Name of person filling out survey:

Signature: _____ Date: _____

*Resident acknowledges everything stated is true to fact

*Residents are allowed to have a maximum of three (3) animals in your home, with no more than two (2) being a cat and/or dog. For animals other than a cat or dog, one (1) habitat (i.e., cage, aquarium) counts as one (1) pet.

*Resident agrees to participate in management's current or future programs associated with the privilege of animal/pet ownership, including but not limited to dog waste DNA testing. Resident understands that failure to do so will result in the denial/removal of animal/pet ownership privileges, fines, lease violations, and/or lease termination.

*There may be times we require your animal to be contained/kenneled within the home.
