OCCUPANCY STANDARDS

Habitat America, LLC has established occupancy standards to permit the resident to select the apartment size they deem appropriate to their needs while preventing overcrowding and underutilization of the apartment. The occupancy standard is based on 2 persons per bedroom plus one: Note: Children under 2 may not be counted towards number of occupants allowed, and no adult members can be added to the household in the first 12 months of occupancy that would compromise the tax credit Section 42 restrictions.

Number of Bedrooms	Maximum # of Occupants Allowed

INCOME REQUIREMENTS

The household's total gross annual income shall not exceed the property's applicable area median income as posted by HUD each year. All forms of household income must be disclosed. In addition, minimum income limits apply. Proof of all income and assets is required.

TAKING APPLICATIONS

The Application: Each adult (18 years of age or older or emancipated) must complete and sign the Rental Application. There is a non-refundable application fee per adult due at the time the application is submitted- refer to the property's Resident Selection Criteria for fee amount. An application cannot be processed unless it is fully complete, and the application fee has been paid. Applicants must list all members who will reside in the apartment unit and designate the number of bedrooms being requested. Apartments specially designed for the disabled will be marketed only to persons with disabilities. The application will be fully screened and verified when an apartment becomes available for occupancy. Once the application is approved and the available unit accepted, the applicant will be required to sign a lease agreement in which the applicant agrees to abide by all property rules and regulations. If assistance is needed in completing the application or lease documents, contact the Community Manager. If any information provided by the applicant proves to be untrue during the verification process, these applications will be denied on the basis of attempted fraud.

Wait List: If an apartment is not available at the time of application for which you qualify, you will be placed on the property's wait list. The applicant will then be contacted for the first apartment that becomes available based on the selection guidelines described in this Tenant Selection Plan.

Screening: An initial credit screening report will be obtained through a commercial credit reporting agency which will determine whether the credit screening is accepted or denied. If accepted, a criminal screening report will be obtained to determine continuance of application processing.

Credit/Rental History:

- Applicants with negative credit may be denied.
- Rental history will be verified and must indicate the ability to abide by the terms of the lease contract, care for the property without damage and pay rent on time. Applicants owing balances at other Habitat America properties will be denied.
- Applicant must be able to establish the necessary utilities with the appropriate utility provider and must not have unpaid gas and/or electric bills.
- Discharged bankruptcies will be considered for a period of one year from date of discharge.
- Medical bills and student loans are excluded from consideration.

Criminal Background History: Applicant may be denied if:

- Any household member has been evicted from Federally assisted housing for drug-related criminal activity or is currently engaging in the illegal use of a drug.
- Any household member with a felony conviction of drug-related criminal activity, illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use a controlled substance.
- Any household member is subject to lifetime registration requirements under a state or federal sex offender registration program.

Rejection Procedures:

Credit/Rental History: If credit/rental history screening was rejected, a denial letter will be sent that will advise the applicant that if they believe there are errors in their screening report or believe that there may be extenuating factors that they wish for us to consider, they have fourteen (14) days to respond in writing to request an appeal. If an applicant disputes the accuracy of any information provided to the landlord by a screening service, the applicant may contact the screening company to obtain a copy of screening results. The name, address and phone number of the screening company will be provided in the denial letter. Applicants who choose not to appeal or miss the deadline to appeal the denial may reapply at the community in 60 days.

Criminal History: If an applicant is rejected due to criminal history, management will conduct an individualized assessment of the criminal record and its impact on the household's suitability for admission. Notification in writing will be provided to the applicant should we need to exercise this option. If after our individualized assessment, we conclude that we cannot proceed with the approval of the screening, a denial letter will be sent to the applicant advising them that if they don't agree with management's decision, they have (14) days from the date of receiving the denial letter to dispute the decision as either inaccurate, incomplete, or irrelevant. Please note that management will automatically reject and waive the right to an individualized assessment of a member of the applicant household that has been convicted of a felony offense or violent misdemeanor offense any time during the application period.

The following may not be considered in determining eligibility:

- Juvenile records, or any expunged, vacated, pardoned, or sealed records;
