Donuts with Dad!

*We "donut" know what we would do without those amazing dads out there!
Please join us Friday, June 16th in the office for Donuts with Dad!*

Sweet Treat Fridays!

We love our residents! As our way of saying thank you, we will be having sweet treats every Friday in the office during business hours.

Judah Brown Project Recap

Last month, we had the honor of hosting a Water Safety Course led by the incredible Judah Brown Project. The mission at JBP is to provide lifesaving education and training to families to help prevent children from drowning. They graciously came out and we are thankful to all of you who were able to participate in this amazing opportunity.
