Judah Brown Project

The mission at JBP is to provide lifesaving education and training to families to help prevent children from drowning. We are excited to partner with the group to host a pool safety event at the property on June 17th from 10 am- noon. They also provide scholarships for survival swim lessons and CPR training. As a community, we are raising funds to bring these life-saving skills to as many residents as possible. If you would like to donate, please scan the QR Code! In order to ensure that your donations go to benefit our property, please put "BDI" in the comments section
