner any rents received in excess of the past-due amount. A tenant's delivery of rent to the Association under the authority hereby granted is not a breach of the tenant's lease with the Owner and does not subject the tenant to penalties from the Owner.

8.7. **Acceleration.** If an Owner defaults in paying any Assessment that is payable in installments, the Association may accelerate the remaining installments on ten (10) days' written notice to the defaulting Owner. The entire unpaid balance of the Assessment becomes due on the date stated in the notice.

8.8. **Money Judgment.** The Association may file suit seeking a money judgment against an Owner delinquent in the payment of Assessments, without foreclosing or waiving the Association lien for Assessments.

8.9. **Notice to Mortgagee.** The Association may notify and communicate with any holder of a lien against a Unit regarding the Owner's default in the payment of Assessments.

8.10. **Application of Payments.** The Association may adopt and amend policies regarding the application of payments. After the Association notifies the Owner of a delinquency, any payment received by the Association may be applied in the following order: Master Assessments, Individual Assessments, Deficiency Assessments, Special Assessments, Utility Assessments, and (lastly) Regular Assessments. The Association may refuse to accept partial payment, i.e., less than the full amount due and payable. The Association may also refuse to accept payments to which the Owner attaches conditions or directions contrary to the Association's policy for applying payments. The policies of the Association may provide that endorsement and deposit of a payment does not constitute acceptance, and that acceptance occurs when payment is posted to the Owner's account.

## ARTICLE 9 **MAINTENANCE AND REPAIR OBLIGATIONS**

9.1. **Overview.** Generally, the Association maintains the Common Elements, and the Owner maintains the Owner's Unit. If any Owner fails to maintain its Unit, the Association may perform the work at the Owner's expense. This Declaration assigns portions of the Units and Improvements located therein to the Area of Common Responsibility. The Area of Common Responsibility is maintained by the Association and not the Owner. As of the date this Declaration is Recorded, the initial designation of components of Units and Improvements

located therein included within the Area of Common Responsibility is attached hereto as Attachment 4.

9.2. **Association Maintains.** The Association's maintenance obligations will be discharged when and how the Board deems appropriate. Unless otherwise provided in this Declaration, the Association maintains, repairs and replaces, as a Common Expense, all Common Elements, the Area of Common Responsibility and any other component of a Unit delegated to the Association by this Declaration.

9.3. **Area of Common Responsibility.** The Declarant until expiration or termination of the Development Period, and the Association thereafter, has the right but not the duty to designate or modify, from time to time, portions of the Units as an Area of Common Responsibility to be treated, maintained, repaired, and/or replaced by the Association as a Common Expense. A designation applies to every Unit having the identified feature. The cost of maintaining the Area of Common Responsibility is added to the annual budget and assessed uniformly against all Units as a Regular Assessment, unless, after expiration of the Development Period, the Owners of at least a Majority of the Units decide to assess the costs as Individual Assessments.

9.3.1. **Easement.** The Association is hereby granted an easement over and across each Unit to the extent reasonably necessary or convenient for the Association or its designee to maintain, repair and/or replace the Area of Common Responsibility. If the Association damages any Improvements located within a Unit in exercising the easement granted hereunder, the Association will restore such Improvements to the condition which existed prior to any such damage, within a reasonable period of time not to exceed thirty (30) days after the date the Association is notified in writing of the damage by the Owner of the damaged Improvements.

9.3.2. **Change in Designation.** Until expiration or termination of the Development Period, the Declarant may, from time to time, modify the Area of Common Responsibility, by a Recorded written instrument. After expiration or termination of the Development Period, the Association may, from time to time, modify the Area of Common Responsibility, by a Recorded written instrument; provided, however, that any modification to the Area of Common Responsibility must be approved by a Majority of the votes in the Association. During the Development Period, the Area of Common Responsibility may be modified or amended by the Declarant acting alone.

9.4. **Inspection Obligations.**

9.4.1. **Contract for Services.** In addition to the Association's maintenance obligations set forth in this Declaration, the Association may contract with or otherwise retain the services of independent, qualified, licensed individuals or entities to provide the Association with inspection services relative to the maintenance, repair and physical condition of the Regime.

9.4.2. Schedule of Inspections. Inspections will take place in accordance with prudent business practices. A Guide to Association's Examination of Common Elements and Area of Common Responsibility is attached to this Declaration as Attachment 5. The inspectors shall provide written reports of their inspections to the Association promptly following completion thereof. The written reports shall identify any items of maintenance or repair that either require current action by the Association or will need further review and analysis. The Board shall report the contents of such written reports to the Members of the Association at the next meeting of the Members following receipt of such written reports or as soon thereafter as reasonably practicable and shall include such written reports in the minutes of the Association. Subject to the provisions of this Declaration below, the Board shall promptly cause all matters identified as requiring attention to be maintained, repaired, or otherwise pursued in accordance with prudent business practices and the recommendations of the inspectors.

9.4.3. Notice to Declarant. During the Development Period, the Association shall, if requested by Declarant, deliver to the Declarant ten (10) days advance written notice of all such inspections (and an opportunity to be present during such inspection, personally or through an agent) and shall provide Declarant (or its designee) with a copy of all written reports prepared by the inspectors.

9.4.4. Limitation. The provisions of this *Section 9.4* shall not apply during the Declarant Control Period unless otherwise directed by the Declarant.

9.5. Owner Responsibility. Every Owner has the following responsibilities and obligations for the maintenance, repair, and replacement of the Property, unless such portions of the Unit or Improvements located therein are maintained by the Association as an Area of Common Responsibility:

- (i) To maintain, repair, and replace the Owner's Unit and all Improvements constructed therein or thereon.
- (ii) The routine cleaning of any yard space, patio, terrace, and/or balcony within an Owner's Unit, keeping the same in a neat, clean, odorless, orderly, and attractive condition.
- (iii) To maintain, repair, and replace all portions of the Property for which the Owner is responsible under this Declaration or by agreement with the Association.
- (iv) To not do any work or to fail to do any work which, in the reasonable opinion of the Board, would materially jeopardize the soundness and safety of the Property, reduce the value thereof, or impair any easement or real property right thereto.
- (v) To be responsible for such Owner's own willful or negligent acts and those of the Owner or the Occupant's family, guests, agents, employees, or contractors when those acts necessitate maintenance, repair, or replacement of Common Elements, the

property of another Owner, or any component of the Property for which the Association has maintenance or insurance responsibility.

9.6. **Irrigation Maintenance Services and Landscape Services.**

9.6.1. **Generally.** The Association will cause the Irrigation Maintenance Services and Landscape Services to be provided to each Yard Area. Accordingly, the Association is hereby granted an easement over and across each Unit to the extent reasonably necessary or convenient for the Association or its designated landscaping contractor to perform Irrigation Maintenance Services and Landscape Services. Access to each Yard Area is limited to Monday through Saturday, between the hours of 7 a.m. until 6 p.m., and then only in conjunction with actual performance of Irrigation Maintenance Services and Landscape Services. If the Association damages any Improvements located within a Unit in exercising the easement granted hereunder, the Association will be required to restore such Improvements to the condition which existed prior to any such damage, at the Association's expense, within a reasonable period of time not to exceed thirty (30) days after the date the Association is notified in writing of the damage by the Owner of the damaged Improvements.

9.6.2. **Dates.** The Association or its designated landscape company may, from time to time, provide each Owner with a schedule of dates on which Irrigation Maintenance Services and Landscape Services will be performed.

9.6.3. **Irrigation.** Each Owner of a Unit will be responsible for ensuring the proper irrigation of the various other yard turf areas not located within the Yard Area. At certain times, drought restrictions may require suspension of normal irrigation. If such restrictions permit hand watering, the Unit Owner will be notified by the Association and the Owner will be required to provide the minimum amount of hand watering necessary to preserve existing landscaping.

9.6.4. **Alterations.** Any alterations in the landscaping of any portion of a Yard Area must be approved in writing by Declarant pursuant to the Declaration and/or the Plum Creek Reviewer prior to the alterations being made. In the event the Association performs alterations, additions or modifications to an Owner's irrigation system (based on an Owner's alteration of the landscaping), the cost of the alterations, additions or modifications will be levied as an Individual Assessment.

9.6.5. **Owner or Occupant Repair.** Subject to the maintenance responsibilities herein provided, any maintenance or repair performed by an Owner or Occupant that is the responsibility of the Association hereunder shall be performed at the sole expense of such Owner or Occupant, and the Owner and Occupant shall not be entitled to reimbursement from the Association even if the Association accepts the maintenance or repair.

9.6.6. Termination or Modification of Services. The Declarant during the Development Period, and the Board thereafter, will have the right to terminate or modify the Irrigation Maintenance Services and Landscape Services.

9.6.7. Release and Hold Harmless. The Association shall not be liable for injury or damage to Person or property caused by the elements, by the Owner or Occupant of any Unit or any other Person, or resulting from the Irrigation Maintenance Services and Landscape Services, or any utility, rain, snow or ice which may leak or flow from any portion of the Common Elements or from any pipe, drain, conduit, appliance or equipment which the Association is responsible to maintain hereunder. The Association shall not be liable to any Owner or Occupant of any Unit for loss or damage, by theft or otherwise, of any property, which may be stored in or upon any of the Common Elements or any Unit. The Association shall not be liable to any Owner or Occupant, for any damage or injury caused in whole or in part by the Association's failure to discharge its maintenance responsibilities under this Declaration. No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under the Documents or for inconvenience or discomfort arising from the making of repairs or Improvements which are the responsibility of the Association or from any action taken by the Association to comply with any Applicable Law.

9.7. Disputes. If a dispute arises regarding the allocation of maintenance responsibilities by the Documents, the dispute will be resolved by the Board. Unit maintenance responsibilities that are allocated to the Association are intended to be interpreted narrowly to limit and confine the scope of Association's responsibility. It is the intent of this *Article 9* that all components and areas not expressly delegated to the Association are the responsibility of the individual Owners unless otherwise approved by the Board.

9.8. Sheetrock. Notwithstanding anything to the contrary in the Documents, the Association is not responsible for the repair and replacement of sheetrock in any Building, or for any surface treatments on the sheetrock, regardless of the source of damage and the availability of insurance. This provision is provided for the benefit of the Association and is warranted by the difficulty of scheduling interior sheetrock work and the possibility that the Owner may not be satisfied with the quality or appearance of spot repairs. If the Association receives insurance proceeds for sheetrock damage to a Building and chooses to not perform the repairs, the Owner of the damaged Building is entitled to the proceeds in exchange for written confirmation of the damage and a release from future claims for such damage.

9.9. Party Walls.

9.9.1. General Rules of Law to Apply. Each wall built as a part of the original construction of a Building which serves and separates any two (2) adjoining Buildings shall constitute a party wall (a "Party Wall"). To the extent not inconsistent with the provisions of this *Section 9.9*, the general rules of law regarding Party Walls and liability for property damage due

to negligence or willful acts or omissions shall apply thereto. No alterations may be made to any Party Wall other than non-structural alterations to the interior surfaces of such walls (i.e., the surfaces of such walls facing the interior of a Building); provided, however, that under no circumstance or event will an Owner install or attach in or on a Party Wall any speaker, alarm, or any other device, item, component, or system designated for the creation or emission of loud, disturbing, or objectionable noises, as determined by the Board. Without limitation on the foregoing, to the extent that the actions of an Owner result in damage to a Party Wall, the Owner responsible for such damage is obligated to restore and pay any and all costs associated with restoring the Party Wall to its pre-damage condition.

9.9.2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a Party Wall shall be shared by the Owners who the wall serves in equal proportions.

9.9.3. Damage and Destruction. If a Party Wall is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who the Party Wall serves may restore it, and the other Owner or Owners that the wall serves shall thereafter contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule or law regarding liability for negligent or willful acts or omissions.

9.9.4. Right to Contribution Runs with Land. The right of any Owner to contribution from any other owner under this *Section 9.9* shall be appurtenant to the land and shall pass to such owner's successors-in-title.

9.9.5. Fences. Common fences between Units, if any, will be dealt with in the same fashion as Party Walls.

9.9.6. Dispute Resolution. In the event of any dispute arising concerning a Party Wall, or under the provisions of this *Section 9.9* (the "**Dispute**"), the parties shall submit the Dispute to mediation. Should the parties be unable to agree on a mediator within ten (10) days after written request therefore by the Board, the Board shall appoint a mediator. If the Dispute is not resolved by mediation, the Dispute shall be resolved by binding arbitration. Either party may initiate the arbitration. Should the parties be unable to agree on an arbitrator within ten (10) days after written request therefore by the Board, the Board shall appoint an arbitrator. The decision of the arbitrator shall be binding upon the parties and shall be in lieu of any right of legal action that either party may have against the other. In the event an Owner fails to properly and on a timely basis (both standards to be determined by the Board in the Board's sole and absolute discretion) implement the decision of the mediator or arbitrator, as applicable, the Board may implement said mediator's or arbitrator's decision, as applicable. If the Board implements the mediator's or arbitrator's decision on behalf of an Owner, the Owner otherwise responsible therefor will be personally liable to the Association for the costs and expenses incurred by the

Association in conjunction therewith. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) will be assessed against and chargeable to the Owner's Unit(s). Any such amounts assessed and chargeable against a Unit hereunder will be secured by the liens reserved in this Declaration for Assessments and may be collected by any means provided in this Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Unit(s).

9.10. **Mold.** In the era in which this Declaration is written, the public and the insurance industry have a heightened awareness of and sensitivity to anything pertaining to mold. This Section 9.10 addresses that environment. For more information about mold and mold prevention, an Owner should consult a reliable source, such as the U.S. Environmental Protection Agency.

9.10.1. **Owner's Duties.** To reduce the risks associated with concentrations of mold, Owners should be proactive in preventing circumstances conducive to mold, identifying mold, and eliminating mold. Towards that end, each Owner is responsible for:

- (i) regularly inspecting the entire Unit for evidence of water leaks or penetrations or other conditions which may lead to mold growth;
- (ii) repairing promptly any water leaks, breaks, or malfunctions of any kind in the Unit that may cause damage to another Unit or Common Element;
- (iii) regularly inspecting the entire Unit for visible surface mold and promptly removing same using appropriate procedures; and
- (iv) reporting promptly to the Association any water leak, penetration, break, or malfunction in any portion of the Unit or any adjacent Common Elements for which the Association may have maintenance responsibility.

9.10.2. **Insurance.** Many insurance policies do not cover damages related to mold. The Association is not required to maintain insurance coverage applicable to mold damage with respect to any Unit, and may not have obtained such coverage. Accordingly, an Owner who wants insurance coverage with respect to mold and mold-related damages is advised to separately purchase such insurance coverage.

9.11. **Warranty Claims.** If the Owner is the beneficiary of a warranty against defects of the Common Elements, the Owner irrevocably appoints the Association, acting through the Board, as his attorney-in-fact to file, negotiate, receive, administer, and distribute the proceeds of any claim against the warranty that pertains to Common Elements.

9.12. **Owner's Default in Maintenance.** If the Board determines that an Owner has failed to properly discharge such Owner's obligation to maintain, repair, and replace items for

which the Owner is responsible, the Board may give the Owner written notice of the Association's intent to provide the necessary maintenance at the Owner's expense. The notice must state, with reasonable particularity, the maintenance deemed necessary and a reasonable period of time in which to complete the work. If the Owner fails or refuses to timely perform the maintenance, the Association may do so at the Owner's expense, which will be levied as an Individual Assessment against the Owner and the Owner's Unit. In case of an emergency, however, the Board's responsibility to give the Owner written notice may be waived and the Board may take any action it deems necessary to protect persons or property, the cost of the action being the Owner's expense and levied as an Individual Assessment.

## ARTICLE 10 ARCHITECTURAL COVENANTS AND CONTROL

10.1. **Approval Required by the Plum Creek Reviewer.** PURSUANT TO THE MASTER DECLARATION, ALL "IMPROVEMENTS", AS SUCH TERM IS DEFINED THEREIN, MUST BE APPROVED IN ADVANCE AND IN WRITING BY THE PLUM CREEK REVIEWER. SEE ARTICLE 6 OF THE MASTER DECLARATION FOR THE SPECIFIC REQUIREMENTS ASSOCIATED WITH THE REVIEW AND APPROVAL OF ALL IMPROVEMENTS PROPOSED TO BE CONSTRUCTED WITHIN OR UPON THE PROPERTY.

10.2. **Pre-Approved Plans.** Previous to the execution of this Declaration, the Declarant submitted plans and specifications for the Property that were reviewed and approved by the Plum Creek Reviewer (the "Pre-Approved Plans"). Any improvements to be constructed, installed, altered, renovated, replaced, repaired, maintained, or otherwise added to the Property pursuant to the Pre-Approved Plans (the "Pre-Approved Improvements") and the Residential Design Guidelines to be Recorded by the Master Declarant concurrently herewith (as such may be amended from time to time, the "Residential Design Guidelines") shall not require further approval by the Plum Creek Reviewer. Improvements that are not Pre-Approved Improvements or that are materially inconsistent (as determined by the Master Declarant in its reasonable discretion) with the Pre-Approved Plans or the Residential Design Guidelines shall not be constructed, installed on, altered, renovated, replaced, repaired, maintained, or located within the Property until design and construction plans for such improvements or work have been submitted to and approved in writing by the Master Declarant acting in its capacity as Plum Creek Reviewer.

10.3. **Partial Assignment of Rights – Plum Creek Reviewer.** Article 6, Section 6.01(b) of the Master Declaration permits the Master Declarant to delegate a portion of its rights as the Plum Creek Reviewer to a "committee comprised of architects, engineers, or other persons" who need not be members of the Master Association, which may include rights reserved by the Plum Creek Reviewer under this Declaration. It is anticipated that the Master Declarant will delegate certain limited rights as the Plum Creek Reviewer to a committee of persons designated by the Board

(the “**Modifications Committee**”) for the purpose of the review and approval of plans and specifications for proposed additions and modifications to Units on which a completed single-family residential home has been constructed and previously approved by the Plum Creek Reviewer, so long as such plans and specifications to be reviewed by the Modifications Committee reflect proposed Improvements that are either Pre-Approved Improvements or are designed or constructed in such a way that is materially consistent (as determined by the Master Declarant in its reasonable discretion) with the Pre-Approved Plans or the Residential Design Guidelines (the “**Modification Approval Rights**”). The Modifications Committee shall not have the right to approve any improvement that (1) is not a Pre-Approved Improvement or (2) is designed or constructed in such a way that the Master Declarant determines, in its reasonable discretion, is materially inconsistent with the Pre-Approved Plans or the Residential Design Guidelines (singularly, the “**Unapproved Improvement**” or collectively, the “**Unapproved Improvements**”). If the Master Declarant elects to delegate the Modification Approval Rights to the Modification Committee, the Board will designate and otherwise form the Modification Committee and the Board will accept the Modification Approval Rights in form and content acceptable to the Master Declarant. Notwithstanding such delegation, for the purposes of this *Article 10*, the term “**Plum Creek Reviewer**” shall mean the Master Declarant working in its capacity as the Plum Creek Reviewer

Any delegation of the rights of the Plum Creek Reviewer to the Modifications Committee shall be on a non-exclusive basis and shall remain subject to the rights reserved by the Master Declarant acting in its capacity as Plum Creek Reviewer to review and either deny or approve decisions made by the Modification Committee regarding plans and specifications for any Unapproved Improvement (collectively, the “**Modification Plans**”). The Plum Creek Reviewer will have a period of thirty (30) days after receipt of the Submission Package (defined below) to either deny or approve such Modification Plans. The Modification Plans submitted to the Plum Creek Reviewer must be provided by the Modification Committee with a written notice that (x) specifies that the Modification Plans have been conditionally approved by the Modifications Committee, and (y) details any conditions imposed by the Modification Committee associated with such approval (the “**Submission Package**”). No Owner will submit plans and specifications directly to the Plum Creek Reviewer and any such submission shall be deemed to have been denied by the Plum Creek Reviewer. If the Plum Creek Reviewer has not approved or denied the Modification Plans within sixty (60) days after receiving the Submission Package, the Modification Plans shall be deemed disapproved by the Plum Creek Reviewer. Notwithstanding the foregoing provision, the thirty (30) day period for the review of Modification Plans will in no event begin if (as determined in the sole discretion of the Plum Creek Reviewer): (i) the Plum Creek Reviewer notifies the Association or the Modification Committee that the Submission Package does not include sufficient information to evaluate the request for approval; or (ii) the Submission Package reflects a variance to the Master Plan Documents. Any delegation of the rights of the Plum Creek Reviewer to the Modifications Committee shall be subject to the right of the Plum Creek Reviewer to (i) veto any approval made by the Modifications Committee, (ii) discontinue the construction of any Improvement that is an Unapproved Improvement, or (iii) to

seek enforcement against any Owner that violates the provisions of this *Article 10* or the Master Plan Documents.

10.4. **LIMITATION OF LIABILITY.** NEITHER THE MASTER DECLARANT NOR THE PLUM CREEK REVIEWER WILL BE LIABLE TO ANY OWNER OR TO ANY OTHER PERSON FOR ANY LOSS, DAMAGE, OR INJURY ARISING OUT OF THE PERFORMANCE OF THE PLUM CREEK REVIEWER'S DUTIES UNDER THE MASTER DECLARATION OR THIS DECLARATION.

10.5. **AMENDMENT.** All amendments made to this *Article 10* must be approved in advance by the Master Declarant prior to their Recording.

## **ARTICLE 11**

### **USE RESTRICTIONS**

11.1. **Variance.** The use of the Regime is subject to the restrictions contained in this Declaration, and subject to the Rules. The Declarant may grant a variance or waiver of a restriction or Rule during the Development Period. The Board, with the Declarant's written consent during the Development Period, may grant a variance or waiver of a restriction or Rule on a case-by-case basis when unique circumstances dictate, and may limit or condition its grant. To be effective, a variance must be in writing and executed by the Declarant, the Master Declarant, and/or a Majority of the Board, as applicable. The grant of a variance shall not constitute a waiver or estoppel of the right to deny a variance in other circumstances. Notwithstanding the foregoing or any other provision in this Declaration to the contrary, neither the Declarant nor the Board shall have the right to grant a variance or waiver of a restriction under the Master Plan Documents or of a restriction that is enforceable by the Master Declarant or the Master Association, without the prior writing consent of the Master Declarant or the Master Association.

11.2. **Declarant Privileges.** In connection with the development and marketing of Units, Declarant has reserved a number of rights and privileges to use the Regime in ways that are not available to other Owners or Occupants. Declarant's exercise of a right that appears to violate the Documents does not constitute waiver or abandonment of applicable provision of the Documents.

11.3. **Declarant's and Association's Right to Promulgate Rules and Amend Community Manual.** The Declarant, during the Development Period, reserves the right to adopt, amend, repeal, and enforce reasonable Rules, and penalties for infractions thereof, regarding the occupancy, use, disposition, maintenance, appearance, and enjoyment of the Property. The Declarant, during the Development Period, also reserves the right to amend, repeal, and enforce the Community Manual, setting forth therein such policies governing the Association as the Declarant determines to be in the best interest of the Association, in its sole and absolute discretion. Additionally, the Association, acting through the Board, is granted the right to adopt, amend, repeal, and enforce reasonable Rules, and penalties for infractions thereof, regarding the

occupancy, use, disposition, maintenance, appearance, and enjoyment of the Property. The Association, acting through a Majority of the Board, is further granted the right to amend, repeal, and enforce the Community Manual, setting forth therein such policies governing the Association as the Board determines to be in the best interest of the Association, in its sole and absolute discretion; provided, however, that during the Development Period, any modification, amendment or repeal to the Community Manual or the Rules, and each new policy or Rule, must be approved in advance and in writing by the Declarant.

**EVERY OCCUPANT IS EXPECTED TO COMPLY WITH  
RULES ADOPTED BY THE BOARD OF DIRECTORS.**

11.4. **Rules.** In addition to the restrictions contained in this *Article 11*, each Unit is owned and occupied subject to the right of the Board to establish Rules, and penalties for infractions thereof, governing:

- (i) Use of Common Elements.
- (ii) Hazardous, illegal, or annoying materials or activities on the Property.
- (iii) The use of Property-wide services provided through the Association.
- (iv) The consumption of utilities billed to the Association.
- (v) The use, maintenance, and appearance of anything visible from the street, Common Elements, other Units, or the rest of the Development (as such term is defined in the Master Plan Documents).
- (vi) The occupancy and leasing of Units.
- (vii) Animals.
- (viii) Vehicles.
- (ix) Disposition of trash and control of vermin, termites, and pests.
- (x) Anything that interferes with maintenance of the Property, operation of the Association, administration of the Documents, or the quality of life for Occupants.

During the Development Period, all Rules must be approved in advance and in writing by the Declarant.

11.5. **Animals - Household Pets.** No animals, including pigs, hogs, swine, poultry, fowl, wild animals, horses, cattle, sheep, goats, or any other type of animal not considered to be a domestic household pet within the ordinary meaning and interpretation of such words may be

kept, maintained, or cared for anywhere on the Property (as used in this paragraph, the term "domestic household pet" shall not mean or include non-traditional pets such pot-bellied pigs, miniature horses, exotic snakes or lizards, ferrets, monkeys or other exotic animals). Customary domesticated household pets may be kept subject to the Rules. The Board may adopt, amend, and repeal Rules regulating the types, sizes, numbers, locations, and behavior of animals on the Property. If the Rules fail to establish animal occupancy quotas, an Owner or Occupant shall be allowed no more than three (3) cats and dogs in the aggregate, with a combined weight of no more than one hundred (100) pounds. Permission to maintain other types or additional numbers of household pets must be obtained in writing from the Board. The Board may require or effect the removal of any animal determined to be in violation of the Rules.

11.6. **Annoyance.** No Unit or Limited Common Element may be used in any way that: (i) may reasonably be considered annoying to neighbors; (ii) may be calculated to reduce the desirability of the Property; (iii) may endanger the health or safety of Occupants; (iv) may result in the cancellation of insurance on any portion of the Property; (v) violates any Applicable Law; or (vi) creates noise or odor pollution. The Board has the sole authority to determine what constitutes an annoyance.

11.7. **Appearance.** Both the exterior and the interior of the Buildings must be maintained in a manner so as not be unsightly when viewed from the street, Common Elements, or neighboring Units. The Board will be the arbitrator of acceptable appearance standards.

11.8. **Declarant Privileges.** In connection with the development and marketing of the Property, Declarant has reserved a number of rights and privileges to use the Property in ways that are not available to other Occupants, as provided in Appendix A of this Declaration. Declarant's exercise of a Development Period right that appears to violate a Rule or a provision of this *Article 11* does not constitute waiver or abandonment of the restriction by the Association.

11.9. **Drainage.** No person may interfere with the established drainage pattern over any part of the Property unless an adequate alternative provision for proper drainage has been approved by the Board.

11.10. **Garages.** Trucks, sports utility vehicles, vans, minivans, large sedans, or any other vehicles other than compact passenger vehicles may not fit into the garages. Declarant makes no representations or warranties that any trucks, sports utility vehicles, vans, minivans, large sedans, or any other vehicles other than compact passenger vehicles will actually fit into any garage parking spaces.

11.11. **Sidewalks.** Sidewalks may not be used for parking vehicles or for any purpose that interferes with their ongoing use as routes of vehicular or pedestrian access.

11.12. **Landscaping.** No person may install new landscaping which is visible from adjacent Units, the General Common Elements, or the rest of the Development (as such term is

defined in the Master Plan Documents), without the prior written authorization of the Plum Creek Reviewer.

11.13. **Noise and Odor.** An Occupant must exercise reasonable care to avoid making or permitting to be made loud, disturbing, or objectionable noises or noxious odors that are likely to disturb or annoy Occupants of neighboring Units. The Rules may limit, discourage, or prohibit noise-producing activities and items in the Units and on the Common Elements.

11.14. **Residential Use.** The use of a Unit is limited exclusively to residential purposes or any other use permitted by this Declaration. This residential restriction does not, however, prohibit an Occupant from using the Unit for personal business or professional pursuits provided that: (i) the uses are incidental to the use of the Unit as a residential dwelling; (ii) the uses conform to Applicable Law; (iii) there is no external evidence of the use; (iv) the use does not entail visits to the Unit by employees or the public; and (v) the uses do not interfere with the use and enjoyment of other Units. Other than the air-conditioned part of a Unit, no thing or structure on the Property may be occupied as residence at any time by any Person.

11.15. **Signs.** No sign of any kind may be erected, placed, or permitted to remain on the Property unless written approval has been obtained in advance from the Plum Creek Reviewer. The Plum Creek Reviewer may adopt sign guidelines associated with the erection and display of certain signs which guidelines may govern the location, nature, dimensions, number, and time period a sign may remain on the Property or a Unit. As used in this *Section 11.15*, "sign" includes, without limitation, lettering, images, symbols, pictures, shapes, lights, banners, and any other representation or medium that conveys a message. The Plum Creek Reviewer may cause the immediate removal of any sign or object which has not been approved in advance by the Plum Creek Reviewer.

Notwithstanding the foregoing, political signs may be erected provided the sign: (i) is erected no earlier than the 90<sup>th</sup> day before the date of the election to which the sign relates; (ii) is removed no later than the 10<sup>th</sup> day after the date of the election to which the sign relates; and (iii) is ground-mounted. Only one sign may be erected for each candidate or ballot item. In addition, signs which include any of the components or characteristics described in Section 259.002(d) of the Texas Elections Code are prohibited. Additionally, notwithstanding anything contained in this Section to the contrary, one (1) "For Sale" sign may be erected provided the sign does not exceed two (2) feet by three (3) feet.

11.16. **Structural Integrity.** No person may directly or indirectly impair the structural soundness or integrity of a Building or other Unit, nor do any work or modification that will impair an easement or real property right.

11.17. **Vehicles; Guest Parking.**

11.17.1. **Vehicles.** All vehicles on the Property, whether owned or operated by the Occupants or their families and guests, are subject to this *Section 11.17* and any Rules

regulating the types, sizes, numbers, conditions, uses, appearances, and locations of vehicles on the Property. The Board may prohibit any vehicle from which the Board deems to be a nuisance, unsightly, or inappropriate. The Board may prohibit sales, storage, washing, repairs, or restorations of vehicles on the Property. Vehicles that transport inflammatory or explosive cargo are prohibited from the Property at all times. No Occupant shall be permitted to park in any guest parking areas. Guests of Occupants are only permitted to park within the garage located on a Unit, on the driveway of a Unit or in parking spaces designated as guest parking area. No vehicle may obstruct the flow of traffic, constitute a nuisance, or otherwise create a safety hazard on the Property. No vehicle may park on any street or other area designated as a fire lane. The Association may affect the removal of any vehicle in violation of this *Section 11.17* or the Rules without liability to the owner or operator of the vehicle.

11.17.2. Parking. PARKING AS TO THE UNIT IS RESTRICTED TO THE GARAGE AND UNIT'S DRIVEWAY ONLY (PROVIDED, HOWEVER, THAT SUCH DRIVEWAY PARKING MAY NOT BLOCK ANY SIDEWALK). A LIMITED NUMBER OF GUEST PARKING SPACES MAY BE PROVIDED BY DECLARANT DURING THE DEVELOPMENT PERIOD, BUT NEITHER DECLARANT NOR THE ASSOCIATION HAVE ANY OBLIGATION WHATSOEVER TO PROVIDE ANY GUEST PARKING. ACCORDINGLY, NO AREAS MAY EVER BE AVAILABLE FOR GUEST PARKING WITHIN THE REGIME OR WITHIN THE REMAINDER OF THE DEVELOPMENT (AS SUCH TERM IS DEFINED IN THE MASTER DECLARATION), AND GUEST PARKING UPON ANY AREA STREET MAY ALSO BE RESTRICTED OR PROHIBITED. IF GUEST PARKING IS PROVIDED, AND UNLESS OTHERWISE PROVIDED BY APPLICABLE RULES (i) OCCUPANT VEHICLES MAY NOT BE PARKED IN ANY GUEST PARKING AREA AT ANY TIME, (ii) ONLY GUEST VEHICLES WHICH COMPLY WITH SECTION 11.17.1 MAY BE PARKED IN ANY GUEST PARKING AREA, (iii) GUEST VEHICLE PARKING IN AVAILABLE GUEST PARKING SPACES IS ON A FIRST-COME, FIRST-SERVED BASIS, AND (iv) NO GUEST VEHICLE MAY BE PARKED IN ANY GUEST PARKING SPACE AT ANY TIME FOR MORE THAN: (a) THREE (3) CONSECUTIVE DAYS IN ANY 7-DAY PERIOD; OR (b) ANY FIVE (5) DAYS IN ANY 30-DAY PERIOD.

11.18. Decorations and Lighting. No decorative appurtenances such as sculptures, birdbaths and birdhouses, fountains, or other decorative embellishments shall be placed on the Building or on the front yard or on any other portion of a Unit which is visible from any street, General Common Element, or the rest of the Development (as such term is defined in the Master Plan Documents), unless such specific items have been approved in writing by the Plum Creek Reviewer. Customary seasonal decorations for holidays are permitted without approval by the Plum Creek Reviewer but shall be removed within thirty (30) days of the applicable holiday. Outside lighting fixtures shall be placed so as to illuminate only the yard of the applicable Unit and so as not to affect or reflect into surrounding Units.

11.19. No Piercing of Walls. In addition to and without limiting the provisions set forth in *Article 10* of this Declaration, an Owner or other Person authorized by such Owner shall not

pierce any of the Party Walls with any type of nail, screw, drill bit or other similar item in excess of ¾ inch in length without first obtaining the consent of the Plum Creek Reviewer as set forth in *Article 10*.

11.20. **Tanks.** No leaching cesspool, septic tank, propane tank or elevated tanks used for fluid storage, including oil, may be erected, placed or permitted on any Unit. This provision will not apply to a tank used to operate a standard residential gas grill.

11.21. **Antenna.** Except as expressly provided below, no exterior radio, television or communications antenna or aerial or satellite dish or disc, nor any solar energy system (collectively, an "**Antenna/Dish**"), shall be erected, maintained, or placed on a Unit without the prior written approval of the Plum Creek Reviewer.

11.21.1. **Dishes Over One Meter Prohibited.** Unless otherwise approved by the Plum Creek Reviewer, an Antenna/Dish which is over one meter in diameter is prohibited within the Regime.

11.21.2. **Notification.** An Owner or Occupant who wishes to install an Antenna/Dish one meter or less in diameter (a "**Permitted Antenna**") must submit a written notice to the Plum Creek Reviewer, which notice must include the Owner or Occupant's installation plans for the satellite dish.

11.21.3. **One Dish Limitation.** Unless otherwise approved by the Plum Creek Reviewer, only one Permitted Antenna per Unit is permitted. In the event an acceptable quality signal for video programming or wireless communications cannot be received from one satellite dish, the Owner must provide written notification to the Plum Creek Reviewer. Upon notification, the Owner will be permitted to install an additional Permitted Antenna if a single Permitted Antenna is not sufficient for the reception of an acceptable quality signal and the use of an additional Permitted Antenna results in the reception of an acceptable quality signal.

11.21.4. **Permitted Installation Locations – Generally.** An Owner or Occupant may erect a Permitted Antenna (after written notification has been provided to the Plum Creek Reviewer) if the Owner or Occupant has an exclusive use area in which to install the antenna. An "exclusive use area" is an area in which only the Owner or Occupant may enter and use to the exclusion of all other Owners and Occupants. Unless otherwise approved by the Plum Creek Reviewer, the Permitted Antenna must be entirely within the exclusive use area of the Owner's Unit.

A Permitted Antenna or the use of a Permitted Antenna may not interfere with satellite or broadcast reception to other Units or the Common Elements, or otherwise be a nuisance to Occupants of other Units or to the Association. A Permitted Antenna exists at the sole risk of the Owner and/or Occupant of the Unit. The Association does not insure the Permitted Antenna and is not liable to the Owner or any other person for any loss or damage to the Permitted Antenna from any cause. The Owner will defend and indemnify the Plum Creek Reviewer and the

Association, its directors, officers, and Members, individually and collectively, against losses due to any and all claims for damages or lawsuits, by anyone, arising from his Permitted Antenna. The Plum Creek Reviewer may, from time to time, modify, amend, or supplement the rules regarding installation and placement of a Permitted Antenna.

Notwithstanding anything contained in this *Section 11.21*, in the event the roof is included within an Area of Common Responsibility in accordance with the terms and provisions of *Article 9* hereof for maintenance by the Association and an Owner installs a Permitted Antenna on the Owner's roof in accordance with this *Section 11.21*, the Association: (i) may assign the responsibility for maintenance of the Owner's roof, or any portion thereof, to the Owner, in the Association's sole discretion, and the Association will be relieved of any of its maintenance responsibilities with respect to the Owner's roof; and (ii) will not be responsible for any installation, maintenance, repair, replacement or damage of the Antenna, which shall be the sole obligation of the Owner.

11.21.5. Preferred Installation Locations. A Permitted Antenna may be installed in a location within the Unit from which an acceptable quality signal can be obtained and where least visible from the street and the Regime, other than the Unit. In order of preference, the locations of a Permitted Antenna which will be considered least visible by the Plum Creek Reviewer are as follows:

- (i) attached to the back of the Building, with no part of the Permitted Antenna any higher than the lowest point of the roofline and screened from view of adjacent Units and the street; then
- (ii) attached to the side of the Building, with no part of the Permitted Antenna any higher than the lowest point of the roofline and screened from view of adjacent Units and the street.

11.22. Solar Energy Device and Energy Efficiency Roofing. A "Solar Energy Device" means a system of or series of mechanisms designed primarily to provide heating or cooling or to produce electrical or mechanical power by collecting and transferring solar-generated energy. The term includes mechanical or chemical device that has the ability to store solar-generated energy for use in heating or cooling or in the production of power. Approval by the Plum Creek Reviewer is required prior to installing a Solar Energy Device.

The Plum Creek Reviewer is not responsible for: (a) errors in or omissions in the application submitted to the Plum Creek Reviewer for approval; (b) supervising the installation or construction to confirm compliance with an approved application; or (c) the compliance of an approved application with governmental codes and ordinances, state and federal laws.

11.22.1. Approval Application. To obtain approval of a Solar Energy Device, the Owner shall provide the Plum Creek Reviewer with the following information: (i) the proposed installation location of the Solar Energy Device; and (ii) a description of the Solar

Energy Device, including the dimensions, manufacturer, and photograph or other accurate depiction (the "**Solar Application**"). A Solar Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Solar Application.

11.22.2. Approval Process. The decision of the Plum Creek Reviewer will be made in accordance with *Article 10*. The Plum Creek Reviewer will approve a Solar Energy Device if the Solar Application complies with *Section 11.22.3* below **UNLESS** the Plum Creek Reviewer makes a written determination that placement of the Solar Energy Device, despite compliance with *Section 11.22.3*, will create a condition that substantially interferes with the use and enjoyment of the Property by causing unreasonable discomfort or annoyance to persons of ordinary sensibilities. The Plum Creek Reviewer's right to make a written determination in accordance with the foregoing sentence is negated if all Owners of Units immediately adjacent to the Owner/applicant's Unit provide written approval of the proposed placement. Any proposal to install a Solar Energy Device on property owned or maintained by the Association or property owned in common by Members of the Association, must be approved in advance and in writing by the Board, and the Board need not adhere to this Section when considering any such request.

Each Owner is advised that if the Solar Application is approved by the Plum Creek Reviewer, installation of the Solar Energy Device must: (i) strictly comply with the Solar Application; (ii) commence within thirty (30) days of approval; and (iii) be diligently prosecuted to completion. If the Owner fails to cause the Solar Energy Device to be installed in accordance with the approved Solar Application, the Plum Creek Reviewer may require the Owner to: (i) modify the Solar Application to accurately reflect the Solar Energy Device installed on the Unit; or (ii) remove the Solar Energy Device and reinstall the device in accordance with the approved Solar Application. Failure to install a Solar Energy Device in accordance with the approved Solar Application or an Owner's failure to comply with the post-approval requirements constitutes a violation of this Section and may subject the Owner to fines and penalties. Any requirement imposed by the Plum Creek Reviewer to resubmit a Solar Application or remove and relocate a Solar Energy Device in accordance with the approved Solar Application shall be at the Owner's sole cost and expense.

11.22.3. Approval Conditions. Unless otherwise approved in advance and in writing by the Plum Creek Reviewer, each Solar Application and each Solar Energy Device to be installed in accordance therewith must comply with the following:

- (i) The Solar Energy Device must be located on the roof of the residence located within the Owner's Unit, entirely within a fenced area within the Owner's Unit, or entirely within a fenced patio located within the Owner's Unit. If the Solar Energy Device will be located on the roof of the residence located within the Owner's Unit, the Plum Creek Reviewer may designate the location for placement unless the location proposed by the Owner increases the estimated annual energy production of the Solar Energy Device, as determined by using a publicly available modeling tool provided by

the National Renewable Energy Laboratory, by more than ten percent (10%) above the energy production of the Solar Energy Device if installed in the location designated by the Plum Creek Reviewer. If the Owner desires to contest the alternate location proposed by the Plum Creek Reviewer, the Owner should submit information to the Plum Creek Reviewer which demonstrates that the Owner's proposed location meets the foregoing criteria. If the Solar Energy Device will be located in the fenced area of or the patio located within the Owner's Unit, no portion of the Solar Energy Device may extend above the fence line.

(ii) If the Solar Energy Device is mounted on the roof of the principal residence located within the Owner's Unit, then: (A) the Solar Energy Device may not extend higher than or beyond the roofline; (B) the Solar Energy Device must conform to the slope of the roof and the top edge of the Solar Energy Device must be parallel to the roofline; (C) the frame, support brackets, or visible piping or wiring associated with the Solar Energy Device must be silver, bronze or black.

(iii) Notwithstanding anything in this *Section 11.22*, in the event the roof is included within an Area of Common Responsibility in accordance with the terms and provisions of *Article 9* hereof for maintenance by the Association and an Owner installs a Solar Energy Device in accordance with this *Section 11.22*, the Association: (i) may assign the responsibility for maintenance of the Owner's roof, or any portion thereof, to the Owner, in the Association's sole discretion, and the Association will be relieved of any of its maintenance responsibilities with respect to such portion of the Owner's roof; and (ii) will not be responsible for any installation, maintenance, repair, replacement or damage of the Solar Energy Device, which shall be the sole obligation of the Owner.

11.22.4. Energy Efficient Roofing. For the purposes of this *Section 11.22.4* "**Energy Efficient Roofing**" means shingles that are designed primarily to: (a) be wind and hail resistant; (b) provide heating and cooling efficiencies greater than those provided by customary composite shingles; or (c) provide solar generation capabilities. The Plum Creek Reviewer will not prohibit an Owner from installing Energy Efficient Roofing provided that the Energy Efficient Roofing shingles: (i) resemble the shingles used or otherwise authorized for use within the community; (ii) are more durable than, and are of equal or superior quality to, the shingles used or otherwise authorized for use within the community; and (iii) match the aesthetics of adjacent property. An Owner who desires to install Energy Efficient Roofing will be required to comply with the architectural review and approval procedures set forth in *Article 10*. Notwithstanding the foregoing provision, in the event the roof is included within an Area of Common Responsibility in accordance with the terms and provisions of *Article 9* hereof for maintenance by the Association, and an Owner installs Energy Efficient Roofing in accordance with this *Section 11.22.4*, the Association: (i) may assign the responsibility for maintenance of the Owner's roof, or any portion thereof, to the Owner, in the Association's sole discretion, and the Association will be relieved of any of its maintenance responsibilities with respect to the Owner's roof; and (ii)

will not be responsible for any installation, maintenance, repair, replacement or damage of the Energy Efficient Roofing, which shall be the sole obligation of the Owner.

11.23. **Rainwater Harvesting Systems.** Rain barrels or rainwater harvesting systems (a "Rainwater Harvesting System") may be installed with the advance written approval of the Plum Creek Reviewer.

11.23.1. **Application.** To obtain Plum Creek Reviewer approval of a Rainwater Harvesting System, the Owner shall provide the Plum Creek Reviewer with the following information: (i) the proposed installation location of the Rainwater Harvesting System; and (ii) a description of the Rainwater Harvesting System, including the color, dimensions, manufacturer, and photograph or other accurate depiction (the "**Rain System Application**"). A Rain System Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Rain System Application.

11.23.2. **Approval Process.** The decision of the Plum Creek Reviewer will be made in accordance with *Article 10* of the Declaration. Any proposal to install a Rainwater Harvesting System on Common Elements must be approved in advance and in writing by the Plum Creek Reviewer, and the Plum Creek Reviewer need not adhere to this policy when considering any such request.

11.23.3. **Approval Conditions.** Unless otherwise approved in advance and in writing by the Plum Creek Reviewer, each Rain System Application and Rainwater Harvesting System to be installed in accordance therewith must comply with the following:

- (i) The Rainwater Harvesting System must be consistent with the color scheme of the residence constructed within the Owner's Unit, as reasonably determined by the Plum Creek Reviewer.
- (ii) The Rainwater Harvesting System does not include any language or other content that is not typically displayed on such a device.
- (iii) The Rainwater Harvesting System is in no event located between the front of the residence constructed within the Owner's Unit and any adjoining or adjacent street.
- (iv) There is sufficient area within the Owner's Unit to install the Rainwater Harvesting System, as reasonably determined by the Plum Creek Reviewer. See *Section 11.23.4* for additional guidance.

11.23.4. **Guidelines.** If the Rainwater Harvesting System will be installed on or within the side yard of a Unit, or would otherwise be visible from a street, Common Element, or another Owner's Unit, or the rest of the Development (as such term is defined in the Master Plan Documents), the Plum Creek Reviewer may regulate the size, type, shielding of, and materials used in the construction of the Rainwater Harvesting System. Accordingly, when submitting a

Rain System Application, the application should describe methods proposed by the Owner to shield the Rainwater Harvesting System from the view of any street, Common Element, or another Owner's Unit. When reviewing a Rain System Application for a Rainwater Harvesting System that will be installed on or within the side yard of a Unit, or would otherwise be visible from a street, Common Element, or another Owner's Unit, or the rest of the Development (as such term is defined in the Master Plan Documents), any additional regulations imposed by the Plum Creek Reviewer to regulate the size, type, shielding of, and materials used in the construction of the Rainwater Harvesting System, may not prohibit the economic installation of the Rainwater Harvesting System, as reasonably determined by the Plum Creek Reviewer.

11.24. **Flags.** An Owner is permitted to display the flag of the United States of America, the flag of the State of Texas, or an official or replica flag of any branch of the United States Military ("**Permitted Flag**") and permitted to install a flagpole no more than five feet (5') in length affixed to the front of a residence located within the Owner's Unit near the principal entry or affixed to the rear of a residence ("**Permitted Flagpole**") located within an Owner's Unit. Only one (1) Permitted Flagpole is allowed per residence located within the Owner's Unit. A Permitted Flag or Permitted Flagpole need not be approved in advance by the Plum Creek Reviewer.

Approval by the Plum Creek Reviewer is required prior to installing vertical freestanding flagpoles installed in the front or back yard area of any Unit ("**Freestanding Flagpole**"). The Plum Creek Reviewer is not responsible for: (i) errors in or omissions in the application submitted to the Plum Creek Reviewer for approval; (ii) supervising installation or construction to confirm compliance with an approved application; or (iii) the compliance of an approved application with governmental codes and ordinances, state and federal laws.

11.24.1. **Approval Application.** To obtain Plum Creek Reviewer approval of any Freestanding Flagpole, the Owner shall provide a request to the Plum Creek Reviewer in accordance with *Article 10*, including the following information: (i) the location of the flagpole to be installed on the Unit; (ii) the type of flagpole to be installed; (iii) the dimensions of the flagpole; and (iv) the proposed materials of the flagpole (the "**Flagpole Application**"). A Flagpole Application may only be submitted by an Owner UNLESS the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Flagpole Application.

11.24.2. **Approval Process.** The decision of the Plum Creek Reviewer will be made in accordance with *Article 10*. Any proposal to install a Freestanding Flagpole on property owned or maintained by the Association or property owned in common by Members of the Association must be approved in advance and in writing by the Board, and the Board need not adhere to this *Section 11.24* when considering any such request.

Each Owner is advised that if the Flagpole Application is approved by the Plum Creek Reviewer, installation of the Freestanding Flagpole must: (i) strictly comply with the Flagpole Application; (ii) commence within thirty (30) days of approval; and (iii) be diligently prosecuted to completion. If the Owner fails to cause the Freestanding Flagpole to be installed in accordance

with the approved Flagpole Application, the Plum Creek Reviewer may require the Owner to: (a) modify the Flagpole Application to accurately reflect the Freestanding Flagpole installed on the Unit; or (b) remove the Freestanding Flagpole and reinstall the flagpole in accordance with the approved Flagpole Application. Failure to install a Freestanding Flagpole in accordance with the approved Flagpole Application or an Owner's failure to comply with the post-approval requirements constitutes a violation of this Section and may subject the Owner to fines and penalties. Any requirement imposed by the Plum Creek Reviewer to resubmit a Flagpole Application or remove and relocate a Freestanding Flagpole in accordance with the approved Flagpole Application shall be at the Owner's sole cost and expense.

11.24.3. Installation, Display and Approval Conditions. Unless otherwise approved in advance and in writing by the Plum Creek Reviewer, Permitted Flags, Permitted Flagpoles and Freestanding Flagpoles, installed in accordance with the Flagpole Application, must comply with the following:

- (i) No more than one (1) Freestanding Flagpole OR no more than one (1) Permitted Flagpole is permitted per residence located within the Owner's Unit, on which only Permitted Flags may be displayed;
- (ii) Any Permitted Flagpole must be no longer than five feet (5') in length and any Freestanding Flagpole must be no more than twenty feet (20') in height;
- (iii) Any Permitted Flag displayed on any flagpole may not be more than three feet in height by five feet in width (3'x5');
- (iv) With the exception of flags displayed on Common Elements and any Unit which is being used for marketing purposes by a builder, the flag of the United States of America must be displayed in accordance with 4 U.S.C. Sections 5-10 and the flag of the State of Texas must be displayed in accordance with Chapter 3100 of the Texas Government Code;
- (v) The display of a flag, or the location and construction of the flagpole must comply with Applicable Law;
- (vi) Any flagpole must be constructed of permanent, long-lasting materials, with a finish appropriate to the materials used in the construction of the flagpole and harmonious with the dwelling;
- (vii) A flag or a flagpole must be maintained in good condition and any deteriorated flag or deteriorated or structurally unsafe flagpole must be repaired, replaced or removed;

(viii) Any flag may be illuminated by no more than one (1) halogen landscaping light of low beam intensity which shall not be aimed towards or directly affect any neighboring property; and

(ix) Any external halyard of a flagpole must be secured so as to reduce or eliminate noise from flapping against the metal of the flagpole.

11.25. **Xeriscaping.** Drought-resistant landscaping or water-conserving turf known as xeriscaping ("**Xeriscaping**") may be installed on a Unit. Approval by the Plum Creek Reviewer is required prior to installing Xeriscaping:

11.25.1. **Application.** To obtain Plum Creek Reviewer approval of Xeriscaping, the Owner shall provide a request to the Plum Creek Reviewer in accordance with *Article 10*, including the following information: (i) the proposed site location of the Xeriscaping on the Owner's Unit; (ii) a description of the Xeriscaping, including the types of plants, border materials, hardscape materials and photograph or other accurate depiction and (iii) the percentage of yard to be covered with gravel, rocks and cacti (the "**Xeriscaping Application**"). A Xeriscaping Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Xeriscaping Application.

11.25.2. **Approval Process.** The decision of the Plum Creek Reviewer will be made in accordance with *Article 10*. A Xeriscaping Application submitted to install Xeriscaping on property owned by the Association or property owned in common by members of the Association will not be approved. Any proposal to install Xeriscaping on property owned by the Association or property owned in common by members of the Association must be approved in advance and in writing by the Board, and the Board need not adhere to this policy when considering any such request.

11.25.3. **Approval Conditions.** Each Owner is advised that if the Xeriscaping Application is approved by the Plum Creek Reviewer, installation of the Xeriscaping must: (i) strictly comply with the Xeriscaping Application; (ii) commence within thirty (30) days of approval; and (iii) be diligently prosecuted to completion. If the Owner fails to cause the Xeriscaping to be installed in accordance with the approved Xeriscaping Application, the Plum Creek Reviewer may require the Owner to: (i) modify the Xeriscaping Application to accurately reflect the Xeriscaping installed on the property; or (ii) remove the Xeriscaping and reinstall the Xeriscaping in accordance with the approved Xeriscaping Application. Failure to install Xeriscaping in accordance with the approved Xeriscaping Application or an Owner's failure to comply with the post-approval requirements constitutes a violation of this policy and may subject the Owner to fines and penalties. Any requirement imposed by the Plum Creek Reviewer to resubmit a Xeriscaping Application or remove and relocate Xeriscaping in accordance with the approved Xeriscaping Application shall be at the Owner's sole cost and expense.

11.25.4. Aesthetically Compatibility. Unless otherwise approved in advance and in writing by the Plum Creek Reviewer, each Xeriscaping Application and all Xeriscaping to be installed in accordance therewith must be aesthetically compatible with other landscaping in the Regime as reasonably determined by the Plum Creek Reviewer. For purposes of this Xeriscaping policy, "aesthetically compatible" shall mean overall and long-term aesthetic compatibility within the Regime. For example, an Owner's Unit plan may be denied if the Plum Creek Reviewer determines that: a) the proposed Xeriscaping would not be harmonious with already established turf and landscaping in the overall Regime; and/or b) the use of specific turf or plant materials would result in damage to or cause deterioration of the turf or landscaping of an adjacent Owner, resulting in a reduction of aesthetic appeal of the adjacent Owner's Unit.

## ARTICLE 12

### UNIT LEASING AND RESTRICTION ON MARKETING

12.1. Leasing. The leasing of Units is subject to the following conditions: (i) all leases must be in writing and must be made subject to the Documents and the Master Plan Documents; (ii) an Owner is responsible for providing the Owner's tenant with copies of the Documents and the Master Plan Documents, and notifying the tenant of changes thereto; (iii) each tenant is subject to and must comply with all provisions of the Documents, the Master Plan Documents, and Applicable Law; and (iv) no Unit may be rented for transient or hotel purposes or for a period less than one hundred and eighty (180) days. The Board may adopt additional Rules which further limit the leasing of Units and shall have the express power and authority to adopt a leasing permit system which limits the number of Units which may be leased at any one time, provided, that the leasing rules and leasing permit system is not otherwise prohibited by the requirements and/or guidelines promulgated by an Underwriting Lender. Notwithstanding the foregoing provision, any additional leasing restrictions and any leasing permit system must be approved in advance and in writing by the Declarant until expiration or termination of the Development Period.

12.2. Provisions Incorporated By Reference into Lease. Each Owner covenants and agrees that any lease of a residential dwelling shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the tenant, by occupancy of the residential dwelling, agrees to the applicability of this covenant and incorporation of the following language into the lease:

12.2.1. Compliance with the Master Plan Documents and the Documents. The tenant shall comply with all provisions of the Master Plan Documents and the Documents and shall control the conduct of all other Occupants and guests of the leased residential dwelling, as applicable, in order to ensure such compliance. The Owner shall cause all Occupants of the Owner's Unit to comply with the Master Plan Documents and the Documents and shall be responsible for all violations by such Occupants, notwithstanding the fact that such Occupants of the Unit are fully liable and may be sanctioned for any such violation. If the tenants or Occupants

violate the Documents or the Master Plan Documents or a Rule for which a fine is imposed, notice of the violation shall be given to the Owner and the Occupants, and such fine may be assessed against the Owner or the Occupants. Unpaid fines shall constitute a lien against the Unit.

12.2.2. Assignment of Rents. If the Owner fails to pay any Assessment or any other charge against the Unit for a period of more than thirty (30) days after it is due and payable, then the Owner hereby consents to the assignment of any rent received from the tenant(s) during the period of delinquency, and, upon request by the Board, the tenant shall pay directly to the Association all unpaid Assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by tenant. The tenant need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board's request. All such payments made by tenant shall reduce, by the same amount, tenant's obligation to make monthly rental payments to the Owner.

12.2.3. Violation Constitutes Default. Failure by the tenant or the tenant's guests to comply with the Documents or the Master Plan Documents or Applicable Law is deemed to be a default under the lease. When the Association notifies an Owner of such violation, the Owner will promptly obtain compliance or exercise such Owner's rights as a landlord for tenant's breach of lease. If the tenant's violation continues or is repeated, and if the Owner is unable, unwilling, or unavailable to obtain such Owner's tenant's compliance, then the Association or the Master Association has the power and right to pursue the remedies of a landlord under the lease or Applicable Law for the default, including eviction of the tenant.

12.2.4. Association as Attorney-in-Fact. Notwithstanding the absence of an express provision in the lease agreement for enforcement of the Documents by the Association, each Owner appoints the Association as the Owner's attorney-in-fact, with full authority to act in the Owner's place in all respects, for the purpose of enforcing the Documents against the Owner's tenants, including but not limited to the authority to institute forcible detainer proceedings, provided the Association gives the Owner at least ten (10) days' notice, by certified mail, of its intent to so enforce the Documents.

12.2.5. Master Association and Association Not Liable for Damages. The Owner of a leased Unit is liable to the Association or the Master Association for any expenses incurred by the Association or the Master Association in connection with enforcement of the Documents or the Master Plan Documents against the Owner's tenant. NEITHER THE ASSOCIATION NOR THE MASTER ASSOCIATION IS LIABLE TO THE OWNER FOR ANY DAMAGES, INCLUDING LOST RENTS, SUFFERED BY THE OWNER IN RELATION TO THE ASSOCIATION'S OR THE MASTER ASSOCIATION'S ENFORCEMENT OF THE DOCUMENTS OR THE MASTER PLAN DOCUMENTS AGAINST THE OWNER'S TENANT.

12.3. Unit Marketing Restrictions. Unless otherwise approved in writing and in advance by Declarant, which approval may be withheld in the sole discretion of Declarant, an Owner may in no event offer the Unit for sale, including but, not limited to, listing the Unit or

advertising the Unit for sale in any real estate listing service and/or publication, on any online electronic medium and on any newspaper, radio, television or any other medium for advertising, or otherwise market or attempt to market the Unit for sale in any way prior to such time as Owner has acquired fee title to the Unit.

12.4. **Restriction on Resale of Units.** No Owner shall offer any Unit for sale or advertise or otherwise market or attempt to market a Unit for sale in any way during the Sales Restriction Period. Each Owner agrees that the breach of this provision during the Sales Restriction Period shall entitle Declarant or the Association to exercise the remedy of specific performance or damages against the Owner. This restriction shall not apply to any foreclosure or exercise of the power of sale by any Mortgagee.

### ARTICLE 13 **ASSOCIATION OPERATIONS**

13.1. **Board.** Unless the Documents expressly reserve a right, action, or decision to the Owners, Declarant, or another party, the Board acts in all instances on behalf of the Association. Unless the context indicates otherwise, references in the Documents to the "Association" may be construed to mean "the Association acting through a Majority of its Board of Directors."

13.2. **The Association.** The duties and powers of the Association are those set forth in the Documents, together with the general and implied powers of a condominium association and a nonprofit corporation organized under Applicable Law, but expressly subject to any limitations on such powers set forth in the Documents. The Association comes into existence on issuance of its corporate charter. The Association will continue to exist at least as long as this Declaration is effective against the Property, regardless of whether its corporate charter lapses from time to time.

13.3. **Name.** A name is not the defining feature of the Association. Although the initial name of the Association is 1880 at Plum Creek Condominium Community, Inc., the Association may operate under any name that is approved by the Board and: (i) filed with the Hays County Clerk as an assumed name, or (ii) filed with the Secretary of State of Texas as the name of the filing entity. The Association may also change its name by amending the Documents, except no amendment shall be required in the event the corporate charter has been revoked and the name "1880 at Plum Creek Condominium Community, Inc." is no longer available. In such event, the Board will cause a notice to be Recorded stating the current name of the Association. Another legal entity with the same name as the Association, or with a name based on the name of the Property, is not the Association, which derives its authority from this Declaration. The name "1880 at Plum Creek Condominiums" is not a trade name.

13.4. **Duration.** The Association was formed on as of the date the Certificate was filed with the Secretary of State of Texas. The Association will continue to exist at least as long as this Declaration, as it may be amended, is effective against all or part of the Property.

13.5. **Governance.** The Association will be governed by a Board of Directors elected by the Members. Unless the Bylaws or Certificate provide otherwise, the Board will consist of at least three (3) persons elected at the annual meeting of the Association, or at a special meeting called for that purpose. The Association will be administered in accordance with the Documents and Applicable Law. Unless the Documents provide otherwise, any action requiring approval of the Members may be approved in writing by Owners representing at least a Majority of the total votes in the Association, or at a meeting by Owners' representing at least a Majority of the votes in the Association that are represented at the meeting.

13.6. **Merger.** Merger or consolidation of the Association with another association must be evidenced by an amendment to this Declaration. The amendment must be approved by the Owners holding at least two-thirds (2/3) of the votes allocated to Units. On the merger or consolidation of the Association with another association, the property, rights, and obligations of another association may, by operation of law, be added to the properties, rights, and obligations of the Association as a surviving corporation pursuant to the merger. The surviving or consolidated association may administer the provisions of the Documents within the Property, together with the covenants and restrictions established on any other property under its jurisdiction. No merger or consolidation, however, will effect a revocation, change, or addition to the covenants established by this Declaration within the Property.

13.7. **Membership.** Each Owner is a Member of the Association, ownership of a Unit being the sole qualification for membership. Membership is appurtenant to and may not be separated from ownership of the Unit. The Board may require satisfactory evidence of transfer of ownership before a purported Owner is entitled to vote at meetings of the Association. If a Unit is owned by more than one Person, each co-owner is a Member of the Association and may exercise the membership rights appurtenant to the Unit.

13.8. **Manager.** The Board may delegate the performance of certain functions to one or more managers or managing agents of the Association. To assist the Board in determining whether to delegate a function, a Guide to Association's Major Management & Governance Functions is attached to this Declaration as Attachment 6 (for the purpose of this *Section 13.8*, the "**Guide**"). The Guide lists several of the major management and governance functions of a typical residential development with a mandatory owners association. The Guide, however, may not be construed to create legal duties for the Association and its officers, directors, members, employees, and agents that are not justified by the needs of the Association. Rather, the Guide is intended as a tool or an initial checklist for the Board to use periodically when considering a delegation of its functions. As a list of functions that owners associations commonly delegate to a manager, the Guide should not be considered as a complete list of the Board's duties, responsibilities, or functions. Notwithstanding any delegation of its functions, the Board is ultimately responsible to the Members for governance of the Association.

13.9. **Books and Records.** The Association will maintain copies of the Documents and the Association's books, records, and financial statements. Books and records of the Association

will be made available for inspection and copying pursuant to the requirements of Applicable Law. The Association, upon the request of a prospective purchaser of a Unit, will provide the prospective purchaser with a copy of the Documents and the most recent audited financial statements of the Association. The Association will be permitted to charge a reasonable fee for copies of such Documents and statements.

13.10. **Indemnification.** The Association indemnifies every officer, director, and committee member (for purposes of this *Section 13.10*, "**Leaders**") against expenses, including attorney's fees, reasonably incurred by or imposed on the Leader in connection with any threatened or pending action, suit, or proceeding to which the Leader is a party or respondent by reason of being or having been a Leader. A Leader is not liable for a mistake of judgment. A Leader is liable for his willful misfeasance, malfeasance, misconduct, or bad faith. This right to indemnification does not exclude any other rights to which present or former Leaders may be entitled. As a Common Expense, the Association may maintain general liability and directors' and officers' liability insurance to fund this obligation.

13.11. **Obligations of Owners.** Without limiting the obligations of Owners under the Documents, each Owner has the following obligations:

13.11.1. **Information.** Within thirty (30) days after acquiring an interest in a Unit, within thirty (30) days after the Owner has notice of a change in any information required by this *Section 13.11.1*, and on request by the Association from time to time, an Owner will provide the Association with the following information: (i) a copy of the Recorded deed by which Owner has acquired title to the Unit; (ii) the Owner's address, phone number, and driver's license number, if any; (iii) any Mortgagee's name, address, and loan number; (iv) the name and phone number of any Occupant other than the Owner; and (v) the name, address, and phone number of Owner's managing agent, if any.

13.11.2. **Pay Assessments.** Each Owner will pay Assessments properly levied by the Association against the Owner or such Owner's Unit and will pay Regular Assessments without demand by the Association.

13.11.3. **Compliance with Documents.** Each Owner will comply with the Documents as amended from time to time.

13.11.4. **Reimburse for Damages.** Each Owner will pay for damage to the Property caused by the negligence or willful misconduct of the Owner, an Occupant of the Owner's Unit, or the Owner or Occupant's family, guests, employees, contractors, agents, or invitees.

13.11.5. **Liability for Violations.** Each Owner is liable to the Association for violations of the Documents by the Owner, an Occupant of the Owner's Unit, or the Owner or Occupant's family, guests, employees, agents, or invitees, and for costs incurred by the Association to obtain compliance, including attorney's fees whether or not suit is filed.

13.11.6. Compliance with Master Plan Documents. Each Owner will comply with the Master Plan Documents as amended from time to time.

13.11.7. Liability for Violations of Master Plan Documents. Each Owner is liable to the Master Association for violations of the Master Plan Documents by the Owner or an Occupant of the Owner's Unit, and for costs incurred by the Master Association to obtain compliance, including attorney's fees whether or not suit is filed.

13.12. Unit Resales. This *Section 13.12* applies to every sale or conveyance of a Unit or an interest in a Unit by an Owner other than Declarant:

13.12.1. Resale Certificate. An Owner intending to sell his Unit will notify the Association and will request a condominium resale certificate from the Association.

13.12.2. No Right of First Refusal. The Association does not have a right of first refusal and may not compel a selling Owner to convey the Owner's Unit to the Association.

13.12.3. Other Transfer-Related Fees. A number of independent fees may be charged in relation to the transfer of title to a Unit, including but not limited to, fees for resale certificates, estoppel certificates, copies of Documents, compliance inspections, ownership record changes, and priority processing, provided the fees are customary in amount, kind and number for the local marketplace. Transfer-related fees are not refundable and may not be regarded as a prepayment of or credit against Regular or Special Assessments. Transfer-related fees may be charged by the Association or by the Association's managing agent, provided there is no duplication of fees. Transfer-related fees charged by or paid to a managing agent must have the prior written approval of the Association, are not subject to the Association's assessment lien, and are not payable by the Association. This *Section 13.12.3* does not obligate the Board or the manager to levy transfer-related fees. This exclusion may be waived by a party to a conveyance who requests transfer-related services or documentation for which fees are charged.

13.12.4. Exclusions. The requirements of this *Section 13.12.4* do not apply to the following transfers: (i) foreclosure of a mortgagee's deed of trust lien, a tax lien, or the Association's Assessment lien; (ii) conveyance by a mortgagee who acquires title by foreclosure or deed in lieu of foreclosure; (iii) transfer to, from, or by the Association; or (iv) voluntary transfer by an Owner to one or more co-Owners, or to the Owner's spouse, child, or parent; (v) a transfer by a fiduciary in the course of administering a decedent's estate, guardianship, conservatorship, or trust; (vi) a conveyance pursuant to a court's order, including a transfer by a bankruptcy trustee; or (vii) a disposition by a government or a governmental agency. The requirements of this *Section 13.12.4* do not apply to the initial conveyance of a Unit from the Declarant to a third-party.

13.13. Enforcement by Master Association and Master Declarant. The Master Association or the Master Declarant shall have the right, but not the obligation, to enforce any violation of the terms and provisions of the Master Plan Documents. In the event the Master

Association or the Master Declarant elects to enforce the Master Plan Documents, and except in the case of an (i) emergency (an emergency for the purpose of this *Section 13.13* shall mean any violation which may damage all or any portion of the Development or the "Property", as such term is defined in the Master Declaration, or cause physical injury to any Person) or (ii) a noncurable violation (a noncurable violation for the purpose of this *Section 13.13* shall mean any violation that has occurred but is not a continuous action or a condition capable of being remedied by affirmative action), the Master Association or the Master Declarant will provide written notice to the Declarant, during the Development Period, and the Board, which notice will describe the violation in reasonable detail (the "**Violation Notice**"). If the Declarant or the Association fails to remedy the violation specified in the Violation Notice on or before the expiration or thirty (30) days after receipt of such notice, or fails to exercise diligent and good faith efforts to cause the violation to be corrected (which may include initiating appropriate enforcement actions against an Owner in accordance with the Documents), the Master Association or the Master Declarant may, but shall in no event have the obligation, to initiate enforcement actions against the Owner for such violation. If the Master Association or the Master Declarant initiates an enforcement action against an Owner, the Master Association or the Master Declarant, as the case may be, will have the same enforcement and cost recovery rights reserved on behalf of the Association pursuant to this *Article 13*. Notwithstanding the foregoing provision, the Master Declarant shall in no event be required to comply with *Section 13.1* as a precondition to any enforcement action.

NEITHER THE MASTER DECLARANT NOR THE MASTER ASSOCIATION HAVE A DUTY OR OBLIGATION TO THE ASSOCIATION, THE DECLARANT, OR ANY OWNER, OCCUPANT OR THEIR GUESTS TO ENFORCE THE DOCUMENTS.

#### ARTICLE 14 ENFORCING THE DOCUMENTS

14.1. **Notice and Hearing.** Before levying a fine for violation of the Documents (other than nonpayment of Assessments), or before levying an Individual Assessment for property damage, the Association will give the Owner written notice of the levy and an opportunity to be heard, to the extent required by Applicable Law. The Association's written notice must contain a description of the violation or property damage; the amount of the proposed fine or damage charge; a statement that not later than the thirtieth (30<sup>th</sup>) day after the date of the notice, the Owner may request a hearing before the Board to contest the fine or charge; and a stated date by which the Owner may cure the violation to avoid the fine – unless the Owner was given notice and a reasonable opportunity to cure a similar violation within the preceding twelve (12) months. The Association may also give a copy of the notice to the Occupant. Pending the hearing, the Association may continue to exercise other rights and remedies for the violation, as if the declared violation were valid. The Owner's request for a hearing suspends only the levy of a fine or damage charge. The Owner may attend the hearing in person, or may be represented by another Person or by a written communication. The Board may adopt additional or alternative procedures and requirements for notices and hearings, provided they are consistent with the requirements of Applicable Law.

14.2. **Remedies.** The remedies provided in this *Article 14* for breach of the Documents are cumulative and not exclusive. In addition to other rights and remedies provided by the Documents and by Applicable Law, the Association has the following rights to enforce the Documents:

14.2.1. **Nuisance.** The result of every act or omission that violates any provision of the Documents is a nuisance, and any remedy allowed by Applicable Law against a nuisance, either public or private, is applicable against the violation.

14.2.2. **Fine.** The Association may levy reasonable charges, as an Individual Assessment, against an Owner and the Owner's Unit if the Owner or Occupant, or the Owner or Occupant's family, guests, employees, agents, or contractors violate a provision of the Documents. Fines may be levied for each act of violation or for each day a violation continues, and does not constitute a waiver or discharge of the Owner's obligations under the Documents.

14.2.3. **Suspension.** The Association may suspend the right of Owners and Occupants to use General Common Elements (provided that the rights of ingress and egress and utility services are not impaired) for any period during which the Owner or Occupant, or the Owner or Occupant's family, guests, employees, agents, or contractors violate the Documents. A suspension does not constitute a waiver or discharge of the Owner's obligations under the Documents.

14.2.4. **Self-Help.** The Association has the right to enter a Common Element or Unit to abate or remove, using force as may reasonably be necessary, any Improvement, thing, animal, person, vehicle, or condition that violates the Documents or the Master Plan Documents. In exercising this right, the Board is not trespassing and is not liable for damages related to the abatement. The Board may levy its costs of abatement against the Unit and Owner as an Individual Assessment. Unless an emergency situation exists in the good faith opinion of the Board, the Board will give the violating Owner fifteen (15) days' notice of its intent to exercise self-help. Notwithstanding the foregoing, the Association may not alter or demolish an item of construction on a Unit without judicial proceedings.

14.2.5. **Suit.** Failure to comply with the Documents or the Master Plan Documents will be grounds for an action to recover damages or for injunctive relief to cause any such violation to be remedied, or both. Prior to commencing any legal proceeding, the Association will give the defaulting party reasonable notice and an opportunity to cure the violation.

14.3. **Board Discretion.** The Board may use its sole discretion in determining whether to pursue a violation of the Documents, provided the Board does not act in an arbitrary or capricious manner. In evaluating a particular violation, the Board may determine that under the particular circumstances: (i) the Association's position is not sufficiently strong to justify taking any or further action; (ii) the provision being enforced is or may be construed as inconsistent with Applicable Law; (iii) although a technical violation may exist, it is not of such a material nature

as to be objectionable to a reasonable person or to justify expending the Association's resources; or (iv) that enforcement is not in the Association's best interests, based on hardship, expense, or other reasonable criteria.

14.4. **No Waiver.** The Association and every Owner has the right to enforce all restrictions, conditions, covenants, liens, and charges now or hereafter imposed by the Documents or the Master Plan Documents. Failure by the Association or by any Owner to enforce a provision of the Documents or the Master Plan Documents is not a waiver of the right to do so thereafter.

14.5. **Recovery of Costs.** The costs of curing or abating a violation are the expense of the Owner or other Person responsible for the violation. If legal assistance is obtained to enforce any provision of the Documents or the Master Plan Documents, or in any legal proceeding (whether or not suit is brought) for damages or for the enforcement of the Documents or the Master Plan Documents, or the restraint of violations of the Documents or the Master Plan Documents, the prevailing party is entitled to recover from the non-prevailing party all reasonable and necessary costs incurred by it in such action, including reasonable attorneys' fees.

14.6. **Release.** Subject to the Association's obligations under this Declaration, except as otherwise provided by the Documents, each Owner hereby releases, acquits and forever discharges the Association, and its affiliates, parents, members, subsidiaries, officers, directors, agents, employees, predecessors, successors, contractors, consultants, insurers, sureties and assigns and agrees to hold such Persons harmless of and from any and all claims, damages, liabilities, costs and/or expenses (including reasonable attorneys' fees) relating to the construction of, repair or restoration of, or the sale to the Owners of the Units, or the Common Elements. This release shall release and forever discharge the Association and its affiliates, parents, members, subsidiaries, officers, directors, agents, employees, predecessors, successors, contractors, consultants, insurers, sureties and assigns, from all claims and causes of action, whether statutory or under the common law, known or unknown, now accrued, or that arise in the future.

14.7. **Right of Action by Association.** The Association shall not have the power to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings for: (i) a Construction Claim, as defined in *Section 20.1.4* below, in the name of or on behalf of any Unit Owner (whether one or more); or (ii) a Unit Construction Claim, as defined in *Section 20.1.6* below. The foregoing sentence is expressly intended to remove from the power of the Association the right, under Section 82.102 of the Act, to institute, defend, intervene in, settle, or compromise litigation or administrative proceedings on behalf of two (2) or more Unit Owners on matters affecting the Regime. This *Section 14.7* may not be amended or modified without Declarant's written and acknowledged consent, which must be part of the Recorded amendment instrument.

## **ARTICLE 15**

### **INSURANCE**

15.1. **General Provisions.** The broad purpose of this *Article 15* is to require that the Property be insured with the types and amounts of coverage that are customary for similar types of properties and that are acceptable to mortgage lenders, guarantors, or insurers that finance the purchase or improvement of Units. Because the insurance requirements of mortgage underwriters are subject to change, as are State-promulgated insurance regulations and policies, this *Article 15* tries to balance the need for certain minimum insurance requirements with the desire to adapt to a periodically changing insurance environment. The Board will make every reasonable effort to comply with the requirements of this *Article 15*.

15.1.1. **Unavailability.** The Association, and its directors, officers, and managers, will not be liable for failure to obtain any coverage required by this *Article 15* or for any loss or damage resulting from such failure if the failure is due to the unavailability of a particular coverage from reputable insurance companies, or if the coverage is available only at demonstrably unreasonable cost.

15.1.2. **No Coverage.** Even if the Association and the Owner have adequate amounts of recommended and required insurance coverage, the Property may experience a loss that is not covered by insurance. In such event, the Association is responsible for restoring the Common Elements as a Common Expense, and the Owner is responsible for restoring the Owner's Unit at such Owner's sole expense. This provision does not apply to the deductible portion of an insurance policy.

15.1.3. **Requirements.** The cost of insurance coverage and bonds maintained by the Association is a Common Expense. Insurance policies and bonds obtained and maintained by the Association must be issued by responsible insurance companies authorized to do business in the State of Texas. The Association must be the named insured on all policies obtained by the Association. The Association's policies should contain the standard mortgage clause naming either the Mortgagee or its servicer followed by "its successors and assigns." The loss payee clause should show the Association as trustee for each Owner and Mortgagee. Policies of property and general liability insurance maintained by the Association must provide that the insurer waives its rights to subrogation under the policy against an Owner. The Association's insurance policies will not be prejudiced by the act or omission of any Owner or Occupant who is not under the Association's control.

15.1.4. **Association as Trustee.** Each Owner irrevocably appoints the Association, acting through its Board, as such Owner's trustee to negotiate, receive, administer, and distribute the proceeds of any claim against an insurance policy maintained by the Association.

15.1.5. **Notice of Cancellation or Modification.** Each insurance policy maintained by the Association should contain a provision requiring the insurer to give prior written notice, as provided by the Act, to the Board before the policy may be canceled, terminated, materially modified, or allowed to expire, by either the insurer or the insured. The Board will

give to Mortgagees at least ten (10) days prior notice of cancellation, termination, expiration, or material modification.

15.1.6. Deductibles. An insurance policy obtained by the Association may contain a reasonable deductible, and the amount thereof may not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the coverage limits required by this Declaration or an Underwriting Lender. In the event of an insured loss, the deductible is treated as a Common Expense of the Association in the same manner as the insurance premium. However, if the Board reasonably determines that the loss is the result of the negligence or willful misconduct of an Owner or Occupant or their invitee, then the Board may levy an Individual Assessment against the Owner and the Owner's Unit for the amount of the deductible that is attributable to the act or omission, provided the Owner is given notice and an opportunity to be heard in accordance with *Section 14.1* of this Declaration.

15.2. Property Insurance. The Association will obtain property insurance in accordance with Section 82.111(a) of the Act. The insurance must be in an amount sufficient to cover one hundred percent (100%) of the replacement cost of any repair or reconstruction in event of damage or destruction from any insured hazard. All hazard and flood insurance policies which include any Units must also have the standard mortgagee clause.

15.2.1. Common Property Insured. The Association will insure: (i) General Common Elements; (ii) Limited Common Elements; and (iii) property owned by the Association including, if any, records, furniture, fixtures, equipment, and supplies.

15.2.2. Units Not Insured by Association. In no event will the Association maintain property insurance on the Units. Accordingly, each Owner of a Unit will be obligated to maintain property insurance on such Owner's Unit and any Limited common Elements assigned exclusively to such Owners' Unit, including any betterments and Improvements constructed within or exclusively serving such Unit, in an amount sufficient to cover one hundred percent (100%) of the replacement cost of any repair or reconstruction in event of damage or destruction from any insured hazard. In addition, the Association does not insure an Owner or Occupant's personal property. THE ASSOCIATION STRONGLY RECOMMENDS THAT EACH OWNER AND OCCUPANT PURCHASE AND MAINTAIN INSURANCE ON THEIR PERSONAL BELONGINGS.

15.2.3. Endorsements. To the extent reasonably available, the Association will obtain endorsements to its property insurance policy if required by an Underwriting Lender, such as Inflation Guard Endorsement, Building Ordinance or Law Endorsement, and a Special Condominium Endorsement.

15.3. Liability Insurance. The Association will maintain a commercial general liability insurance policy over the Common Elements – expressly excluding the liability of each Owner and Occupant within the Owner's Unit – for bodily injury and property damage resulting from

the operation, maintenance, or use of the Common Elements. The amount of coverage should be at least that required by an Underwriting Lender, to the extent reasonably available. The purpose of this requirement is, in part, to assure mortgage companies that the Association maintains at least minimum levels of insurance coverage. If the policy does not contain a severability of interest provision, it should contain an endorsement to preclude the insurer's denial of an Owner's claim because of negligent acts of the Association or other Owners.

15.4. **Worker's Compensation.** The Association may maintain worker's compensation insurance if and to the extent necessary to meet the requirements of Applicable Law or if the Board so chooses.

15.5. **Fidelity Coverage.** The Association may maintain blanket fidelity coverage for any person who handles or is responsible for funds held or administered by the Association, whether or not the person is paid for his services. The policy should be for an amount that exceeds the greater of: (i) the estimated maximum funds, including reserve funds, in the Association's custody while the policy is in force; or (ii) an amount equal to 3 months of Regular Assessments on all Units. A management agent that handles Association funds should be covered by a separate fidelity insurance policy with the same coverages. If the Property has more than twenty (20) Units, the Association must maintain fidelity coverage to the extent reasonably available.

15.6. **Directors' and Officers' Liability.** The Association may maintain directors' and officers' liability insurance, errors and omissions insurance, indemnity bonds, or other insurance the Board deems advisable to insure the Association's directors, officers, committee members, and managers against liability for an act or omission in carrying out their duties in those capacities.

15.7. **Other Policies.** The Association may maintain any insurance policies and bonds deemed by the Board to be necessary or desirable for the benefit of the Association.

## ARTICLE 16 **RECONSTRUCTION OR REPAIR AFTER LOSS**

16.1. **Subject to Act.** The Association's response to damage or destruction of the Property will be governed by Section 82.111(i) of the Act. The following provisions apply to the extent the Act is silent.

16.2. **Restoration Funds.** For purposes of this *Article 16*, "**Restoration Funds**" include insurance proceeds, condemnation awards, Deficiency Assessments, Individual Assessments, and other funds received on account of or arising out of injury or damage to the Property. All funds paid to the Association for purposes of repair or restoration will be deposited in a financial institution in which accounts are insured by a federal agency. Withdrawal of Restoration Funds requires the signatures of at least two (2) Association directors or that of an agent duly authorized by the Board.

16.2.1. Sufficient Proceeds. If Restoration Funds obtained from insurance proceeds or condemnation awards are sufficient to repair or restore the damaged or destroyed Common Elements, the Association, as trustee for the Owners, will promptly apply the funds to the repair or restoration.

16.2.2. Insufficient Proceeds. If Restoration Funds are not sufficient to pay the estimated or actual costs of restoration as determined by the Board, the Board may levy a Deficiency Assessment against the Owners to fund the difference.

16.2.3. Surplus Funds. If the Association has a surplus of Restoration Funds after payment of all costs of repair and restoration, the surplus will be applied as follows: If Deficiency Assessments were a source of Restoration Funds, the surplus will be paid to Owners in proportion to their contributions resulting from the Deficiency Assessment levied against them; provided that no Owner may receive a sum greater than that actually contributed by him, and further provided that any Delinquent Assessments owed by the Owner to the Association will first be deducted from the surplus. Any surplus remaining after the disbursement described in the foregoing paragraph will be common funds of the Association to be used as directed by the Board in the Board's sole and absolute discretion.

### 16.3. Costs and Plans.

16.3.1. Cost Estimates. Promptly after the loss, the Board will obtain estimates of the cost of restoring the damaged Common Elements. Costs may include premiums for bonds and fees for the services of professionals, as the Board deems necessary, to assist in estimating and supervising the repair.

16.3.2. Plans and Specifications. Unless otherwise approved by the Board, Common Elements will be repaired and restored substantially as they existed immediately prior to the damage or destruction.

16.4. Owner's Duty to Repair. Within sixty (60) days after the date of damage, the Owner will begin repair or reconstruction of the Owner's Unit, subject to the right of the Association to supervise, approve, or disapprove repair or restoration during the course thereof. Unless otherwise approved by the Plum Creek Reviewer and the Board, the residence must be repaired and restored substantially in accordance with original construction plans and specifications.

16.5. Owner's Liability for Insurance Deductible. If repair or restoration of Common Elements is required as a result of an insured loss, the Board may levy an Individual Assessment, in the amount of the insurance deductible, against the Owner or Owners who would be responsible for the cost of the repair or reconstruction in the absence of insurance.

## ARTICLE 17

### TERMINATION AND CONDEMNATION

17.1. **Association as Trustee.** Each Owner hereby irrevocably appoints the Association, acting through the Board, as trustee to deal with the Property in the event of damage, destruction, obsolescence, condemnation, or termination of all or any part of the Property. As trustee, the Association will have full and complete authority, right, and power to do all things reasonable and necessary to effect the provisions of this Declaration and the Act, including, without limitation, the right to receive, administer, and distribute funds, awards, and insurance proceeds; to effect the sale of the Property as permitted by this Declaration or by the Act; and to make, execute, and deliver any contract, deed, or other instrument with respect to the interest of an Owner.

17.2. **Termination.** Termination of the terms of this Declaration and the Regime will be governed by Section 82.068 of the Act and *Section 18.4* below.

17.3. **Condemnation.** The Association's response to condemnation of any part of the Property will be governed by Section 82.007 of the Act. On behalf of Owners, but without their consent, the Board may execute and Record an amendment of this Declaration to reallocate the Common Interest Allocations following condemnation and to describe the altered parameters of the Property. If the Association replaces or restores Common Elements taken by condemnation by obtaining other land or constructing additional Improvements, the Board may, to the extent permitted by Applicable Law, execute and Record an amendment without the prior consent of Owners to describe the altered parameters of the Property and any corresponding change of facilities or Improvements.

## ARTICLE 18

### MORTGAGEE PROTECTION

18.1. **Introduction.** This *Article 18* is supplemental to, not a substitution for, any other provision of the Documents. In case of conflict, this *Article 18* controls. A provision of the Documents requiring the approval of a specified percentage of Mortgagees will be based on the number of Units subject to mortgages held by Mortgagees. For example, "51 percent of Mortgagees" means Mortgagees of fifty-one percent (51%) of the Units that are subject to mortgages held by Mortgagees.

18.2. **Notice of Mortgagee.** As provided in this *Article 18*, the Association is required to provide each Mortgagee with written notice upon the occurrence of certain actions as described in *Section 18.8*, or to obtain the approval of Mortgagees in the event of certain amendments to this Declaration as described in *Section 18.9* or the termination of this Declaration as described in *Section 18.4*. To enable the Association to provide the notices and obtain such approval, each Owner must provide to the Association the complete name and address of such Owner's

Mortgagee, including the loan number and such additional information concerning the Owner's Mortgage as the Association may reasonably require. In the event an Owner fails to provide the Association with the information required by this *Section 18.2* after the expiration of thirty (30) days after the Association's written request, the Owner's failure to provide such information will be considered a violation of the terms and provisions of this Declaration.

18.3. **Amendment.** This *Article 18* establishes certain standards for the benefit of Underwriting Lenders, and is written to comply with their requirements and guidelines in effect at the time of drafting. If an Underwriting Lender subsequently changes its requirements, the Board, without approval of Owners or Mortgagees, may amend this *Article 18* and other provisions of the Documents, as necessary, to meet the requirements of the Underwriting Lender.

18.4. **Termination.** Termination of the terms of this Declaration and the condominium status of the Regime will be governed by Section 82.068 of the Act, subject to the following provisions. In the event of condemnation of the entire Regime, an amendment to terminate may be executed by the Board without a vote of Owners or Mortgagees. Any election to terminate this Declaration and the condominium status of the Regime under circumstances other than condemnation of the entire Regime shall require the consent of: (i) Owners representing at least eighty percent (80%) of the total votes in the Association; (ii) Declarant during the Development Period; and (iii) sixty-seven percent (67%) of Mortgagees.

18.5. **Implied Approval.** The approval of a Mortgagee is implied when the Mortgagee fails to respond within sixty (60) days after receiving the Association's written request for approval of a proposed amendment, provided the Association's request was delivered by certified or registered mail, return receipt requested.

18.6. **Other Mortgagee Rights.**

18.6.1. **Inspection of Books.** The Association will maintain current copies of the Documents and the Association's books, records, and financial statements. Mortgagees may inspect the Documents and records, by appointment, during normal business hours.

18.6.2. **Financial Statements.** A Mortgagee may have an audited statement prepared at its own expense.

18.6.3. **Attendance at Meetings.** A representative of a Mortgagee may attend and address any meeting which an Owner may attend.

18.6.4. **Right of First Refusal.** The Association does not have a right of first refusal and may not compel a selling Owner to convey the Owner's Unit to the Association. Any right of first refusal imposed by the Association with respect to a lease, sale, or transfer of a Unit does not apply to a lease, sale, or transfer by a Mortgagee, including transfer by deed in lieu of foreclosure or foreclosure of a deed of trust lien.

18.6.5. **Management Contract.** If professional management of the Association is required by this *Article 18*, the contract for professional management may not require more than ninety (90) days' notice to terminate the contract, nor payment of a termination penalty.

18.6.6. **Audit.** A majority of Mortgagees shall be entitled to demand an audit of the Association's financial records.

18.7. **Insurance Policies.** If an Underwriting Lender that holds a mortgage on a Unit or desires to finance a Unit has requirements for insurance of condominiums, the Association must try to obtain and maintain the required coverage, to the extent reasonably available, and must try to comply with any notifications or processes required by the Underwriting Lender. Because underwriting requirements are subject to change, they are not recited here.

18.8. **Notice of Actions.** The Association will send timely written notice to Mortgagees of the following actions:

(i) Any condemnation or casualty loss that affects a material portion of the Property or the mortgaged Unit and any eminent domain proceeding affecting the General Common Elements which would result in a loss of more than ten percent (10%) of the estimated operational and reserve expenses as reflected on the then-current annual budget of the Association.

(ii) Any sixty (60) day delinquency in the payment of Assessments or charges owed by the Owner of the mortgaged Unit.

(iii) A lapse, cancellation, or material modification of any insurance policy maintained by the Association.

(iv) Any proposed action that requires the consent of a specified percentage of Mortgagees.

(v) Any proposed amendment of a material nature, as provided in this *Article 18*.

(vi) Any proposed termination of the condominium status of the property or dissolution of the Association at least thirty (30) days prior to the proposed termination or dissolution, as applicable.

18.9. **Amendments of a Material Nature.** A Document amendment of a material nature must be approved by Owners representing at least sixty-seven percent (67%) of the votes in the Association, and by at least fifty-one percent (51%) of Mortgagees. **THIS APPROVAL REQUIREMENT DOES NOT APPLY TO AMENDMENTS FILED BY THE DECLARANT AS PERMITTED IN APPENDIX "A" ATTACHED HERETO.** A change to any of the provisions governing the following would be considered material:

- (i) Voting rights.
- (ii) Assessment liens or the priority of Assessment liens.
- (iii) Reductions in reserves for maintenance, repair, and replacement of Common Elements.
- (iv) Responsibility for maintenance and repairs.
- (v) Reallocation of interests in the General Common Elements or Limited Common Elements, or rights to their use; except that when Limited Common Elements are reallocated by Declarant pursuant to any rights reserved by Declarant pursuant to Appendix "A" by agreement between Owners (only those Owners and only the Mortgagees holding mortgages against those Units need approve the action).
- (vi) Redefinitions of boundaries of Units, except that when boundaries of only adjoining Units are involved, then only those Owners and the Mortgagees holding mortgages against the Unit or Units need approve the action, and except pursuant to any rights reserved by Declarant pursuant to Appendix "A".
- (vii) Convertibility of Units into Common Elements or Common Elements into Units.
- (viii) Expansion or contraction of the Property, or the addition, annexation, or withdrawal of property to or from the Property.
- (ix) Property or fidelity insurance requirements.
- (x) Imposition of any restrictions on the leasing of Units.
- (xi) Imposition of any restrictions on Owners' right to sell or transfer their Units.
- (xii) Restoration or repair of the Regime, in a manner other than that specified in the Documents, after hazard damage or partial condemnation.
- (xiii) Any provision that expressly benefits mortgage holders, insurers, or guarantors.

## ARTICLE 19 AMENDMENTS

19.1. **Consents Required.** As permitted by the Act or by this Declaration, certain amendments to this Declaration may be executed by Declarant acting alone, or by certain Owners acting alone, or by the Board acting alone. Except as otherwise provided in this Declaration,

amendments to this Declaration must be approved by Owners representing at least sixty-seven percent (67%) of the votes in the Association. Notice of any amendment to this Declaration which must be approved by Owners, including but not limited to the amendment requirement attributable to *Article 20* as set forth in *Section 20.1*, shall be delivered to each Member in accordance with the Bylaws. All amendments made to this Declaration, Bylaws or Certificate during the Development Period must be approved by the Secretary of Veterans Affairs or its authorized agent prior to Recording such document in the Official Public Records of Hays County, Texas, if Veterans Affairs has guaranteed any loans secured by Units in the Regime, except for amendments adding additional Units to the Regime pursuant to *Section 5.1* of the Declaration.

In addition, a change to any provision in this Declaration governing the following items must be approved by Owners representing at least sixty-seven percent (67%) of the votes in the Association:

- (i) Merging or consolidating the Association (other than with another nonprofit entity formed for purposes similar to the Association pursuant to *Section 13.6*).
- (ii) Any scheme of regulation or enforcement of standards for maintenance, architectural design or exterior appearance of Improvements on Units.
- (iii) The addition of land to this Declaration if the addition would increase the overall land area then subject to this Declaration by more than ten percent (10%).
- (iv) Abandoning, partitioning, encumbering, mortgaging, conveying selling or otherwise transferring or relocating the boundaries of Common Elements with the exception of: (i) granting easements over and across the Common Elements otherwise permitted by this Declaration or the Act; (ii) dedicating all or any portion of a Common Element to the extent required by any governing authority or regulatory authority; (iii) adjustments to the boundary line of Common Elements if made in accordance with the provisions of this Declaration; or (iv) transferring Common Elements pursuant to a merger or consolidation with another entity.
- (v) Any capital expenditure, other than for the maintenance, operation, repair or replacement of any then-existing Improvement, if the capital expenditure exceeds more than twenty percent (20%) of the annual operating budget during any period of twelve (12) consecutive months.

**19.2. Amendments Generally.** For amendments requiring the consent of Mortgagees, the Association will send each Mortgagee a detailed description, if not the exact wording, of any proposed amendment. Notwithstanding any provisions in this Declaration to the contrary, no amendment to this Declaration shall modify, alter, abridge or delete any: (i) provision of this Declaration that benefits the Declarant, the Master Declarant, the Plum Creek Reviewer, the Master Association, or the Association; (ii) rights, privileges, easements, protections, or defenses

of the Declarant, the Master Declarant, the Plum Creek Reviewer, the Master Association, or the Association; or (iii) rights of the Owners or the Association in relationship to the Declarant, the Master Declarant, the Plum Creek Reviewer, the Master Association, or the Association without the written consent of the Declarant, the Master Declarant, the Plum Creek Reviewer or the Association or the Master Association, as applicable, attached to and Recorded with such amendment. In addition, no Amendment to this Declaration shall modify, alter, abridge or delete any: (i) permissible use of a Unit absent the consent of the Owner(s) of the Unit affected by the change in permissible use; or (ii) any license, easement or other contractual rights contained in this Declaration, including, without limitation, any license, easement or contractual right benefiting or in favor of the Declarant, the Master Declarant, the Plum Creek Reviewer, the Association, or the Master Association, as applicable.

19.3. **Effective.** To be effective, an amendment must be in the form of a written instrument: (i) referencing the name of the Regime, the name of the Association, and the Recording data of this Declaration and any amendments hereto; (ii) signed and acknowledged by an officer of the Association, certifying the requisite approval of Owners and, if required, Mortgagees; provided, however, this subsection (ii) will not apply for amendments prosecuted by Declarant pursuant to any rights reserved by Declarant under this Declaration; and (iii) Recorded.

19.4. **Declarant Provisions.** Declarant has an exclusive right to unilaterally amend this Declaration for the purposes stated in Appendix "A". An amendment that may be executed by Declarant alone is not required to name the Association or to be signed by an officer of the Association. No amendment may affect Declarant's or Master Declarant's rights under this Declaration without Declarant's or Master Declarant's written and acknowledged consent, which must be part of the Recorded amendment instrument. Because Appendix "A" of this Declaration is destined to become obsolete, beginning seven (7) years after the date this Declaration is first Recorded, the Board may restate, rerecord, or publish this Declaration without Appendix "A". The automatic expiration and subsequent deletion of Appendix "A" does not constitute an amendment of this Declaration. This Section 19.4 may not be amended without Declarant's or the Master Declarant's written and acknowledged consent.

## ARTICLE 20 **DISPUTE RESOLUTION**

*This Article 20 is intended to encourage the resolution of disputes involving the Property. A dispute regarding the Units, Common Elements, and/or Improvements can create significant financial exposure for the Association and its Members, interfere with the resale and refinancing of Units, prevent or jeopardize approval of the Units by Underwriting Lenders, and increase strife and tension among the Owners, the Board and the Association's management. Since disputes may have a direct effect on each Owner's use and enjoyment of their Unit and the Common Elements, this Article 20 requires Owner transparency and participation in certain circumstances. Transparency means that the Owners are informed in advance about a dispute,*

*the proposed arrangement between the Association and a law firm or attorney who will represent the Association in the dispute, the proposed arrangement between the Association and any inspection company who will prepare the Common Element Report (as defined below) or perform any other investigation or inspection of the Common Elements and/or Improvements related to the dispute, and that each Owner will have an opportunity to participate in the decision-making process prior to initiating the dispute resolution process.*

*For the avoidance of doubt, nothing in this Article 20 is intended to limit the Association's right or obligation to obtain inspection services related to the maintenance, repair and physical condition of the Regime pursuant to Section 9.4 of this Declaration provided that such inspection services are not commissioned by the Association in conjunction with a Unit Construction Claim or a Common Element Construction Claim.*

20.1. **Introduction and Definitions.** The Association, the Owners, Declarant, all Persons subject to this Declaration, and each person not otherwise subject to this Declaration who agrees to submit to this Article 20 by written instrument delivered to the Claimant, as defined hereinbelow, which may include, but is not limited to, a general contractor, sub-contractor, design professional, or other person who participated in the design or construction of Units, Common Elements or any Improvement within, serving, or forming a part of the Regime (individually a "Party" and collectively, the "Parties"), agree to encourage the amicable resolution of disputes involving the Property and to avoid the emotional and financial costs of litigation and arbitration if at all possible. **Accordingly, each Party hereby covenants and agrees that this Article 20 applies to all Claims as hereafter defined.** This Article 20 may only be amended with the prior written approval of the Declarant, the Association (acting through a Majority of the Board), and Owners holding one hundred percent (100%) of the votes in the Association, and the Master Declarant. As used in this Article 20 only, the following words, when capitalized, have the following specified meanings:

20.1.1. "Claim" means:

- (i) Claims relating to the rights and/or duties of Declarant or the Association under the Documents or the Act;
- (ii) Claims relating to the acts or omissions of the Declarant or the Board during its control and administration of the Association and/or Regime, any claim asserted against the Plum Creek Reviewer, and any claims asserted against the Declarant, the Board or a Person serving as a Board member or officer of the Association, or the Plum Creek Reviewer;
- (iii) Claims relating to the design or construction of the Units, Common Elements or any Improvement located within, serving, or forming a part of the Regime;
- (iv) Claims relating to any repair or alteration of the Units, Common Elements, or any Improvement located within, serving, or forming a part of the Regime, including

any Claims related to an alleged failure to perform repairs or for a breach of warranty; and,

20.1.2. **"Claimant"** means any Party having a Claim against any other Party.

20.1.3. **"Common Element Construction Claim"** means a Claim relating to: (i) the design or construction of the Common Elements or any Improvement located thereon; or (ii) any repair or alteration of the Common Elements, or any Improvement located thereon, including any Claims related to an alleged failure to perform repairs or for a breach of warranty.

20.1.4. **"Construction Claim"** means a Claim defined in *Section 20.1.1(iii)* or *Section 20.1.1(iv)*.

20.1.5. **"Respondent"** means any Party against which a Claim has been asserted by a Claimant.

20.1.6. **"Unit Construction Claim"** means a Claim relating to: (i) the design or construction of a Unit (whether one or more) or any Improvement located thereon; or (ii) any repair or alteration of a Unit (whether one or more), or any Improvement located thereon, including any Claims related to an alleged failure to perform repairs or for a breach of warranty.

20.2. **Mandatory Procedures: All Claims.** Claimant may not initiate any proceeding before any judge, jury, arbitrator or any other judicial or administrative tribunal seeking redress of resolution of its Claim until Claimant has complied with the mandatory procedures of this *Article 20*. As provided in *Section 20.9* below, a Claim must be resolved by binding arbitration.

20.3. **Mandatory Procedures: Construction Claims.** Failure of a Claimant to comply with the procedures of this *Article 20* for a Construction Claim may result in significant expenses incurred by the Respondent to respond to a Construction Claim that would not have been otherwise incurred had the Claimant followed the procedures and dispute resolution process set forth herein, including attorney fees, court costs and other administrative expenses (the **"Response Costs"**). Notwithstanding any provision contained herein to the contrary, failure by a Claimant to comply with any of the procedural or dispute resolution requirements for a Construction Claim set forth in this *Article 20* shall constitute a material breach of this Declaration and any warranty agreement, entitling the Respondent to recover, from the Claimant, all actual and reasonable Response Costs incurred by Respondent. Moreover, strict compliance with the procedural and dispute resolution requirements of this *Article 20* shall be a condition precedent to any recovery for a Construction Claim.

20.4. **Common Element Construction Claim by the Association.** In accordance with *Section 14.7* of this Declaration, the Association does not have the power or right to institute, defend, intervene in, settle, or compromise litigation, arbitration or other proceedings for: (i) a Construction Claim in the name of or on behalf of any Unit Owner (whether one or more); or (ii) a Unit Construction Claim. Additionally, no Unit Owner shall have the power or right to institute,

defend, intervene in, settle or compromise litigation, arbitration or other proceedings for a Common Element Construction Claim. Each Unit Owner, by accepting an interest in or title to a Unit, hereby grants to the Association the exclusive right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings for a Common Element Construction Claim. In the event the Association asserts a Common Element Construction Claim, as a precondition to providing the Notice defined in Section 20.6, initiating the mandatory dispute resolution procedures set forth in this Article 20, or taking any other action to prosecute a Common Element Construction Claim, the Association must:

20.4.1. Obtain Owner Approval of Law Firm, Attorney and Inspection Company.

*The requirements related to Owner approval set forth in this Section 20.4.1 are intended to ensure that the Association and the Owners approve and are fully informed of the financial arrangements between the Association and a law firm and/or attorney engaged by the Association to prosecute a Common Element Construction Claim, and any financial arrangements between the Association and the Inspection Company (defined below) or a law firm and/or attorney and the Inspection Company. The agreement between the Association, the law firm or attorney, and/or the Inspection Company may include requirements that the Association pay costs, fees, and expenses to the law firm, attorney or the Inspection Company which will be paid through Assessments levied against Owners. The financial agreement between the Association, the law firm or attorney, and/or the Inspection Company may also include obligations related to payment, and the conditions and circumstances when the payment obligations arise, if the relationship between the Association, the law firm or attorney, and/or the Inspection Company is terminated, the Association elects not to engage the law firm or attorney or Inspection Company to prosecute or assist with the Common Element Construction Claim, or if the Association agrees to settle the Common Element Construction Claim. In addition, the financial arrangement between the Association, the law firm or attorney, and/or the Inspection Company may include additional costs, expenses, and interest charges. These financial obligations can be significant. The Board may not engage or execute an agreement with a law firm or attorney to investigate or prosecute a Common Element Construction Claim, or engage or execute an agreement between the Association and a law firm or attorney, for the purpose of preparing a Common Element Report or performing any other investigation or inspection of the Common Elements related to a Common Element Construction Claim unless the law firm or attorney and the financial arrangements between the Association and the law firm or attorney are approved by the Owners in accordance with this Section 20.4.1. In addition, the Board may not execute an agreement with an Inspection Company to prepare the Common Element Report or perform any other investigation or inspection of the Common Elements related to a Common Element Construction Claim, unless the Inspection Company and the financial arrangements between the Association and the Inspection Company are approved by the Owners in accordance with this Section 20.4.1. For the purpose of the Owner approval required by this Section 20.4.1, an engagement, agreement or arrangement between a law firm or attorney and an Inspection Company, if such engagement, agreement or arrangement could result in any financial*

*obligations to the Association, irrespective of whether the Association and law firm or attorney have entered into an engagement or other agreement to prosecute a Common Element Construction Claim, must also be approved by the Owners in accordance with this Section 20.4.1. An engagement or agreement described in this paragraph is referred to herein as a "Claim Agreement".*

Unless otherwise approved by Members holding sixty-seven percent (67%) of the votes in the Association, the Association, acting through its Board, shall in no event have the authority to enter into a Claim Agreement if the Claim Agreement includes any provision or requirement that would obligate the Association to pay any costs, expenses, fees, or other charges to the law firm or attorney and/or the Inspection Company, including but not limited to, costs, expenses, fees, or other charges payable by the Association: (i) if the Association terminates the Claim Agreement or engages another firm or third-party to assist with the Common Element Construction Claim; (ii) if the Association elects not to enter into a Claim Agreement; (iii) if the Association agrees to settle the Common Element Construction Claim for a cash payment or in exchange for repairs or remediation performed by the Respondent or any other third-party; (iv) if the Association agrees to pay interest on any costs or expenses incurred by the law firm or attorney or the Inspection Company; and/or (v) for consultants, expert witnesses, and/or general contractors hired by the law firm or attorney or the Inspection Company. For avoidance of doubt, it is intended that Members holding sixty-seven percent (67%) of the votes in the Association must approve the law firm and attorney who will prosecute a Common Element Construction Claim and the Inspection Company who will prepare the Common Element Report or perform any other investigation or inspection of the Common Elements related to a Common Element Construction Claim, and each Claim Agreement. All Claim Agreements must be in writing. The Board shall not have the authority to pay any costs, expenses, fees, or other charges to a law firm, attorney or the Inspection Company unless the Claim Agreement is in writing and approved by the Owners in accordance with this Section 20.4.1.

The approval of the Members required under this Section 20.4.1 must be obtained at a meeting of Members called in accordance with the Bylaws. The notice of Member meeting will be provided pursuant to the Bylaws but the notice must also include: (a) the name of the law firm and attorney and/or the Inspection Company; (b) a copy of each Claim Agreement; (c) a narrative summary of the types of costs, expenses, fees, or other charges that may be required to be paid by the Association under any Claim Agreement; (d) the conditions upon which such types of costs, expenses, fees, or other charges are required to be paid by the Association under any Claim Agreement; (e) an estimate of the costs, expenses, fees, or other charges that may be required to be paid by the Association if the conditions for payment under the Claim Agreement occur, which estimate shall be expressed as a range for each type of cost, expense, fee, or other charge; and (f) a description of the process the law firm, attorney and/or the Inspection Company will use to evaluate the Common Element Construction Claim and whether destructive testing will be required (i.e., the removal of all or portions of the Building, Systems, Common Elements, Units, or Improvements). If destructive testing will be required or is likely to occur, the notice shall include a description of the destructive testing, likely locations of the destructive testing, whether the Owner's use of their Units or the

Common Elements will be affected by such testing, and if the destructive testing occurs the means or method the Association will use to repair the Building, Systems, Common Elements, Units, or Improvements affected by such testing, the estimated costs thereof, and an estimate of Assessments that may be levied against the Owners for such repairs. The notice required by this paragraph must be prepared and signed by a person other than the law firm or attorney who is a party to the proposed Claim Agreement being approved by the Members. In the event Members holding sixty-seven percent (67%) of the votes in the Association approve the law firm and/or attorney who will prosecute the Common Element Construction Claim, and the Inspection Company who will prepare the Common Element Report or perform any other investigation or inspection of the Common Elements related to a Common Element Construction Claim, and the Claim Agreement(s), the Board shall have the authority to engage the law firm and/or attorney, and the Inspection Company, and enter into the Claim Agreement approved by the Members.

20.4.2. Provide Notice of the Investigation or Inspection.

As provided in *Section 20.4.3* below, a Common Element Report is required which is a written inspection report issued by the Inspection Company. Before conducting an investigation or inspection that is required to be memorialized by the Common Element Report, the Association must have provided at least ten (10) days prior written notice of the date on which the investigation or inspection will occur to each Respondent which notice shall identify the Inspection Company preparing the Common Element Report, the specific Common Elements to be investigated or inspected, and the date and time the investigation or inspection will occur. Each Respondent may attend the investigation or inspection, personally or through an agent.

20.4.3. Obtain a Common Element Report.

*The requirements related to the Common Element Report set forth in this Section 20.4.3 are intended to provide assurance to the Claimant, Respondent, and the Owners that the substance and conclusions of the Common Element Report and recommendations are not affected by influences that may compromise the professional judgment of the party preparing the Common Element Report, and to avoid circumstances which would create the appearance that the professional judgment of the party preparing the Common Element Report is compromised.*

Obtain a written independent third-party report for the Common Elements (the “**Common Element Report**”) from a professional engineer licensed by the Texas Board of Professional Engineers with an office located in Hays County, Texas (the “**Inspection Company**”). The Common Element Report must include: (i) a description with photographs of the Common Elements subject to the Common Element Construction Claim; (ii) a description of the present physical condition of the Common Elements subject to the Common Element Construction Claim; (iii) a detailed description of any modifications, maintenance, or repairs to the Common Elements performed by the Association or a third-party, including any Respondent; and (iv) specific and detailed recommendations regarding remediation and/or repair of the Common Elements subject to the Common Element Construction Claim. For the purpose of

subsection (iv) of the previous sentence, the specific and detailed recommendations must also include the specific process, procedure, materials, and/or improvements necessary and required to remediate and/or repair the deficient or defective condition identified in the Common Element Report and the estimated costs necessary to effect such remediation and/or repairs. The estimate of costs required by the previous sentence shall be obtained from third-party contractors with an office located in Hays County, Texas, and each such contractor providing the estimate must hold all necessary or required licenses from the Texas Department of Licensing and Regulation or otherwise required by Applicable Law for the work to which the cost estimate relates.

The Common Element Report must be obtained by the Association. The Common Element Report will not satisfy the requirements of this *Section 20.4.3* and is not an "independent" report if: (a) the Inspection Company has an arrangement or other agreement to provide consulting and/or engineering services with the law firm or attorney that presently represents the Association or proposes to represent the Association; (b) the costs and expenses for preparation of the Common Element Report are not required to be paid directly by the Association to the Inspection Company at the time the Common Element Report is finalized and delivered to the Association; or (c) the law firm or attorney that presently represents the Association or proposes to represent the Association has agreed to reimburse (whether unconditional or conditional and based on the satisfaction of requirements set forth in the Association's agreement with the law firm or attorney) the Association for the costs and expenses for preparation of the Common Element Report. For avoidance of doubt, an "independent" report means that the Association has independently contracted with the Inspection Company on an arms-length basis based on customary terms for the preparation of engineering reports and that the Association will directly pay for the report at the time the Common Element Report is finalized and delivered to the Association.

20.4.4. Provide a Copy of Common Element Report to all Respondents and Owners. Upon completion of the Common Element Report, and in any event no later than three (3) days after the Association has been provided a copy of the Common Element Report, the Association will provide a full and complete copy of the Common Element Report to each Respondent and to each Owner. The Association shall maintain a written record of each Respondent and Owner who was provided a copy of the Common Element Report which will include the date the report was provided. The Common Element Report shall be delivered to each Respondent by hand-delivery and to each Owner by mail.

20.4.5. Provide a Right to Cure Defects and/or Deficiencies Noted on Common Element Report. Commencing on the date the Common Element Report has been completed and continuing for a period of ninety (90) days thereafter, each Respondent shall have the right to: (i) inspect any condition identified in the Common Element Report; (ii) contact the Inspection Company for additional information necessary and required to clarify any information in the Common Element Report; and (iii) correct any condition identified in the Common Element Report. As provided in *Section 3.11* above, the Declarant has an easement throughout the Property for itself, and its successors, assigns, architects, engineers, other design professionals, builders,

and general contractors that may be utilized during such ninety (90) day period and any additional period needed thereafter to correct a condition identified in the Common Element Report.

20.4.6. Hold Owner Meeting and Obtain Approval. In addition to obtaining approval from Members for the terms of any Claim Agreement, the Association must obtain approval from Members holding sixty-seven percent (67%) of the votes in the Association to provide the Notice described in *Section 20.6*, initiate the mandatory dispute resolution procedures set forth in this *Article 20*, or take any other action to prosecute a Common Element Construction Claim, which approval from Members must be obtained at a meeting of Members called in accordance with the Bylaws. The notice of meeting required hereunder will be provided pursuant to the Bylaws but the notice must also include: (i) the nature of the Common Element Construction Claim, the relief sought, the anticipated duration of prosecuting the Common Element Construction Claim, and the likelihood of success; (ii) a copy of the Common Element Report; (iii) a copy of any Claim Agreement between the Association and the law firm and/or attorney selected by the Association to assert or provide assistance with the Common Element Construction Claim; (iv) a description of the attorney fees, consultant fees, expert witness fees, and court costs, whether incurred by the Association directly or for which the Association may be liable as a result of prosecuting the Common Element Construction Claim; (v) a summary of the steps previously taken by the Association to resolve the Common Element Construction Claim; (vi) a statement that initiating the lawsuit or arbitration proceeding to resolve the Common Element Construction Claim may affect the market value, marketability, or refinancing of a Unit while the Common Element Construction Claim is prosecuted; and (vii) a description of the manner in which the Association proposes to fund the cost of prosecuting the Common Element Construction Claim. The notice required by this paragraph must be prepared and signed by a person who is not (a) the attorney who represents or will represent the Association in the Common Element Construction Claim; (b) a member of the law firm of the attorney who represents or will represent the Association in the Common Element Construction Claim; or (c) employed by or otherwise affiliated with the law firm of the attorney who represents or will represent the Association in the Common Element Construction Claim. In the event Members approve providing the Notice described in *Section 20.6*, or taking any other action to prosecute a Common Element Construction Claim, the Members holding a Majority of the votes in the Association, at a special meeting called in accordance with the Bylaws, may elect to discontinue prosecution or pursuit of the Common Element Construction Claim.

20.5. Unit Construction Claim by Owners. Class action proceedings are prohibited, and no Unit Owner shall be entitled to prosecute, participate, initiate, or join any litigation, arbitration or other proceedings as a class member or class representative in any such proceedings under this Declaration. In the event an Owner asserts a Unit Construction Claim, as a precondition to providing the Notice defined in *Section 20.6*, initiating the mandatory dispute resolution procedures set forth in this *Article 20*, or taking any other action to prosecute a Unit Construction Claim, the Owner must:

#### 20.5.1. Provide Notice of the Investigation or Inspection.

As provided in *Section 20.5.2* below, a Unit Report is required which is a written inspection report issued by the Inspection Company. Before conducting an investigation or inspection that is required to be memorialized by the Unit Report, the Owner must have provided at least ten (10) days prior written notice of the date on which the investigation or inspection will occur to each Respondent which notice shall identify the Inspection Company preparing the Unit Report, the Unit and areas of the Unit to be investigated or inspected, and the date and time the investigation or inspection will occur. Each Respondent may attend the investigation or inspection, personally or through an agent.

#### 20.5.2. Obtain a Unit Report.

*The requirements related to the Unit Report set forth in this Section 20.5.2 are intended to provide assurance to the Claimant and Respondent that the substance and conclusions of the Unit Report and recommendations are not affected by influences that may compromise the professional judgment of the party preparing the Unit Report, and to avoid circumstances which would create the appearance that the professional judgment of the party preparing the Unit Report is compromised.*

Obtain a written independent third-party report for the Unit (the “Unit Report”) from an Inspection Company. The Unit Report must include: (i) a description with photographs of the Unit and portions of the Unit subject to the Unit Construction Claim; (ii) a description of the present physical condition of the Unit; (iii) a detailed description of any modifications, maintenance, or repairs to the Unit performed by the Owner or a third-party, including any Respondent; (iv) specific and detailed recommendations regarding remediation and/or repair of the Unit. For the purpose of subsection (iv) of the previous sentence, the specific and detailed recommendations must also include the specific process, procedure, materials, and/or improvements necessary and required to remediate and/or repair the deficient or defective condition identified in the Unit Report and the estimated costs necessary to effect such remediation and/or repairs. The estimate of costs required by the previous sentence shall be obtained from third-party contractors with an office located in Hays County, Texas, and each such contractor providing the estimate must hold all necessary or required licenses from the Texas Department of Licensing and Regulation or otherwise required by Applicable Law for the work to which the cost estimate relates.

The Unit Report must be obtained by the Owner. The Unit Report will not satisfy the requirements of this *Section 20.5.2* and is not an “independent” report if: (a) the Inspection Company has an arrangement or other agreement to provide consulting and/or engineering services with the law firm or attorney that presently represents the Owner or proposes to represent the Owner; (b) the costs and expenses for preparation of the Unit Report are not directly paid by the Owner to the Inspection Company no later than the date the Unit Report is finalized and delivered to the Owner; or (c) the law firm or attorney that presently represents the Owner or proposes to represent the Owner has agreed to reimburse (whether unconditional or

conditional and based on the satisfaction of requirements set forth in the Owner's agreement with the law firm or attorney) the Owner for the costs and expenses for preparation of the Unit Report. For avoidance of doubt, an "independent" report means that the Owner has independently contracted with the Inspection Company on an arms-length basis based on customary terms for the preparation of engineering reports and that the Owner will directly pay for the report no later than the date the Unit Report is finalized and delivered to the Owner.

20.5.3. Provide a Copy of Unit Report to all Respondents. Upon completion of the Unit Report, and in any event no later than three (3) days after the Owner has been provided a copy of the Unit Report, the Owner will provide a full and complete copy of the Unit Report to each Respondent. The Owner shall maintain a written record of each Respondent who was provided a copy of the Unit Report which will include the date the report was provided. The Unit Report shall be delivered to each Respondent by hand-delivery and to each Owner by mail.

20.5.4. Right to Cure Defects and/or Deficiencies Noted on Unit Report. Commencing on the date the Unit Report has been completed and continuing for a period of ninety (90) days thereafter, each Respondent shall have the right to: (i) inspect any condition identified in the Unit Report; (ii) contact the Inspection Company for additional information necessary and required to clarify any information in the Unit Report; and (iii) correct any condition identified in the Unit Report. As provided in *Section 3.11* above, the Declarant has an easement throughout the Property for itself, and its successors, assigns, architects, engineers, other design professionals, builders, and general contractors that may be utilized during such ninety (90) day period and any additional period needed thereafter to correct a condition identified in the Unit Report.

20.5.5. Common Element Construction Claim. Pursuant to *Section 20.4* above, a Unit Owner does not have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings for a Common Element Construction Claim. In the event that a court of competent jurisdiction or arbitrator determines that a Unit Owner does have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings for a Common Element Construction Claim, such Unit Owner shall be required, since a Common Element Construction Claim could affect all Owners, as a precondition to providing the Notice defined in *Section 20.6*, initiating the mandatory dispute resolution procedures set forth in this *Article 20*, or taking any other action to prosecute a Common Element Construction Claim, to comply with the requirements imposed by the Association in accordance with *Section 20.4.2* (Provide Notice of Inspection), *Section 20.4.3* (Obtain a Common Element Report), *Section 20.4.4* (Provide a Copy of Common Element Report to all Respondents and Owners), *Section 20.4.5* (Provide Right to Cure Defects and/or Deficiencies Noted on Common Element Report), *Section 20.4.6* (Owner Meeting and Approval), and *Section 20.6* (Notice).

20.6. Notice. Claimant must notify Respondent in writing of the Claim (the "Notice"), stating plainly and concisely: (i) the nature of the Claim, including date, time, location, persons

involved, and Respondent's role in the Claim; (ii) the basis of the Claim (*i.e.*, the provision of the Documents or other authority out of which the Claim arises); (iii) what Claimant wants Respondent to do or not do to resolve the Claim; and (iv) that the Notice is given pursuant to this *Section 20.6*. For Construction Claims governed by Chapter 27 of the Texas Property Code, the time period for negotiation in *Section 20.7* below, is equivalent to the sixty (60) day period under *Section 27.004* of the Texas Property Code. If a Construction Claim is subject to Chapter 27 of the Texas Property Code, the Claimant and Respondent are advised, in addition to compliance with *Section 20.7*, to comply with the terms and provisions of *Section 27.004* during such sixty (60) day period. *Section 20.7* does not modify or extend the time period set forth in *Section 27.004* of the Texas Property Code. Failure to comply with the time periods or actions specified in *Section 27.004* could affect a Construction Claim. The one hundred and twenty (120) day period for mediation set forth in *Section 20.8* below, is intended to provide the Claimant and Respondent with sufficient time to resolve the Claim in the event resolution is not accomplished during negotiation. If the Claim is not resolved during negotiation, mediation pursuant to *Section 20.8* is required without regard to the monetary amount of the Claim.

If the Claimant is the Association and for a Common Element Construction Claim, the Notice will also include: (a) a true and correct copy of the Common Element Report, and any and all other reports, studies, analyses, and recommendations obtained by the Association related to the Common Elements; (b) a copy of any Claim Agreement; (c) reasonable and credible evidence confirming that Members holding sixty-seven percent (67%) of the votes in the Association approved the law firm and attorney and the written agreement between the Association and the law firm and/or attorney in accordance with *Section 20.4.1*; (d) a true and correct copy of the special meeting notice provided to Members in accordance with *Section 20.4.6* above; and (e) reasonable and credible evidence confirming that Members holding sixty-seven percent (67%) of the votes in the Association approved providing the Notice. If the Claimant is not the Association and the Claim is a Unit Construction Claim, the Notice will also include a true and correct copy of the Unit Report.

**20.7. Negotiation.** Claimant and Respondent will make every reasonable effort to meet in person to resolve the Claim by good faith negotiation. Within sixty (60) days after Respondent's receipt of the Notice, Respondent and Claimant will meet at a mutually-acceptable place and time to discuss the Claim. If the Claim involves all or any portion of the Property, then at such meeting or at some other mutually-agreeable time, Respondent and Respondent's representatives will have full access to the Property that is subject to the Claim for the purposes of inspecting the Property.

**20.8. Mediation.** If the parties negotiate but do not resolve the Claim through negotiation within one hundred twenty (120) days from the date of the Notice (or within such other period as may be agreed on by the parties), Claimant will have thirty (30) additional days within which to submit the Claim to mediation under the auspices of a mediation center or individual mediator on which the parties mutually agree. The mediator must have at least five (5) years of experience serving as a mediator and must have technical knowledge or expertise

appropriate to the subject matter of the Claim. If Claimant does not submit the Claim to mediation within the thirty (30) day period, Respondent will submit the Claim to mediation in accordance with this *Section 20.8*. If the Parties do not settle the Claim within thirty (30) days after submission to mediation, Respondent or Claimant may initiate arbitration proceedings in accordance with *Section 20.9*.

20.9. **Binding Arbitration - Claims.** All Claims must be settled by binding arbitration. Claimant or Respondent may, by summary proceedings (e.g., a plea in abatement or motion to stay further proceedings), bring an action in court to compel arbitration of any Claim not referred to arbitration as required by this *Section 20.9*.

20.9.1. **Governing Rules.** If a Claim has not been resolved by mediation in accordance with *Section 20.8*, the Claim will be resolved by binding arbitration in accordance with the terms of this *Section 20.9* and the American Arbitration Association (the "AAA") Construction Industry Arbitration Rules and Mediation Procedures and, if applicable, the rules contained in the AAA Supplementary Procedures for Consumer Related Disputes, as each are supplemented or modified by AAA (collectively, the Construction Industry Arbitration Rules and Mediation Procedures and AAA Supplementary Procedures for Consumer Related Disputes are referred to herein as the "AAA Rules"). In the event of any inconsistency between the AAA Rules and this *Section 20.9*, this *Section 20.9* will control. Judgment upon the award rendered by the arbitrator shall be binding and not subject to appeal, but may be reduced to judgment in any court having jurisdiction. Notwithstanding any provision to the contrary or any applicable rules for arbitration, any arbitration with respect to Claims arising hereunder shall be conducted by a panel of three (3) arbitrators, to be chosen as follows: (i) one (1) arbitrator shall be selected by the Respondent, in its sole and absolute discretion; (ii) one (1) arbitrator shall be selected by the Claimant, in its sole and absolute discretion; and (iii) one (1) arbitrator shall be selected by mutual agreement of the arbitrators having been selected by Respondent and the Claimant, in their sole and absolute discretion.

20.9.2. **Exceptions to Arbitration; Preservation of Remedies.** No provision of, nor the exercise of any rights under, this *Section 20.9* will limit the right of Claimant or Respondent, and Claimant and Respondent will have the right during any Claim, to seek, use, and employ ancillary or preliminary remedies, judicial or otherwise, for the purposes of realizing upon, preserving, or protecting upon any property, real or personal, that is involved in a Claim, including, without limitation, rights and remedies relating to: (i) exercising self-help remedies (including set-off rights); or (ii) obtaining provisions or ancillary remedies such as injunctive relief, sequestration, attachment, garnishment, or the appointment of a receiver from a court having jurisdiction before, during, or after the pendency of any arbitration. The institution and maintenance of an action for judicial relief or pursuit of provisional or ancillary remedies or exercise of self-help remedies shall not constitute a waiver of the right of any party, to submit the Claim to arbitration nor render inapplicable the compulsory arbitration provisions hereof.

20.9.3. Statute of Limitations. All statutes of limitations that would otherwise be applicable shall apply to any arbitration proceeding under this *Section 20.9*.

20.9.4. Scope of Award; Modification or Vacation of Award. The arbitrator shall resolve all Claims in accordance with the Applicable Law. The arbitrator may grant any remedy or relief that the arbitrator deems just and equitable and within the scope of this *Section 20.9* and subject to *Section 20.10*; **provided, however, attorney's fees and costs may not be awarded by the arbitrator to either Claimant or Respondent.** In addition, for a Construction Claim, or any portion of a Construction Claim governed by Chapter 27 of the Texas Property Code, or any successor statute, in no event shall the arbitrator award damages which exceed the damages a Claimant would be entitled to under Chapter 27 of the Texas Property Code, **except that the arbitrator may not award attorney's fees and/or costs to either Claimant or Respondent.** In all arbitration proceedings, the arbitrator shall make specific, written findings of fact and conclusions of law. In all arbitration proceedings the parties shall have the right to seek vacation or modification of any award that is based in whole, or in part, on: (i) factual findings that have no legally or factually sufficient evidence, as those terms are defined in Texas law; (ii) conclusions of law that are erroneous; (iii) an error of Applicable Law; or (iv) a cause of action or remedy not expressly provided under Applicable Law. **In no event may an arbitrator award speculative, special, exemplary, treble or punitive damages for any Claim.**

20.9.5. Other Matters. To the maximum extent practicable, an arbitration proceeding hereunder shall be concluded within one hundred and eighty (180) days of the filing of the Claim for arbitration. Arbitration proceedings hereunder shall be conducted in Hays County, Texas. Unless otherwise provided by this *Section 20.9*, the arbitrator shall be empowered to impose sanctions and to take such other actions as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the Texas Rules of Civil Procedure and Applicable Law. Claimant and Respondent agree to keep all Claims and arbitration proceedings strictly confidential, except for disclosures of information required in the ordinary course of business of the parties or by Applicable Law. In no event shall Claimant or Respondent discuss with the news media or grant any interviews with the news media regarding a Claim or issue any press release regarding any Claim without the written consent of the other parties to the Claim.

20.10. Allocation of Costs. Notwithstanding any provision in this Declaration to the contrary, each Party bears all of its own costs incurred prior to and during the proceedings described in the Notice, Negotiation, Mediation, and Arbitration sections above, including its attorney's fees. Respondent and Claimant will equally divide all expenses and fees charged by the mediator and arbitrator.

20.11. General Provisions. A release or discharge of Respondent from liability to Claimant on account of the Claim does not release Respondent from liability to persons who are not party to Claimant's Claim.

## 20.12. Period of Limitation.

20.12.1. For Actions by an Owner or Occupant of a Unit. The exclusive period of limitation for any of the Parties to bring any Claim shall be the earliest of: (i) for a Construction Claim, two (2) years and one (1) day from the date that the Owner or Occupant discovered or reasonably should have discovered evidence of the Construction Claim; (ii) for Claims other than Construction Claims, four (4) years and one (1) day from the date that the Owner or Occupant discovered or reasonably should have discovered evidence of the Claim; or (iii) the applicable statute of limitations for such Claim. In the event that a court of competent jurisdiction determines that a Unit Owner does have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings for a Common Element Construction Claim, the exclusive period of limitation for such Common Element Construction Claim, shall be the earliest of: (a) two (2) years and one (1) day from the date that the Owner or the Association discovered or reasonably should have discovered evidence of the Common Element Construction Claim; or (b) the applicable statute of limitations for the Common Element Construction Claim. In no event shall this *Section 20.12.1* be interpreted to extend any period of limitations.

20.12.2. For Actions by the Association. The exclusive period of limitation for the Association to bring any Claim shall be the earliest of: (i) for a Common Element Construction Claim, two (2) years and one (1) day from the date that the Association or its manager, board members, officers, or agents discovered or reasonably should have discovered evidence of the Common Element Construction Claim; (ii) for Claims other than a Common Element Construction Claim, four (4) years and one (1) day from the date that the Association or its manager, board members, officers, or agents discovered or reasonably should have discovered evidence of the Claim; or (iii) the applicable statute of limitations for such Claim. In no event shall this *Section 20.12.2* be interpreted to extend any period of limitations.

20.13. Funding the Resolution of Claims. The Association must levy a Special Assessment to fund estimated costs to resolve a Construction Claim pursuant to this *Article 20*. The Association may not use its annual operating income or reserve funds to fund the costs to resolve a Construction Claim unless the Association has previously established and funded a dispute resolution fund

## 20.14. Claims involving a Master Entity.

20.14.1. For the purposes of this *Section 20.14*, the term “**Master Entity**” or collectively, the term “**Master Entities**”, shall mean any and all of, as applicable, the Master Declarant, the Master Board, the Master Association, the Master Declarant acting in the capacity of the Plum Creek Reviewer, or a Person serving as a director or officer of the Master Association or as an agent of the Master Declarant acting in the capacity of the Plum Creek Reviewer, or any employee or agent working for such Master Entity.

20.14.2. For any claims (i) relating to the rights or duties of any Master Entity under the Master Plan Documents, (ii) relating to the acts or omissions of the Master Declarant or the Master Board during its control and administration of the Master Association, (iii) relating to any claim asserted against the Master Declarant acting in its capacity as the Plum Creek Reviewer, (iv) relating to the acts or omissions of a Master Entity, or (v) to be asserted against a Master Entity relating to the design, construction, repair, or alteration of any Improvement located within, serving, or forming a part of the Development, as such term is defined under the Master Declaration (each hereinafter to be referred to individually as a “**Master Claim**” or collectively as the “**Master Claims**”), the following provisions shall apply:

(i) Right to Cure Defects and/or Deficiencies. The Master Entity shall be provided written notice of the Master Claim (the “**Master Claim Notice**”) and shall have the right to cure such Master Claim within thirty (30) days of receipt of the Master Claim Notice. In the case where a Master Claim cannot with due diligence be cured within such thirty (30) day period, the Master Entity shall have the right to continue to proceed to cure the condition which gave rise to the Master Claim so long as such cure is performed with all due diligence.

(ii) Negotiation. If the Master Claim cannot be cured within the time period provided in Section 20.14.2 (i), the Master Entity and the party asserting the Master Claim will make every reasonable effort to meet in person to resolve the Master Claim by good faith negotiation (“**Negotiation**”).

(iii) Mediation. If the parties negotiate but do not resolve the Master Claim through Negotiation within thirty (30) days from the date the Negotiation commences (or within such other period as may be agreed on by the parties), any of the Master Entity or the party asserting the Master Claim will have thirty (30) additional days within which to submit the Master Claim to mediation under the auspices of a mediation center or individual mediator on which the parties mutually agree. The mediator must have at least five (5) years of experience serving as a mediator and must have technical knowledge or expertise appropriate to the subject matter of the Master Claim. If the parties do not settle the Master Claim within thirty (30) days after submission to mediation, any of the parties shall have the right to pursue any remedies the parties may have in law or in equity.

### GUIDE TO THE ASSOCIATION'S EXAMINATION OF COMMON ELEMENTS AND AREA OF COMMON RESPONSIBILITY

This Guide provides information to assist the Board in conducting an annual examination of the Common Elements and Area of Common Responsibility for the purpose of maintaining replacement and repair reserves at a level that anticipates the scheduled replacement or major repair of components of the General Common Elements and the Area of Common Responsibility maintained by the Association. The annual examination is required by *Section 9.4* of the Declaration and is a necessary prerequisite to establishing sufficient reserves as required by *Section 6.12* of the Declaration. Additional information on conducting the examination may be obtained from the Community Associations Institute and their publication, *The National Reserve Study Standards of the Community Associations Institute*. See [www.caionline.org](http://www.caionline.org). In addition, the Community Associations Institute provides certification for qualified preparers of reserve studies, known as a "Reserve Professionals Designation" (R.S.). Neither this Declaration nor current law requires that the Board engage an individual holding a Reserve Professional Designation for the purpose of conducting the annual examination of the Common Elements. Because laws and practices change over time, the Board should not use this Guide without taking into account applicable changes in law and practice.

#### Developing a Plan

In developing a plan, the age and condition of Common Elements and the Area of Common Responsibility maintained by the Association must be considered. The possibility that new types of material, equipment, or maintenance processes associated with the repair and/or maintenance of Common Elements and the Area of Common Responsibility should also be taken into account. The individual or company who prepares the examination calculates a suggested annual funding amount and, in doing so, may consider such factors as which components are included, estimated replacement costs of the components, useful lives of the components, inflation, and interest on reserve account balances or other earnings rates. Annual contributions to the replacement fund from annual assessments are based on this examination or reserve study. A reserve study generally includes the following:

- Identification and analysis of each major component of Common Elements and the Area of Common Responsibility maintained by the Association
- Estimates of the remaining useful lives of the components
- Estimates of the costs of replacements or repairs
- A cash flow projection showing anticipated changes in expenditures and contributions over a time period generally ranging between 20 and 30 years
- The "Funding Goal" which is generally one of the following:

- Component Full Funding: Attaining, over a period of time, and maintaining, once the initial goal is achieved, a cumulative reserve account cash balance necessary to discharge anticipated expenditures at or near 100 percent; or
- Threshold Funding: Maintaining the reserve account cash balance above a specified dollar or percent funded amount.

Note that Threshold Funding will increase the likelihood that special assessments will be required to fund major repairs and replacements. For example, one study has shown that a Threshold Funding goal of 40 to 50% results in an 11.2% chance that the Association will be unable to fund repairs and replacement projects in the next funding year. See "Measuring the Adequacy of Reserves", *Common Ground*, July/August 1997. The same study found that Component Full Funding reduces this likelihood to between .09 and 1.4%.

#### **Finding Common Element and Area of Common Responsibility Component Replacement Information**

Common Element and Area of Common Responsibility component replacement information may be obtained from contractors, suppliers, technical specialists, "Reserve Study" specialist or from using tables in technical manuals on useful lives of various components. As provided in *Section 9.4* of the Declaration, the Board must reevaluate its funding level periodically based upon changes to the Common Elements and Area of Common Responsibility as well as changes to replacement costs and component conditions. The specific components of Common Elements include, but are not limited to roads, recreational facilities, and furniture and equipment owned or maintained by the Association. The specific components of the Area of Common Responsibility include components of Units designated, from time to time, to be maintained, repaired, and replaced by the Association. Components covered by maintenance contracts may be excluded if the contracts include maintenance and replacement of the components. The Board must also include within their overall budget a deferred maintenance account for those components requiring periodic maintenance which does not occur annually. Typically, the deferred maintenance account would include such components as painting, staining, and caulking.

## APPENDIX "A"

### DECLARANT RESERVATIONS

#### A.1. General Provisions.

A.1.1. Introduction. Declarant intends the Declaration to be perpetual and understands that provisions pertaining to the initial development, construction, marketing, and control of the Property will become obsolete when Declarant's role is complete. As a courtesy to future users of the Declaration, who may be frustrated by then-obsolete terms, Declarant is compiling certain Declarant-related provisions in this Appendix.

A.1.2. General Reservation and Construction. Notwithstanding other provisions of the Documents to the contrary, nothing contained therein may be construed to, nor may any mortgagee, other Owner, or the Association, prevent or interfere with the rights contained in this Appendix which Declarant hereby reserves exclusively unto itself and its successors and assigns. In case of a conflict between this Appendix "A" and any other Document, this Appendix "A" controls. This Appendix may not be amended without the prior written consent of Declarant. The terms and provisions of this Appendix must be construed liberally to give effect to Declarant's intent to protect Declarant's interests in the Property.

A.1.3. Purpose of Development and Declarant Control Periods. This Appendix gives Declarant certain rights during the Development Period and Declarant Control Period to ensure a complete and orderly sellout of the Property, which is ultimately for the benefit and protection of Owners and mortgagees. The "**Development Period**", as specifically defined in the *Section 1.18* of the Declaration, means the seven (7) year period beginning on the date this Declaration is Recorded, unless such period is earlier terminated by Declarant's Recordation of a notice of termination. Declarant Control Period is defined in *Section 1.15* of the Declaration.

A.2. Declarant Control Period Reservations. For the benefit and protection of Owners and Mortgagees, and for the purpose of ensuring a complete and orderly build-out and sellout of the Property, Declarant will retain control of the Association, subject to the following:

A.2.1. Appointment of Board and Officers. Declarant may appoint, remove, and replace any officer or director of the Association, none of whom need be Members or Owners, and each of whom is indemnified by the Association as a "Leader," subject to the following limitations: (i) within one hundred and twenty (120) days after fifty percent (50%) of the total number of Units that may be created have been conveyed to Owners other than Declarant, at least one-third of the Board must be elected by the Owners other than Declarant; and (ii) within one hundred and twenty (120) days after seventy-five percent (75%) of the total number of Units that may be created have been conveyed to

APPENDIX "A" - P. 1

DECLARATION OF CONDOMINIUM REGIME  
1880 AT PLUM CREEK CONDOMINIUMS

Owners other than Declarant, all Board members must be elected by all Owners, including the Declarant.

A.2.2. Obligation for Assessments. For each Unit owned by Declarant, Declarant is liable for Special Assessments, Utility Assessments, Individual Assessments, Deficiency Assessments, and Master Assessments in the same manner as any Owner. Regarding Regular Assessments, Declarant at Declarant's option may support the Association's budget by either of the following methods: (i) Declarant will pay Regular Assessments on each Declarant owned Unit in the same manner as any Owner; or (ii) Declarant will assume responsibility for the difference between the Association's actual operational expenses as they are paid and the Regular Assessments received from Owners other than Declarant. **On the earlier to occur of three (3) years after the first conveyance of a Unit by the Declarant or termination of the Declarant Control Period, Declarant must begin paying Assessments on each Declarant owned Unit.**

A.2.3. Obligation for Reserves. During the Declarant Control Period, neither the Association nor Declarant may use the Association's working capital or reserve funds to pay operational expenses of the Association.

A.2.4. Common Elements. At or prior to termination of the Declarant Control Period, if title or ownership to any Common Element is capable of being transferred, Declarant will convey title or ownership to the Association. At the time of conveyance, the Common Element will be free of encumbrance except for the property taxes, if any, accruing for the year of conveyance. Declarant's conveyance of title or ownership is a ministerial task that does not require and is not subject to acceptance by the Association or the Owners.

A.3. Development Period Rights. Declarant reserves the following rights during the Development Period:

A.3.1. Annexation. The Property is subject to expansion by phasing for up to seven (7) years from the date this Declaration is Recorded. During the Development Period, Declarant may annex additional property into the Regime, and subject such property to this Declaration and the jurisdiction of the Association by Recording an amendment or supplement of this Declaration, executed by Declarant, in the Official Public Records of Hays County, Texas.

A.3.2 Creation of Units. When created, the Property contains eighteen (18) Units; however, Declarant reserves the right to create up to and including one hundred twenty-nine (129) Units upon full buildout of all phases of the project which may include land added by the Declarant in accordance with *Section 2.3* of the Declaration. Declarant's right to create Units is for a term of years and does not require that Declarant own a Unit within

the Property at the time or times Declarant exercises its right of creation. The instrument creating additional units must include a revised schedule of allocated interests.

A.3.3. Changes in Development Plan. During the Development Period, Declarant may modify the initial development plan to respond to perceived or actual changes and opportunities in the marketplace. Modifications may include, without limitation, the subdivision or combination of Units, changes in the sizes, styles, configurations, materials, and appearances of Units, and Common Elements. Notwithstanding the foregoing provisions, "Improvements", as such term is defined in the Master Declaration, must be approved in advance and in writing by the Plum Creek Reviewer.

A.3.4. Architectural Control. During the Development Period, Declarant has the absolute right of architectural control.

A.3.5. Transfer Fees; Fines and Penalties. Declarant will not pay transfer-related and resale certificate fees. Declarant will not pay to the Association any late fees, fines, administrative charges, or any other charge that may be considered a penalty.

A.3.6. Website & Property Name. Declarant has the unilateral right to approve or disapprove uses of any website purporting to serve the Property or the Association, all information available on or through the Property website, if any, and all uses of the property name by the Association.

A.3.7. Statutory Development Rights. As permitted by the Act, Declarant reserves the following Development Rights which may be exercised during the Development Period: (i) to add real property to the Regime; (ii) to create and modify Units, General Common Elements, and Limited Common Elements within the Property; (iii) to subdivide Units or convert Units into Common Elements; and (iv) to withdraw from the Property any portion of the real property marked on the Plat and Plans as "Development Rights Reserved" or "Subject to Development Rights," provided that no Unit in the portion to be withdrawn has been conveyed to an Owner other than Declarant.

A.3.8. Amendment. During the Development Period, Declarant may amend this Declaration and the other Documents, without consent of other Owners or any Mortgagee, for the following purposes:

- (i) To meet the requirements, standards, or recommended guidelines of an Underwriting Lender to enable an institutional or governmental lender to make or purchase mortgage loans on the Units.
- (ii) To correct any defects in the execution of this Declaration or the other Documents.

- (iii) To add real property to the Property, in the exercise of statutory Development Rights.
- (iv) To modify and/or create Units, General Common Elements, and Limited Common Elements within the Property, in the exercise of statutory Development Rights.

- (vi) To withdraw from the Property any portion of the real property marked on the Plat and Plans as "Development Rights Reserved" or "Subject to Development Rights" in the exercise of statutory Development Rights.
- (vii) To resolve conflicts, clarify ambiguities, and to correct misstatements, errors, or omissions in the Documents.
- (viii) To change the name or entity of Declarant.

**A.4. Special Declarant Rights.** As permitted by the Act, Declarant reserves the following described Special Declarant Rights, to the maximum extent permitted by Applicable Law, which may be exercised, where applicable, anywhere within the Property during the Development Period:

- A.4.1. The right to complete or make Improvements indicated on the Plat and Plans.
- A.4.2. The right to exercise any Development Right permitted by the Act and this Declaration.

- A.4.5. For purposes of promoting, identifying, and marketing the Property, Declarant reserves an easement and right to place or install signs, banners, flags, display lighting, potted plants, exterior decorative items, seasonal decorations, temporary window treatments, and seasonal landscaping on the Property, including items and locations that are prohibited to other Owners and Occupants. Declarant reserves

an easement and right to maintain, relocate, replace, or remove the same from time to time within the Property. Declarant also reserves the right to sponsor marketing events – such as open houses, MLS tours, and broker parties – at the Property to promote the sale of Units.

A.4.6. Declarant has an easement and right of ingress and egress in and through the Common Elements and Units owned or leased by Declarant for purposes of constructing, maintaining, managing, and marketing the Property, and for discharging Declarant's obligations under the Act and this Declaration.

A.5.3. The right of entry and access to all Units to perform warranty-related work, if any, for the benefit of the Unit being entered, adjoining Units, or Common Elements. Requests for entry must be made in advance for a time reasonably convenient for the Owner who may not unreasonably withhold consent.

A.5.4. An easement and right to make structural changes and alterations on Common Elements and Units used by Declarant as models and offices, as may be necessary to adapt them to the uses permitted herein. Declarant, at Declarant's sole expense, will restore altered Common Elements and Units to conform to the architectural standards of the Property. The restoration will be done no later than one hundred and twenty (120) days after termination of the Development Period.

A.5.5. An easement over the entire Property, including the Units, to inspect the Common Elements and all Improvements thereon and related

thereto to evaluate the maintenance and condition of the Common Elements.

- A.5.6. The right to provide a reasonable means of access and parking for prospective Unit purchasers in connection with the active marketing of Units by Declarant.

A.6. **Common Elements.** Because the Common Elements are owned by the Owners, collectively and in undivided interest, the Common Elements are not capable of being separately conveyed. The transfer of control of the Association at the end of the Declarant Control Period is not a transfer of the ownership of the Common Elements. Because ownership of the Common Elements is not conveyed by Declarant to the Association, there is no basis for the popular misconception that Owners may “accept” or “refuse” the Common Elements.

A.7. **Subject to Master Plan Documents.** Notwithstanding anything to the contrary herein, Declarant’s rights and reservations hereunder are subject to the terms and provisions the Master Plan Documents to the extent the Master Plan Documents require the consent of the Declarant or the Plum Creek Reviewer prior to the Declarant’s exercise of any such rights or reservations.
