Tenant Portal Guide – Login

Login Screen

The tenant portal offers tenants a seamless and user-friendly experience for managing their rental affairs. The login screen prompts tenants to enter their credentials, ensuring the protection of sensitive information. The tenant portal provides tenants with the ability to pay rent, access important documents, and review any compliance-based documentation.

Steps	Description	Details
1	Email	Enter your email address
2	Password	The password should be a minimum of 8 characters long and is case sensitive. There are no restrictions on using symbols in your password
3	Sign In	The Tenant Portal home page will appear
4	Forgot Password	Click to reset your password
5	Click Here to Register	Click to register to the tenant portal
6	Tenant Portal App links	Tenant portal app links will direct you to either the Apple Store or Google Play Store to download the tenant portal app.

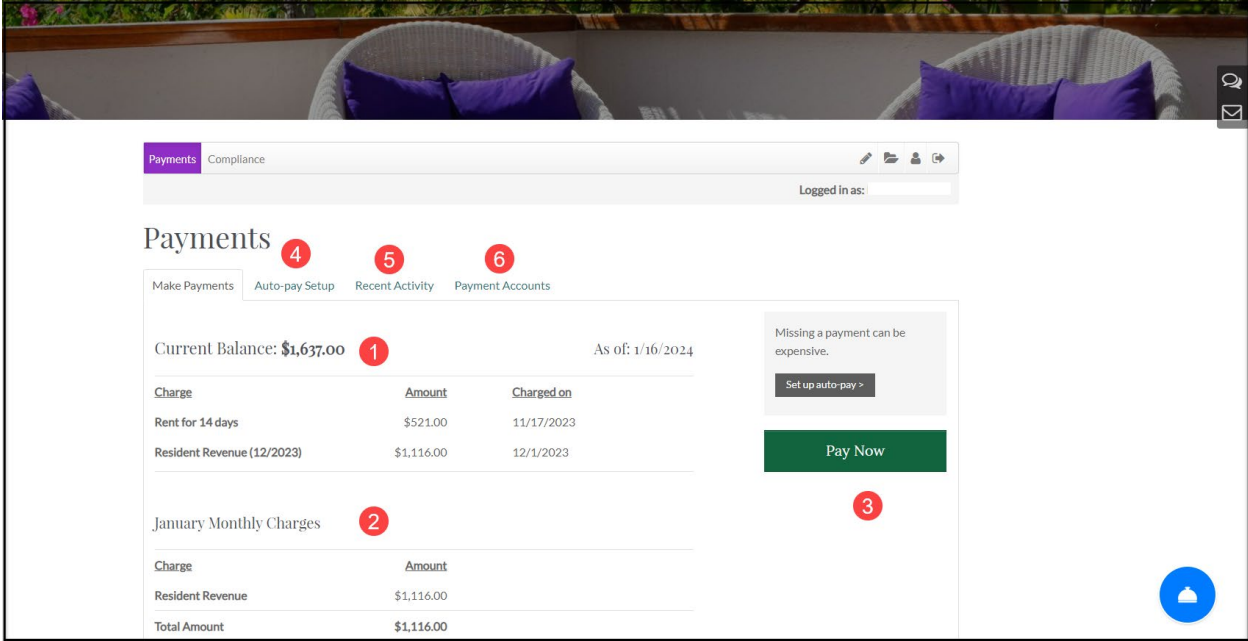

Add the Web Address to your bookmarks for easier access.

Tenant Portal Guide – Payments

Payment Home Screen

The tenant portal's payment function streamlines the rent payment process, offering tenants a secure and convenient platform to easily submit payments, track transaction history, and set up automated payment schedules.

	Description	Details
1	Current Balance	Displays the current outstanding balance
2	Current Month's charges	Charges posted for the current month
3	Pay Now	Displays the payment function screen
4	Auto-pay Setup	Displays the auto-pay payment screen
5	Recent Activity	Displays the Recent Activity screen
6	Payment Accounts	Displays the Payment Accounts screen

Payment Accounts

The Payment Accounts feature in the tenant portal enables easy management of payment methods. Tenants can add and store credit cards or bank accounts. Upon adding an account, a validation process involves receiving a penny deposit, which tenants must enter in the payment account section to confirm ownership and accuracy.

	Description	Details
1	Bank Account	Displays the Add Bank Account screen to add ACH details
2	Credit and Debit Accounts	Displays the Add Credit and Debit screen to enter either credit or debit details

Payments

[Make Payments](#) [Auto-pay Setup](#) [Recent Activity](#) **Payment Accounts**

Bank Accounts 1 [Add Bank Account](#)

If you click to add a bank account, you will be redirected to a third-party website and must follow their instructions to verify your account. Once your account is verified, your bank account will appear as a payment option. Only your bank account and routing number are used to set up a verified bank account.

If you do not wish to verify your bank account, or if your bank account is not listed (not all banks are supported), please select another payment method or contact our office for other payment options.

Use the bank accounts listed below to make one-time payments or schedule monthly automatic payments.

Name on Account	Bank Transit Number	Bank Account Number	Account Type	Delete
MAIN: [REDACTED]	[REDACTED] 7	[REDACTED]	Checking	Delete

Showing 1 to 1 of 1 entries

Credit Cards or Debit Cards 2 [Add Credit Card](#) [Add Debit Card](#)

Use the credit cards or debit cards listed below to make one-time payments or schedule monthly automatic payments.

Card Type	Card Number	Edit	Delete
No data available in table			

Depending on the type of payment account, the tenant may have to pay for service charges. Please contact your property administrator for more details

Auto-Pay Setup

The auto-pay function streamlines rent payments by allowing tenants to set up automatic payments through the tenant portal. Tenants can input their preferred payment method details and specify payment preferences like date and frequency. Once confirmed, the system automatically deducts rent payments on the chosen date, providing a convenient and hassle-free way for tenants to manage their monthly obligations.

Steps	Description	Details
1	Select Payment Account	Select the preferred payment account for automatic payments
2	Start Date	Select the start date for auto-pay to begin
3	End Date	Select the end date for auto-pay to end
4	Pay On Day	Select the day the funds will be transferred
5	Next	Proceeds to the next to finalize the auto pay setup
6	Terms & Conditions	Click the checkbox confirming you've read the terms and conditions
7	Set up Auto-Pay	Click to finalize your Auto-Pay setup

Recent Activity

The Recent Activity function provides a comprehensive and up-to-date overview of all recent transactions allowing tenants to track rent payments, maintenance requests, and announcements easily. Ultimately, the Recent Activity function empowers tenants with real-time insights, fostering a more streamlined and efficient rental experience.

Auto-pay Setup ✕

- Your first payment is scheduled for **2/3/2024**
- Payments scheduled on or after 1st of the month might incur a Late Fee Charge.
- Payment has no end date.

Payment Account	Start Date	End Date	Pay on Day
[Redacted]	1/18/2024		3rd

By setting up AutoPay, I authorize the automatic withdrawal from my selected payment account the amount shown or, if no amount is shown, the balance due each month. I understand and agree that my authorization will remain in place until I change or cancel it by logging into my Resident Portal account, and that it may take up to 24 business hours to process my change or cancellation before it will become effective. I understand and agree that I will be charged a non-refundable service fee of \$0.95 for each AutoPay transaction and that this service fee is charged by and paid to the payment services provider for making payments through RentCafe, this fee is not charged by the property, and this fee will not appear on my ledger.

One-Time Payments

The One-Time Payment function streamlines the payment process for tenants by offering a solution to make single, immediate payments for various purposes, such as one-time fees, additional charges, or outstanding balances. This feature not only enhances financial control for tenants but also simplifies the payment experience, ensuring that unique financial transactions are executed seamlessly within this platform.

Step	Description	Details
1	Pay Now	Click the Pay Now button to display the one-time payment screen
2	Amount	Review/ Change the charge amounts if applicable
3	Payment Account	Select the preferred payment account
4	Extra Payment	Enter an additional amount to pay
5	Next	Click Next to finalize the payment amount
6	Terms & Conditions	Review and click the check box for the <i>Terms & Conditions</i>
7	Submit Payment	Click Submit Payment to complete the transaction

Tenant Portal Guide – Compliance

The Applications & Certifications section within the tenant portal provides tenants with a centralized hub for managing any required certifications or documentation. Tenants can conveniently upload and review essential documents, such as proof of income or identification, streamlining the application process. Additionally, this section serves as a comprehensive resource for tenants to access and update certification details, ensuring compliance with leasing requirements and promoting a smooth and transparent leasing experience.

Tenant Portal Guide – Sign Documents

The Signed Documents feature offers a secure and efficient solution to electronically sign and submit lease agreements, addendums, and other documents, eliminating the need for physical signatures and paperwork. With real-time tracking, tenants can easily monitor the status of their signed documents, ensuring a transparent and accountable documentation process.

Tenant Portal Guide – Documents

The Document function in the tenant portal serves as a centralized repository for all important lease-related documents and communication. Tenants can securely access and download lease agreements, notices, and any other relevant paperwork. This feature streamlines document management, providing a convenient and organized platform for tenants to stay informed and up to date on all official communications and contractual information.

Step	Description	Details
1	Document Icon	Click the Document Icon to open the document folder page
2	Document File	Click the Document File to download the document

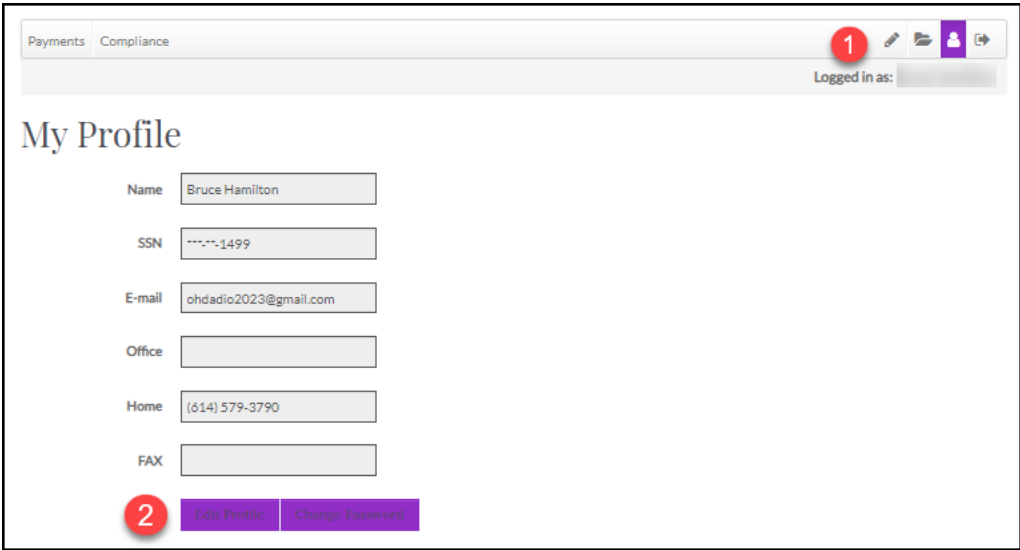

Tenant Portal Guide – Profile

The Profile feature is a comprehensive tool empowering tenants to manage and customize their personal information with ease. From updating contact details to setting communication preferences, tenants can ensure that their profile accurately reflects their current information. With the Profile feature, tenants have a centralized hub to maintain accurate and up-to-date personal details, fostering a more personalized and responsive rental experience.

Step	Description	Details
1	My Profile Icon	Displays My Profile section

2	Edit Profile	Enables you to make changes to your profile details
3	Personal Information	Review and update personal details such as name, phone number, and email address
4	Allow Text	Allows Property to send texts to the tenant
5	Phone number (SMS only)	Enter the phone number that will receive texts
6	Voice Calls	Enables you to receive voice calls from property management
7	Subscribe to Email notifications	Enables you to receive emails from the property management
8	Vehicle Information	Review/ Update vehicle information (Year, Make, Model, Color, License Plate)
9	Update Profile	Saves the changes made and update profile

The screenshot shows a web interface for 'My Profile'. At the top, there are tabs for 'Payments' and 'Compliance'. On the right, there is a navigation bar with a red circle '1' next to a user profile icon and a 'Logged in as:' dropdown. The main content area is titled 'My Profile' and contains several input fields: Name (Bruce Hamilton), SSN (***-**-1499), E-mail (ohdadio2023@gmail.com), Office, Home ((614) 579-3790), and FAX. At the bottom, there are two buttons: 'Edit Profile' (with a red circle '2' next to it) and 'Change Password'.
