

A Community With Soul

Alma Santa Paula is the kind of place where neighbors know each other's names and each other's barbecue preferences. When you're in need of high-quality downtime, Alma has your back with an outdoor lounge and a resort-style pool. And when you're in need of a wardrobe refresh, Alma has your back with spacious closets and in-unit laundry. Alma Santa Paula was built to be the hard-working professional's well-earned respite. Because we know that the people who make up the backbone of our community deserve an affordable home that works hard to support them too.
