

LOCOMOTIVE LOFTS

Apartment Living Reimagined

Located in the vibrant Lawrenceville neighborhood of Pittsburgh, Locomotive Lofts offers 34 luxury one and two-bedroom loft-style apartments. This property is situated in the historic former H.K. Porter Co. building, a manufacturer of compressed air locomotives, hence the name. This is the perfect setting for loft apartments in the Steel City. Our units feature secure and modern living spaces with controlled access parking and building entry.
