After Hours Maintenance Calls

What do I do?

Maintenance issues happen. Please do not wait to report maintenance issues as we would like to address them as soon as we can. Reporting them as they happen keeps your home running smoothly.

After Hours Emergencies

What is an after hours maintenance emergency call? Some examples are the following:

1. Lock Outs (\$25 fee paid to staff)
2. Water (pipe breaks).
3. Plumbing (only if both toilets are clogged).

6. Gas - If you smell gas, stay calm and vacate the unit. Call 911. They will dispatch PG&E. Do not use your phone in the home if you smell gas, as this could cause a fire hazard.

Here at Castle Vista, we have a skilled staff of maintenance employees that will handle your maintenance issues. No maintenance call is too small! From changing a light bulb, to changing the batteries, we are here to get the job done.

Please remember, our staff and complex is not designated as an "Assisted Living" community. This means, you **MUST** call 911 if you have an emergency issue, such as falls, and medical/health emergencies. Please do not call the after hours maintenance phone, as we are not allowed to assist.

Thank you for choosing Castle Vista as your home.
