

## RESIDENT SELECTION AND QUALIFICATION CRITERIA

To assist you with your decision on your new home, we are providing a list of guidelines used to qualify applicants for residency in our communities. MBM follows specific resident selection and qualification criteria for each property it manages, which may vary from property to property based on different HUD, tax credit, state, local, or other requirements applicable to the project. You may read or review a copy of the applicable Resident Selection Plan and Qualification Criteria for this property at our office or request a copy from the manager to take with you. Nothing contained in these requirements shall constitute representation by McCormack Baron Management (MBM) that all residents and occupants currently residing in our community have met or currently meet these guidelines. Our policy is to require everyone over 18 to be a leaseholder and therefore, must be approved as a leaseholder. We make very limited exceptions. Qualification standards include but are not limited to the following criteria.

The resident selection procedure applies to all adult applicants expected to reside in the household. This also includes all persons who become members of the household during occupancy. Eligibility criteria are required elements that cannot be mitigated. In accordance with the attached documentation, screening criteria may be eligible for mitigation.

### ELIGIBILITY CRITERIA

#### I. INCOME

Maximum income limits may apply on certain units. See Appendix A for specific limits.

##### Minimum Income Requirement

- Applicants must show proof of ability to pay rent. Income will be verified on all applicants 18 years of age and older, without regard to the source of income (i.e., social security income, vouchers, or other sources of income will be considered)
- Applicants must have a combined verifiable income in an amount in accordance with current community guidelines no less than 2.5 times the non-subsidy portion of the rental rate. If an applicant has no income, a guarantor (if applicable) must be obtained, or the applicant may be conditionally denied.
- All income must be verifiable, regardless of the source of income.

#### II. Age

- The age restriction for this property is 62 and older

### SCREENING CRITERIA

All applicants for admission to any unit who meet the income eligibility requirements must satisfy certain screening criteria after consideration of applicable mitigating circumstances, if any, unless otherwise specified. Specific lookback periods for screening criteria will be outlined in Appendix A if applicable.

#### III. RENTAL HISTORY

The following outlines some of the criteria that may result in a conditional denial:

- Failure to provide written rental verification.
- Evictions and foreclosures within the last 5 years.
- Unpaid judgments, rent, and/or damages owed to prior landlords will result in a conditional denial.
- Misrepresentation: willful or serious misrepresentation in the application procedure for the apartment or certification process for any apartment.

- Applicants must be in good standing with all Housing Authorities.

*Note: Rental history will be reviewed. Manager will evaluate past performance of financial obligations, including references from landlords.*

---

#### **IV. CREDIT HISTORY**

The following outlines some of the criteria that may result in a conditional denial:

- Outstanding landlord debt
- Collections
- Civil judgments

*Note: Our credit reporting agency evaluates credit and rental history against indicators of future rental payment performance. An unsatisfactory finding may result in the requirement of an additional deposit, guarantor, or conditional denial. Medical collections or student loans will NOT affect your credit score calculation. No credit history will equal good credit history.*

---

#### **V. CRIMINAL HISTORY AND SAFETY**

Housing providers must show that policies accurately distinguish between criminal conduct that indicates a demonstrable risk to resident safety and criminal conduct that does not. The following outlines some of the criteria that may result in a conditional denial:

- Certain criminal convictions depending on severity of crime and how recent the conviction.
- Reasonable cause to believe:
  - Any household member is currently engaging in illegal use of a drug.
  - A household member's illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.
- Records of disturbance of neighbors, destruction of property or other disruptive or dangerous behavior.
- Violent behavior
- Unsanitary or hazardous housekeeping

*Note: Our investigation includes criminal background screening. It is possible your application may be conditionally denied due to criminal convictions or charges. Management reserves the right to require criminal background checks at each recertification/renewal.*
