

RESIDENTIAL LEASE AGREEMENT

THIS AGREEMENT between **L. Nelson Properties, Inc.** ("Landlord") and <<List of Resident Names >> ("Resident") is effective when fully executed by all parties. The Owner's obligation to deliver possession to Resident is conditioned on Resident making all payments due at or prior to move-in under this Agreement.

THE PARTIES AGREE AS FOLLOWS:

1. **RENTAL UNIT:** Subject to the terms and conditions of this Agreement, Landlord rents to Resident and Resident rents from Landlord, for residential use only, the premises located at:
 - a. <<PROPERTY ADDRESS: UnitAddr>>, <<PropCity>>, California <<PropZip>> ("Premises")
2. **TERM:** The term of this Agreement begins on <<Lease From DATE>> and ends on <<Lease To DATE>>, at which time this Lease shall terminate without further notice. Any holding over by the Resident after termination shall entitle the Landlord to initiate legal proceedings to recover possession of the premises. A "month-to-month" tenancy subject to the terms and conditions of this agreement shall be created only if Landlord accepts rent from Resident thereafter, and if so accepted, tenancy may be terminated by Resident after service upon the Landlord of a written 30-day notice of termination. Except as prohibited by law, the month-to-month tenancy may be terminated by the Landlord by service upon the Resident of a written 60-day notice of termination. However, Civil Code Section 1946.1 provides that "if any tenant or resident has resided in the dwelling for less than one year", the Landlord may terminate the tenancy by service upon the Resident of a written 30- day notice.
3. **RENT:** Rent is due in advance on the 1st day of each and every month, at \$<<Base Rent>> per month.
<<ConcessionYN1>> (if checked): **RENT CONCESSIONS:** Resident is granted a \$<<ConcessionAmount1>> per month reduction in the monthly Base Rent for the period from <<Conc From DATE>> to <<Conc To DATE>>. The monthly rent identified above is the amount due before application of the rent concession.
 - a. **PRORATED RENT.** In the event, the tenancy does not start on the 1st day of the month, Resident is to pay prorated rent from move-in date until the last day of the month prior to taking possession. Rent for any partial month shall be prorated at the amount of 1/30th of the monthly rent per day.
 - b. **PAYMENTS.** Payment may be made:
 - i) Electronically via RENTcafe at <<Property URL>> or by
 - ii) Personal Check, Cashier's Check or Money Order payable to <<Community Name>> and mailed or delivered to:
950 Tower Lane, Suite 900, Foster City, CA 94404
4. **SECURITY DEPOSIT:** Resident shall deposit with Landlord, as a security deposit, the sum of \$<<SecDep Charged>> within 3 days after signing this Agreement or prior to taking possession, whichever is sooner.
 - a. Resident shall not use the security deposit to pay any month's rent. Landlord may withhold from the security deposit only such amounts as are reasonably necessary to remedy Resident defaults including, but not limited to, the following:
 - i) defaults in the payment of rent,
 - ii) to repair damages to the premises caused by Resident, exclusive of ordinary wear and tear, and/or
 - iii) to clean the premises, if necessary, upon termination of the tenancy in order to return the unit to the same level of cleanliness it was in at the inception of the tenancy, and/or
 - iv) to restore, replace, or return personal property or appurtenances, exclusive of ordinary wear and tear.
 - b. Within 21 calendar days after Resident has vacated the premises Landlord shall furnish Resident a copy of an itemized statement indicating the basis for, and the amount of, any security deposit received and the disposition of the security deposit, and shall return any remaining portion of the security deposit to the Resident. Any

remaining portion of the security deposit shall be returned in the form of a single check made payable to all Residents listed above.

5. **UTILITIES:** Resident shall pay for all unit utilities, services and charges, if any, made payable by or based upon occupancy of Resident, except: **no exceptions**. Resident shall have the unit gas and/or electric connected at all times during the tenancy. **Disconnection of utilities due to non-payment is a material breach of this Agreement**. Resident shall not use common area utilities (such as water or electricity) for the Resident's personal use, without prior written permission from the Landlord.
6. **LATE FEES AND INSUFFICIENT FUNDS:** If rent is paid after the 5th of the month, there will be a late charge of **\$100.00** assessed. This late charge does not establish a grace period. The parties agree that this late fee is presumed to be the amount of damage resulting from the late payment of rent. It would be impracticable or extremely difficult to fix the actual damage. This sum represents a reasonable endeavor by the Landlord to estimate fair average compensation for any loss that may be sustained as a result of late payment of rent. Failure to pay the fee is a material breach of this Agreement. Pursuant to California law, if Resident passes a check on insufficient funds, Resident will be liable to Landlord for the amount of the check and a service charge of **\$25.00**
7. **RENTAL UNIT AVAILABILITY:** In the event the unit is not available on the move-in date due to a prior Resident holding over, or other cause not within the control of Landlord, Resident's damages will be limited to a return of the security deposit, any holding or other deposits and any advance payment of rent.
8. **OCCUPANTS:** Premises shall be occupied only by the Residents specified above and the following named person(s): **Other occupants/minors listed here**
9. **GUEST(S):** Except as otherwise provided by prior written agreement, any person who is not listed as an Occupant on this Agreement is a Guest. A Guest may not stay on the premises for more than **10 consecutive days**, or a total of **25 days in a 12-month period**. At the discretion of Landlord, Guest(s) who overstay this limit may be required to go through the application process, and if approved, may be required to sign a Rental/Lease Agreement. A guest who has not signed a Rental/Lease Agreement is not a "tenant who has lawfully occupied the premises" for the purpose of Civil Code 1946.2 and is not a "tenant" for the purpose of Civil Code Section 1947.12. Resident is responsible for any violation of this Rental/Lease Agreement by Resident's Guests.
10. **SUBLETTING AND ASSIGNMENT:** No portion of the premises shall be sublet nor this Agreement assigned. Any attempted subletting or assignment by Resident shall, at the election of Landlord, be an irremediable breach of this Agreement and cause for immediate termination as provided herein and by law. Resident is prohibited from offering all or part of the premises for short-term rental, such as through AirBNB, VRBO or other such sites. Any person who is not named as an Occupant in this Agreement or Resident who signed this Agreement, who occupies any portion of the dwelling unit, for any period of time whatsoever, for any compensation or consideration whatsoever (including, without limitation, the payment of money and/or trade and/or barter of other goods, services, or property occupancy rights) is not a Guest. This constitutes attempted subletting or assignment under this Agreement, and is, at the election of Landlord, irremediable breach of this Agreement and cause for immediate termination.
11. **AGENT FOR SERVICE OF NOTICES AND PROCESS:** The agent for service of any notices and for service of process is: Maria Morgan-Butcher, L. Nelson Properties, Inc. 950 Tower Lane, Suite 900, Foster City, CA 94404

Resident is encouraged but not required to obtain renters insurance.

13. **KEYS:** Resident has received the sets of keys for the premises noted below. If needed, additional keys may be requested from the Landlord; and, Resident will be charged. There may be a charge. Keys to the premises are the exclusive property of Landlord. All keys must be returned to Landlord when Resident vacates. Resident shall be charged for the cost of new locks and keys if all keys are not returned. In the event that any keys to the premises or the building are lost or consigned, Resident shall be liable for the entire cost of all key and lock replacement, at the discretion of Landlord, as required for the security of the Premises, the Building, and Building occupants. This may include the costs of re-keying the entire Building if Landlord, at Landlord’s sole discretion, deems such action is necessary. Resident should take care not to lock himself/herself out of the Premises. If Landlord is required to assist any Resident in gaining entry to the Premises, Resident may be assessed a charge for the actual costs, including out of pocket expenses, incurred by Landlord and Landlord may require Resident to contract with a professional locksmith.

Resident agrees to move the vehicle and cooperate fully with the Landlord so that any repairs or alterations to parking or other areas can be made in as expeditious and efficient a manner as possible. Only currently registered and operational vehicles may be parked on the property. Resident acknowledges that Landlord's adoption of this policy, does not make the Landlord the guarantor of the Resident's health or of the smoke-free condition of the areas listed above. However, Landlord shall take reasonable steps to enforce this provision. Landlord shall not be required to take steps in response to smoking unless Landlord has actual knowledge or has been provided written notice. Landlord and Resident agree that the other residents of the property are the third-party beneficiaries of this provision. A resident may sue another resident to enforce this provision but does not have the right to evict another resident. Any lawsuit between residents regarding this provision shall not create a presumption that the Landlord has breached this Agreement. A breach of this provision by the Resident shall be deemed a material breach of this Agreement and grounds for Landlord's immediate termination of this Agreement.

18. **PROHIBITIONS:** Without Landlord's prior written permission as an addendum to this Agreement, no pets, waterbeds, charcoal burners or other open-flame cooking devices, or liquefied petroleum gas fueled cooking devices ("grills") shall be kept or allowed in or about the premises. BED BUG ADDENDUM

This document is an Addendum and is part of the Lease Agreement dated <<Today>>.

The Landlord has inspected the unit prior to lease and knows of no bedbug infestation. Resident agrees not to bring onto the property personal furnishings or belongings that the Resident knows or should reasonably know are infested with bed bugs, including the personal property of the Resident's guests. Residents have an important role in preventing and controlling bed bugs. While the presence of bed bugs is not always related to personal cleanliness or housekeeping, good housekeeping can assist with early detection and make bed bug control easier if it is necessary. Please review the short interactive video at www.stopbedbugs.org and the information below.

1. Information about Bed Bugs:

- a. Bed bug appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.
- b. Life cycle and reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.
- c. Bed bugs can survive for months without feeding.
- d. Bed bug bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.
- e. Common signs and symptoms of a possible bed bug infestation:
 - i) Small red to reddish brown fecal spots on mattresses, box springs, bed frames, linens, upholstery, or walls.
 - ii) Molted bed bug skins, white, sticky eggs, or empty eggshells.
 - iii) Very heavily infested areas may have a characteristically sweet odor.
 - iv) Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.
- f. For more information, see the Internet Websites of the United States Environmental Protection Agency and the National Pest Management Association.
 - i) <http://www2.epa.gov/bedbugs>
 - ii) <http://www.pestworld.org/all-things-bed-bugs/>

2. Report Suspected Bed Bug Infestations As Soon as Possible

- a. Prompt reporting: If you find or suspect a bed bug infestation, please notify Landlord as soon as possible, and describe any signs of infestation, so that the problem can be addressed promptly. Please do not wait. Even a few bugs can rapidly multiply to create a major infestation that can spread from unit to unit.
- b. Report any maintenance needs immediately. Bed bugs like cracks, crevices, holes, and other openings. Request that all openings be sealed to prevent the movement of bed bugs from room to room.
- c. If you suspect a bed bug infestation, or have other maintenance needs, please complete an online maintenance request.
- d. Cooperation with Pest Control
 - i) Residents shall cooperate with the inspection including allowing entry to inspect any unit selected by the pest control operator until bed bugs have been eliminated and providing to the pest control operator information that is necessary to facilitate the detection and treatment of bed bugs.
 - ii) Prior to treatment, affected Residents will receive a written notice including the date(s) and time(s) of treatment, whether and when the Resident is required to be absent from the unit, the deadline for any

Resident preparation of the unit and a pretreatment checklist with information provided by the pest control operator.

- iii) The Resident shall fulfill his or her responsibilities for unit preparation before the scheduled treatment, as described in the pest control operator's pretreatment checklist.
- iv) Residents shall be responsible for the management of their belongings, including, but not limited to, clothing and personal furnishings.
- v) If the pest control operator determines that it is necessary for a Landlord or Resident to dispose of items infested with bed bugs, the items shall be securely sealed in a bag that are of a size as to readily contain the disposed material. Bags shall be furnished as needed to Residents by the property owner or pest control operator. All bags shall be clearly labeled as being infested with bed bugs prior to disposal.
- vi) Residents who are not able to fulfill their unit preparation responsibilities shall notify the Landlord at least one business day prior to the scheduled pest control operator visit for inspection or treatment.
- vii) A Resident must vacate his or her unit if required by the pest control operator for treatment purposes and shall not reenter the unit until directed by the pest control operator to do so.

3. Prevention Recommendations

- a. Resident should check for hitch-hiking bed bugs. If you stay in a hotel or another home, inspect your clothing, luggage, shoes, and belongings for signs of bed bugs before you enter your apartment. Check backpacks, shoes, and clothing after visits to friends or family, theaters, or after using public transportation.
- b. Thoroughly clean after guests have departed. Immediately after your guests leave, seal bed linens in plastic bags, until they can be washed and dried on high heat. After your guests have departed, inspect bedding, mattresses and box springs, behind headboards, carpet edges and the undersides of sofa cushions for signs of bed bugs.
- c. Resident should avoid using appliances, electronics and furnishings that have not been thoroughly inspected for the presence of bed bugs. Make sure that the electronics, appliance, or furniture company has established procedures for the inspection and identification of bed bugs or other pests. This process should include inspection of trucks used to transport appliances, electronics, or furniture. Never accept an item that shows signs of bed bugs. Check secondhand furniture, beds, and couches for any signs of bed bug infestation before bringing them home. Never take discarded items from the curbside.
- d. Use a protective cover that encases mattresses and box springs and eliminates many hiding spots. The light color of the encasement makes bed bugs easier to see. Be sure to purchase a high-quality bed bug encasement that will resist tearing and check the encasements regularly for holes.
- e. Reduce clutter in your home to reduce hiding places for bed bugs and vacuum frequently to remove successful hitchhikers.
- f. Be vigilant when using shared laundry facilities. Transport items to be washed in plastic bags (if you have an active infestation, use a new bag for the journey home). Remove from dryer directly into bag and fold at home. (A dryer on high heat can kill bed bugs.)

The undersigned Resident(s) acknowledge(s) having read and understood the foregoing.

GRILLING ADDENDUM

This document is an Addendum and is part of the Lease Agreement dated <<Today>>.

1. The Rental/Lease Agreement provides that without Owner/Agent's prior written consent, no charcoal burners or other open flame cooking devices, or liquefied petroleum gas fueled cooking devices (hereinafter "grill") shall be allowed in or about the premises.
2. If allowed by law and the unit has an exclusive use yard, the Owner/Agent consents to Resident keeping and operating a propane or natural gas fueled grill.
3. In the event of default by Resident of any of the terms in this Addendum, Resident agrees, within three days after receiving written notice of default from Owner/Agent, to cure the default or vacate the premises. Resident agrees Owner/Agent may revoke permission to keep and operate said grill on the premises by giving Resident thirty (30) days notice in writing.
4. Resident agrees to comply with all applicable ordinances, regulations and laws governing grills and storage of combustibles.
5. Resident agrees that the grill will be used only in the unit's exclusive use yard.
6. Resident agrees to maintain and operate the grill in a safe manner. Resident agrees to uphold this responsibility in part by complying with the following list of responsibilities:
 - a. Follow manufacturers' directions for safe operation, storage, and maintenance of your grill. If the manual is missing, contact the manufacturer for a replacement or check the company's web site for an online copy.
 - b. Check to see that the grill is in good working order. For gas grills, be sure that all gas lines and valves are intact. Ensure that the grill is stable and will not tip over.
 - c. Set up the grill in a safe place. Choose a firm, level surface at least 10 feet away from walls, siding, and deck rails; overhangs, eaves, and awnings; shrubs and branches; and furniture and other combustibles.
 - d. Only use gas and charcoal grills outdoors. When burned, gas and charcoal produce deadly carbon monoxide, an odorless, colorless gas that can kill in a matter of minutes. Never use a grill indoors, or in a garage, even if the door is open. Carbon monoxide can enter the apartment and injure or kill the people inside very quickly.
 - e. Have a fire extinguisher (ABC type) or a bucket of water handy in case of a fire.
 - f. Have a spray bottle of water ready to control flare-ups.
 - g. Have access to a phone in case of emergencies.
 - h. Start the grill properly, using only approved methods. Before lighting a gas grill, open the cover.
 - i. Stay by the grill while it is in use and while it is still hot.
 - j. If Resident smells gas while cooking: Turn off the grill. Move away from the grill. Keep everyone away. Do not move, use, or light the grill until it has been inspected and repaired.
 - k. Use appropriate grilling tools. Choose long-handled heat-resistant cooking tools and heat-resistant mitts.
 - l. Keep people away from the grill, especially children.
 - m. Do not attempt to move a grill that is in use.
 - n. Clean the grill after use, removing food fragments, sauces and marinades, and accumulated fat or grease. All these increase the risk of flare-ups and fires.

7. Resident agrees to use the following special precautions for gas grills (if applicable): Before using the grill:
 - a. Check the hose or tubes for leaks, cracks, brittleness, holes, and kinks. Make sure there are no sharp bends in the hose or tubing. Using a pipe cleaner or wire, clear any blockages caused by dirt, insects, etc.
 - b. Check the connections between the tank, hoses or tubes, and the burner, to ensure that they have been connected properly and completely.
 - c. Check for gas leaks. Before using the gas grill, and especially after attaching the propane tank, apply soapy water to the hose and connections; any leaks will be made evident by the escaping bubbles. Never use a match or lighter to look for a gas leak! If you can smell gas, then there is a gas leak.
 - d. If the grill has a gas leak, do not use it. Contact a qualified technician for repairs before using the grill.
 - e. Test the spark igniter. Every time you activate the igniter, it should make a spark to create a flame and ignite the gas.
 - f. Do not attempt to repair the grill yourself. If the tank valves or connections are leaking, broken, or malfunctioning, do not attempt to repair them; contact a qualified technician or discard the unit.
 - g. Protect the gas tubes and hoses from hot surfaces, grease, and bumps.
 - h. Store propane gas cylinders safely: store them in an upright position; be sure that they are stored away from heat, spark, and flame; and secure them against access, theft, or tampering.
 - i. Do not store gas cylinders inside buildings or garages. If you store your gas grill indoors when it is not in use, disconnect the gas cylinder and leave it outside.
 - j. Do not store filled gas cylinders in a vehicle which might become hot. Heat will raise the pressure inside the tank, increasing the risk of leaks through the relief valve.
 - k. Keep flammable and combustible materials away from the grill and gas tanks.
8. Resident shall be liable to Owner/Agent for all damages or expenses incurred by or in connection with grill, and shall hold Owner/Agent harmless and indemnify Owner/Agent for any and all damages or costs in connection with grill.
9. Resident shall deposit with Owner/Agent an additional security deposit of \$0.00
10. Owner/Agent does not require Resident to carry renter's insurance to cover damages caused by use and/or storage of the grill.

The undersigned Resident(s) acknowledge(s) having read and understood the foregoing.

Common Area Utilities:

Resident will be charged for his/her proportionate share of common area utilities – **water, trash & sewer**. Landlord and Resident agree that it is impractical or extremely difficult to determine the exact amount of the utilities consumed by Resident (and/or in the common areas), but that the methods used by Landlord's utility billing service are reasonably accurate estimates. Resident acknowledges that under the billing method used, Resident may be paying for water and sewer usage in the common areas or in other residential units. Resident further acknowledges and understands that the amount of the monthly bill will fluctuate, depending on actual usage and actual billings from the public utilities.

1. Resident shall pay for hot water energy, water and sewer service based on an allocation formula, not actual meter reads. Determining the exact amount of the utilities consumed by each Resident is impossible or extremely difficult, but the methods used below are reasonably accurate estimates. Resident may be paying for utilities in the common areas or in other residential units.

The amount owed by each unit is charged to Resident's account and is due and payable on the 1st of each month along with rent. Landlord pays the \$3.75/unit administrative fee for the service. The Utility Billing Company calculates how much each unit is billed for its approximate share using the below method:
