# MOVING IN

## Freight Elevator Reservation

Studio, convertible and one bedroom apartments: 2 hours of moving time

Two bedroom and Three bedroom apartments: 3 hours of moving time

Penthouse apartments: 3 hours of moving time

\*Please email the Leasing & Management office to reserve the freight elevator with your preferred move in date and preferred time so we can schedule your move in accordingly.

## Renter's Insurance

Renter's insurance is suggested for every occupied apartment and is the responsibility of the resident(s). All residents must be listed on the renter's insurance policy with a minimum liability coverage of \$100,000, per occurrence, and listing "352 N Union Chicago LLC" as an interested party on the policy.

We work closely with Resident Shield. You may purchase your renter's insurance policy by going to [www.residentshield.com](http://www.residentshield.com). Once you have purchased your policy through Resident Shield they will forward your policy to the property automatically.

However, you are more than welcome to use an insurance provider of your choice. If you choose to use a different provider than Resident Shield it will be your responsibility to provide the Leasing & Management office with a copy of your renter's insurance policy.

Residents of Affordable Rental Ordinance (ARO) units have the option to waive the liability waiver provided by the property management and obtain their own renters insurance policy. Prior to move-in, ARO residents choosing to carry their own renter's insurance policy must submit a copy of the policy to the property management. Failure to comply may result in lease cancellation or termination.

## Internet

Everywhere wireless is now Zentro Internet. Zentro is an Internet Service Provider that specializes in Apartment and Condominium deployments. They empower our customers with remarkably fast, exceptionally reliable Internet service, delivering it with an unbeatable uptime and uncommonly responsive customer support. Internet bills will be billed by the service provider to us and then allocated to you at the rate of \$65.00 per month. They can be reached at [support@zentrointernet.com](mailto:support@zentrointernet.com).

The provision of inclusive Internet services is optional for tenants residing in ARO units. Tenants must exclusively utilize the designated Internet service provider assigned for the building. The use of alternative Internet services is strictly prohibited. Failure to abide by the rules outlined in this policy may result in penalties. Such penalties could include financial consequences or, in severe cases, lease termination.

## Electricity

All apartments are individually sub-metered. Residents are responsible for setting up their electricity by calling Common Wealth Edison. Once an account has been established please make sure you are given your account number as this will need to be provided to the Leasing & Management office on or before your move-in day.

Common Wealth Edison (ComEd): (800) 334-7661

## Direct TV

To set up your Direct TV account, please visit [www.directtv.com](http://www.directtv.com) or call at 855-668-8184.

## Water, Sewage, Trash and Gas

Water, sewer, trash, and gas are all posted in arrears on your resident portal ledger. All utilities minus trash and electricity are charged in accordance with the occupancy and square footage of your apartment, as well as usage and supply throughout the building.

Trash is a variable cost that is split up between all the residents that reside in the building.

Utility Smart is our third-party provider that does the billing for all Onni Properties.

## Schedule Pick-up Appointment for Fobs/Keys/Garage Opener and Apartment Inspection

It is important that you schedule your Fob and mailbox keys pick-up appointment with the Leasing & Management office as soon as your lease agreement is signed. At this time, we will perform an apartment inspection with you to ensure your apartment is in move-in ready condition. Upon receiving Fob/keys you must provide your ComEd account number to the Leasing & Management office and have paid all move-in monies 48 hours in advance. Fob replacements are \$100 and mailbox key replacements are \$25.

## Inventory & Condition Form

The apartment is move-in ready and brand new. Please fill out the inventory & condition form and note any imperfections, sign, and return this form within 48 hours of moving in. If this form is not returned within 48 hours, then we will deem the apartment in good condition and any alterations/damages made to the apartment during the lease contract will be the responsibility of the leaseholder(s) to repair.

## Intercom

Intercom access will be available for all residents to use from the 354 N Union entrance. Any guest may call directly to a resident and be allowed access to the lobby and floor that the resident lives on. This includes delivery drivers as well! Additionally, we are excited to offer the **Mosino Intercom App** which allows residents to see pictures of who is calling, send guest passes to guests & can be used as a Bluetooth key for all designated doors in the building. **PLEASE NOTE THE BLUETOOTH KEY HAS A COST OF \$100.** Other functionalities of the app are included for resident use. Renewal cost is \$25 per lease term.

# RENT PAYMENT

## How to Make a Payment

Here at Onni Fulton Market we pride ourselves on being as paperless as possible. With that being said, we have made it extremely easy to make all payments through our RentCafe mobile APP. You can download the RentCafe APP on your mobile device, using your username and password you created when filling out your online application, to make an online payment.

You can also make an online payment through the Resident Portal directly through our website, [www.onnifultonmarket.com](http://www.onnifultonmarket.com), and clicking on "Resident Login" at the bottom of the page. You will use the username and password you created when filling out your online application.

If two payments fail to settle due to non-sufficient funds, we will permanently disable the online payment portal. We reserve the right to require any payments to be made via cashier's check or money order at our discretion.

## Due Date

Rent is due on the 1st of every month and is considered late at 5 pm on the 5th of the month.

## Late Fee Calculation

If the resident fails to pay rent on time, the landlord may charge a late fee of \$10.00 per month on rents under \$500 plus 5 percent per month on that part of the rent that exceeds \$500.00 (i.e., for a \$450.00 monthly rent the late fee is \$10.00, for a \$2,500 monthly rent the late fee is \$10 plus 5% of \$2,000.00 or \$110.00 total).

# RESIDENT REFERRAL PROGRAM

## TRASH AND RECYCLING PROGRAM

Here at Onni Fulton Market we strive to be as green and earth friendly as possible. This will take a collaborated effort not only from our onsite team members but also from our residents. There is a trash chute located on every floor directly next to the elevators. It is very important that we all separate our trash from our recyclables. To make this process easier for everyone, there is a trash and recycle button directly above the trash chute door. By selecting either, Trash or Recycling, this will allow for proper separation once it gets to the ground floor. You will be charged additionally for oversized trash according to the size.

Please bring all items that may be too large for the chute, including boxes, down to the ground floor trash room, located in the loading dock. The Concierge will be more than happy to assist with opening the trash room for proper disposal of these items.

- Swing by the Concierge desk and speak to an onsite team member.
- It is our commitment to have your maintenance request completed within 24 hours of being submitted.

### How to Submit an Emergency Request

There are unfortunate mishaps that may occur in your home that we will need to take immediate action on. Below are just a few emergency situations that will require immediate attention. Please contact the concierge at (312) 756-8010 immediately for emergencies.

- Toilet, sink and/or bathtub overflow
- Clogged drains
- Heat and or Air Conditioning unit malfunction
- Appliance malfunction such as refrigerator or freezer
- Apartment front door lock failure
- Water intrusion from the ceiling, walls or floor
- Lockouts (1st lockout no charge, \$75 charge thereafter during non-office hours)

# HOUSINGKEEPING RECOMMENDATIONS

## Flooring

- Dust-mop (with a non-treated, clean mop) or vacuum floors regularly to remove loose soil and fine dust particles that can scratch floors.
- Wipe up spills on floors immediately with cloth or sponge.
- Never use wet mops, highly acidic or alkaline cleaners, jet spray cleaners or steam cleaners, non-recommended commercial floor cleaners or polishes, or treated mops that have been used to clean other floors or furniture.
- Place felt floor-protector pads on furniture feet and protect your floor from hard castors on moveable furniture. We highly recommend BONA products.
- High heels and pet nails can cause permanent indentation in floor surfaces. Use caution when wearing high heels and keep pets' nails trimmed.
- 70% to 80% of dirt on the floors in your home is tracked in from the outside. One square yard of matting can capture one pound of soil. Use entry-way (non-skid, cotton) mats to capture tracked-in dirt and soil, and clean them regularly. Rubber or fiber-backed mats may stain or scratch the floor finish.

## Terrazzo Shower Base Flooring

You will want to use a mild abrasive cleaner such as Comet or Soft Scrub. No products with any acid what so ever should be used. This will eventually pit the base and then resurfacing must be done. No sealer is recommended.

## Granite Countertops

We would like to recommend cleaning all granite surfaces with a few drops of neutral cleaner, granite stone soap such as, Granite Gold, Daily Cleaner, or a mild liquid dishwashing detergent and warm water. Use a clean soft cloth for best results. Too much cleaner or soap may leave a film and cause streaks. Please refrain from using products that contain lemon, vinegar, or other acids. Rinse the surface thoroughly after washing with the soap solution and dry with a soft cloth. Do not use scouring powders or creams; these products contain abrasives that may scratch the surface.

## Other

Please make sure to clean the lip of your washing machine. If this is not clean upon moving out there will be a fee.

The bathroom vent works in sync with the circulation of air throughout the entire building. When you turn it on manually, it will open a vent to soak up all the moisture. It is very silent, but it does work.

- Please do not put peels, pasta, rice, grinds, or any fibrous material in the garbage disposal.
- Range hood filter – run through the dishwasher at least once per month to remove grease buildup.
- Plumbing sensitivity - do not flush anything other than toilet paper down the toilet. Do not flush wet wipes or makeup wipes as they will clog the pipes.

# BALCONY DO'S AND DON'TS

## GOOD NEIGHBOR ETIQUETTE

It is our goal to make your living experience beyond enjoyable and with your help we can make Onni Fulton Market an elevated living experience for you and your neighbors!

Quiet Hours: Please be considerate of your surrounding neighbors while listening to music or watching T.V. We ask that you limit the volume during the quiet hours of 10:00PM to 8:00AM.

Cooking in your home: Please be mindful when cooking with pungent ingredients as they may produce smells that can be invasive to your surrounding neighbors. Make sure to use proper ventilation while cooking as this will assist in alleviating strong cooking smells.

Pets in your home: As a pet(s) owner, you are fully responsible for any noise disturbance(s) caused by your animal(s). If you should need any assistance in pet sitting, feeding or walking, please do not hesitate to contact the Leasing & Management office as we would be more than happy to recommend a partnering company.

Smoke-Free community: Onni Fulton Market is a SMOKE-FREE community. Chicago's Clean Indoor Air Act prohibits smoking as well as "vaping" or the use of an e-cigarette, vape pen, or e-hookah in virtually all enclosed public places and apartment communities. Smoking in your apartment, all common areas, outdoor space, parking garage, stairwells, and within 15 feet of the main entrance is prohibited. Violators will be fined \$1,000.00 and will face possible lease termination.
