

MOVING INFORMATION & DIRECTIONS

WELCOME TO NEIGHBOUR

Townline Property Management is here to make your move into Neighbour as smooth as possible. Before moving into Neighbour, please make sure that the following steps have been completed:

- ✓ You have an executed Tenancy Agreement
- ✓ Your damage deposit has been paid
- ✓ Your account with Livly has been completed
- ✓ You have booked and completed your pre-move in inspection
- ✓ You have uploaded a copy of your tenant's insurance to Cover Track or have purchased insurance through Apollo Insurance

ADDITIONAL STEPS SPECIFIC FOR TRADITIONAL UNIT RENTALS:

- ✓ You have booked an approved slot for the elevator on the day you are moving in
- ✓ You have opened a BC Hydro account starting on the day your lease commences

Once the above has been completed you will be able to move into Neighbour.

For all Traditional unit move ins, you will need to park your moving truck on Pandora Avenue, where the commercial loading zone signage is located, next to the entrance to the parking garage, as shown in the green square.

For all Co-Live unit move ins, you will need to park on Vancouver Street, at the front of the building to unload your items, as shown in the blue square.
