Life moves fast, and we understand that change happens. That's why Windsor offers our Stay With Us program. Whether you need to move across town or across the country, have outgrown your current space, or are looking to downsize, Windsor has a home that meets your needs.

Moving or relocating?

We can help! With hundreds of Windsor communities from coast to coast, and at varying price points, you can be free to say "yes!" to that new job, in a new city, without a second thought. We'll make transferring to one of our sister communities a snap!
