

ANNOUNCING HUNT HEROES ESSAY CONTEST WINNERS

In commemoration for this year's 21st Anniversary of 9/11, we launched our second annual Patriot Essay Contest. The contest provides military children ages 8-18 years of age the opportunity to share "What it means to be a Patriot and How Do You Show Patriotism in Your Community?"

Each submission included poignant messages on patriotism - which included Respect, Loyalty, Sacrifice and the Love for our People and Country. Read below one of our submissions by Gavin D. from Fort Lee:

"Most people may not be aware, but patriotism also exists in our community. This can be done simply by being a good citizen who exercises their right to vote during an election, by participating or volunteering in local activities and events, making contributions

that support your community, and just by doing more to help those around you without ever expecting anything in return..."

Our Hunt Heroes certainly understand the importance of being a patriot and the impact on how they can make a difference in their own communities. This year's Patriot Contest winners are:

1. **Gavin D.** – Fort Lee
2. **Janelle H.** – Langley
3. **Nathalie R.** – Air Force Academy
4. **Noah W.** – Ohana Navy
5. **Reese F.** – Ohana Navy

Congratulations to our Patriot Contest Winners for their great submissions!

RESIDENT SURVEYS

Did you know we were sending out surveys from SatisFacts each time we complete a work order in your home? Did you also know we are sending out monthly resident satisfaction surveys from J Turner Research to 1/6th of the residents who live here? Important information for us to remind you of, not only because we value your feedback and what to hear how our staff is doing and how you enjoy living here, but also because you have the opportunity to win a gift card just by filling them out. Please take a couple minutes and provide us with feedback when you receive the emails. It may end up on benefiting you and us!!

OUR CEO'S MESSAGE

Dear Residents,

Fall is officially here, and with the new season comes cooler weather (especially for those states that have seen extraordinary heat), children acclimating to a new school year, and football. There are also a few notable things happening within the company that I feel are important to share with you.

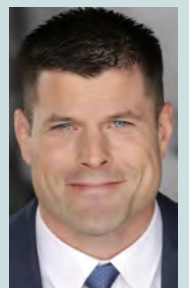

First, we are wrapping up our season of Hunt Helping Hands. We bring employees together each year for a day of service and focus on a project in each community. This year, we decided to conduct projects in each community to benefit our residents. Our team members have partnered with several organizations to provide additional service to our residents and communities.

On October 13, 2022, we will again partner with Hire Heroes USA to provide residents with a free workshop on career transition for those leaving active service. This one and half hour event will provide the tools necessary to create a resume, provide interviewing techniques, and hopefully set our career-seeking residents up for success. For more information, please visit huntheroesfoundation.org.

And finally, we have concluded the Focus Groups at each of our HMC communities. I wish to thank those who took the time to participate and provide valuable feedback. These in depth conversations were essential to understand our resident journey from the leasing process to move out.

As always, thank you for allowing us to serve you.

COMMUNITY IMPROVEMENTS

Our summer roofing project is nearing its end! A huge thank you to all our wonderful residents for being patient with us as we work to update the roofs on all our homes!

We hope to continue to painting and replacing windows through November if weather permits. Please continue to keep an eye on your email and your front door for information on these up-dates to your home. When the South Dakota winter really sets in, we will pause this project and pick it back up in the Spring of 2023.

EXTERIOR DECORATIONS

Antelope Ridge encourages residents to show their spirit during holiday seasons. Antelope Ridge is also concerned with neighbor-hood appearance and requires holiday decorations to be removed within 2 weeks follow the holiday, weather permitting. Antelope Ridge requests residents to consider natural décor before choos-ing décor that requires electricity in order to conserve energy. For safety reasons, no decorations are allowed on the exterior second floor or the roof of the home.

UPCOMING COMMUNITY EVENT

Please join us on October 28th at 4:00 pm for a Trunk OR Treat event at the Antelope Ridge Welcome Center! All welcome! Come on out for some candy and some Halloween fun. We also welcome you to decorate your trunk and join us in passing out treats!

HUNT HELPING HANDS PROJECT

Annually, Hunt employees across the country (and Ha-waii), participate in Hunt Helping Hands Day as a way to give back to their community. The past two years we have focused on food insecurity and helped families in need. This year we are developing a project which will benefit and provide an additional outdoor amenity to resi-dents of Antelope Ridge! Our project has been approved and we are working on the final stages of the rollout. Stay tuned for more details and what you will soon see and be able to enjoy!!

SAVE THE DATES

Oct 1: Fallin' Into Fun in Box Elder 10:00 am - 1:00 pm
