

Welcome Home to Christian City

Dear Friend,

It is a joy to welcome you to the Christian City family. We are truly honored to have you join our campus, one of the best-kept secrets in Metro Atlanta!

Christian City is more than a beautiful place to live in your golden years. It is a community built on faith, purpose and care for people of all ages and backgrounds. This is a place where people are respected, celebrated and encouraged to live fully. We believe that growing older is not about slowing down, but about continuing to live with meaning, joy and connection. Our role here is to make sure you can thrive and chart your own path for your next chapter.

Here, you will find neighbors who become friends, team members who are here to support you, and opportunities to stay engaged in the things that bring you joy. From wellness activities and social gatherings to volunteering with youth in foster care and mentoring young adults transitioning to independence, there are countless ways for you to stay involved and make an impact.

We are a faith-based organization, and our values guide every part of who we are. Christian City's foundation is built on the belief that every person is created with value and purpose. That means we treat everyone with dignity, integrity, and compassion. We also believe in the wisdom of a life well lived, and we look forward to learning from your story and celebrating both big and small moments with you.

We hope you feel a true sense of belonging, and that you will come to think of Christian City not just as your new home, but as a place where you are seen, known and appreciated.

From all of us at Christian City, let me be the first to say — welcome home. I look forward to seeing you on campus!

With warmest regards,

Keith Horton, Ed.D
Chief Executive Officer

Each February, we host a two-week **Count-Me-In** Campaign to fund a project for the Children & Family Programs or Active Senior Living. The **Count-Me-In** campaign is a great way to give back, and be reminded to consider stepping out and becoming a **G.E.M. who Gives Every Month**.
