RESIDENT SELECTION AND QUALIFICATION CRITERIA

To assist you with your decision on your new home, we are providing a list of guidelines used to qualify applicants for residency in our communities. MBM follows specific resident selection and qualification criteria for each property it manages, which may vary from property to property based on different HUD, tax credit, state, local, or other requirements applicable to the project. You may read or review a copy of the applicable Resident Selection Plan and Qualification Criteria for this property at our office or request a copy from the manager to take with you. Nothing contained in these requirements shall constitute representation by McCormack Baron Management (MBM) that all residents and occupants currently residing in our community have met or currently meet these guidelines. Our policy is to require everyone over 18 to be a leaseholder and therefore, must be approved as a leaseholder. We make very limited exceptions. Qualification standards include but are not limited to the following criteria.

The resident selection procedure applies to all adult applicants expected to reside in the household. This also includes all persons who become members of the household during occupancy. Eligibility criteria are required elements that cannot be mitigated. In accordance with the attached documentation, screening criteria may be eligible for mitigation.

ELIGIBILITY CRITERIA

I. INCOME

Maximum income limits may apply on certain units. See Appendix B for specific limits.

Minimum Income Requirement

- Applicants must show proof of ability to pay rent. Income will be verified on all applicants 18 years of age and older, without regard to the source of income (i.e., social security income, vouchers, or other sources of income will be considered)
- Applicants must have a combined verifiable income in an amount in accordance with current community guidelines no less than 2.5 times the non-subsidy portion of the rental rate. If an applicant has no income, a guarantor (if applicable) must be obtained, or the applicant may be conditionally denied.
- All income must be verifiable, regardless of the source of income.

II. Age

- The age restriction for this property is N/A

SCREENING CRITERIA

All applicants for admission to any unit who meet the income eligibility requirements must satisfy certain screening criteria after consideration of applicable mitigating circumstances, if any, unless otherwise specified. Specific lookback periods for screening criteria will be outlined in Appendix A if applicable.

III. RENTAL HISTORY

The following outlines some of the criteria that may result in a conditional denial:

- Failure to provide written rental verification.
- Evictions and foreclosures within the last 5 years.
- Unpaid judgments, rent, and/or damages owed to prior landlords will result in a conditional denial.
- Misrepresentation: willful or serious misrepresentation in the application procedure for the apartment or certification process for any apartment.

Gary, IN 46403
Office Phone no.: (219)939-9551

- Applicants must be in good standing with all Housing Authorities.

Note: Rental history will be reviewed. Manager will evaluate past performance of financial obligations, including references from landlords.

IV. CREDIT HISTORY

The following outlines some of the criteria that may result in a conditional denial:

- Outstanding landlord debt
- Collections
- Civil judgments

Note: Our credit reporting agency evaluates credit and rental history against indicators of future rental payment performance. An unsatisfactory finding may result in the requirement of an additional deposit, guarantor, or conditional denial. Medical collections or student loans will NOT affect your credit score calculation. No credit history will equal good credit history.

V. CRIMINAL HISTORY AND SAFETY

Housing providers must show that policies accurately distinguish between criminal conduct that indicates a demonstrable risk to resident safety and criminal conduct that does not. The following outlines some of the criteria that may result in a conditional denial:

- Certain criminal convictions depending on severity of crime and how recent the conviction.
- Reasonable cause to believe:
 - Any household member is currently engaging in illegal use of a drug.
 - A household member's illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.
- Records of disturbance of neighbors, destruction of property or other disruptive or dangerous behavior.
- Violent behavior
- Unsanitary or hazardous housekeeping

Note: Our investigation includes criminal background screening. It is possible your application may be conditionally denied due to criminal convictions or charges. Management reserves the right to require criminal background checks at each recertification/renewal.

MBM will consider exceptions to the general policy based upon the size of bedrooms/units, age of children, configuration of units, physical considerations, state/local law and other relevant factors.

h. Screening Commencement.

The Agent will commence acceptance of final applications for admission to PHA-Assisted Units, Other Tax Credit Units and Market Rate Units in the Property not later than 120 days prior to anticipated first availability of units for occupancy.

i. Screening Criteria for Applicants to PHA-Assisted Units, Other LIHTC Units and Market Rate Units.

In making any determination with respect to an applicant for admission to a PHA-Assisted Unit, Other LIHTC Unit or Market Rate Unit, the Agent shall not reject such applicant unless a preponderance of the information available with respect to such applicant demonstrates that such applicant, if admitted, would be likely to interfere with other residents in such a manner as to diminish their enjoyment of the premises, adversely affecting their health, safety or welfare, the physical environment, or the financial stability of the Property. Relevant information respecting habits or practices to be considered for each applicant in making such determinations is as follows:

- (a) An applicant's past performance in meeting financial obligations, especially rent, will be considered in determining if there is an unreasonable risk that such applicant will not fulfill its rent obligations. Factors to be considered are as follows:

- (i) Consistent record of timely rent payment during the last three years;
 - (ii) No material (exceeding \$350) reported delinquent consumer debt balances (excluding medical bills and student loans) within three months of date of application or written off within one year of date of application; and
 - (iii) No history or pattern of substantial past due consumer debts within the last 18 months with balances older than six months;
- (b) Criminal record check by Agent, as allowable by law with respect to all adult applicants for occupancy in the Property, showing no record of past criminal activity in those areas listed below. Probation, parole, or incarceration time is added to each time period included below. On a case-by-case basis, Agent may consider additional unfavorable criminal activity in determining whether such applicant passes the screening criteria, if such past criminal conduct is deemed to pose a risk to other families.
- (i) No record of conviction for manufacturing drugs within the last ten years;
 - (ii) No record of conviction for distributing drugs within the last ten years;
 - (iii) No record of conviction for drug possession within last five years;
 - (iv) No record of conviction for the last ten years for a crime against a person;
 - (v) No record of a conviction for the last ten years for a crime against property, or for concealed weapons possession; and
 - (vi) No record of conviction for murder, attempted murder, rape or attempted rape, manufacturing methamphetamines, assault on a law enforcement officer or a registered sex offender.
- (c) Declaration from head of household that all family members under 18 years of age have not been convicted of a crime classifying them as an adult. If this declaration cannot be made as to any member, the declaration will provide consent to the release of police information to the Agent for the purpose of verifying whether any such conviction for that family member exists. If such a consent shall not be sufficient to obtain release of such information to the Agent, the parent or guardian of such member

shall be required to obtain and submit such information to the Agent if such action is reasonably possible.

- (d) Satisfactory home visit to current applicant's home by representative of Agent. Home will be inspected, after notice of at least 48 hours, for cleanliness and evidence of acceptable living standard using a standard form for all visits included herein as Attachment 1. If the home visit is not possible because applicant lives outside the recognized metropolitan area, prior landlord references will be checked in lieu of the home visit.
- (e) Agent's check of residential of any applicant for the past three years.

j. Mitigating Circumstances.

In all instances where unfavorable information would cause an applicant family to fail to meet the screening criteria set forth above, best efforts will be made to obtain mitigating information from all available sources. Sources of information may include, but are not limited to, (by means of interview), landlord, employers, family social workers, parole officers, court records, drug treatment centers, clinics, physicians or police departments where warranted by particular circumstances and as allowable by law.

Consideration will be given to the time, nature, and extent of the applicant's conduct (including any reasonable explanation therefor) and to factors that might indicate a reasonable probability of favorable future conduct or financial prospects.

Other mitigating factors to be considered include the following:

- (a) Negative credit information can be mitigated through third party verification, including but not limited to a creditor, of each item that (i) there has been a payment plan and a timely payment history on such plan for the period during which such plan has been in effect (but not less than sixty days); or (ii) the applicant has disputed such debt and can provide verification of such dispute.
- (b) Record of unsuitable rental history or behavior can be mitigated if applicant can show evidence of rehabilitation or participation in rehabilitation. If the evidence relates to a change in medical condition, the Agent shall have the right to request further information or refer such information to persons qualified to evaluate such evidence.

- (c) Evidence of completion of rehabilitation or verification of current rehabilitation to mitigate history of one or more family members with drug or alcohol abuse;
- (d) Applicant's completion or family member's completion of a counseling and orientation program, conducted by the Agent and Housing Authority sanctioned program, with respect to a applicant's responsibility relating to the lease, the rules and regulations and other policies regarding management of the Property; and
- (e) Evidence by applicant and family members of willingness to attempt to increase family income, taking into account the availability of training or employment programs in their locality.

k. Selection.

The Agent will select for admission to any Unit in the Property for each family approved by the Agent, subject to unit availability in accordance with the site-based waiting list order and to final verification of income and other eligibility requirements described above.

l. Rejection.

An applicant shall be rejected for admission to a Unit if (i) the applicant fails to meet the income or other eligibility requirements described in section 2.5d, or the condition of section 2.5e, or (ii) the applicant was not approved for admission by the Agent, as the case may be, after consideration of mitigating circumstances.

The Agent will promptly notify a rejected applicant in writing of its rejection, stating the reason therefor and advising the applicant of its right to request a meeting within fourteen (14) days with a representative of the Agent, other than the individual who made the initial determination. If the applicant requests such a meeting, the Agent will give the applicant a reasonable opportunity prior to such meeting to review the information used by the Agent in reaching an adverse decision and will provide the applicant a final decision, in writing, within five (5) days following the applicant's meeting with the Agent.
