Community Announcements

We are excited to announce our 2023 Helping Hands Project. This year we will be building and installing 3 lending libraries! This will be an opportunity for our community to share books. If you have a book you have read and are done with, you can add it to the lending library for someone else to enjoy. While there, you can take a look to see if there is a book that piques your interest. If so, feel free to enjoy it!

Community Improvements

DISC GOLF - If you have not noticed, our new 9-hole disc golf course has been put in!! We're currently working on an official map showing the course and some additional signage and tee box markings. We're waiting for final placement and pars of tee areas. As soon as we have it, we'll roll out a map while we work on additional signage.

Local Feature

This summer we all had a chance to meet the folks who serve delicious, rolled ice cream from the Meltdown Rolled Ice Cream Truck! They came out for two of our summer movies here at the Ridge! Delicious! Did you know they came up with and made their own recipe? If you see them around Box Elder or Rapid City, stop by for a specialized, hand-made treat!

Employee Spotlight

Brittany Pullen

Meet Brittany Pullen! She was hired as seasonal help, and we are thankful for all she helped us do this summer. She grew up in Wisconsin, is newer to the Black Hills, and is a mama of 3 kids. When asked what her favorite part was regarding working for Antelope Ridge, she said, "Getting to Know the leasing specialists in the office; they are pretty great, if you haven't met yours in person! It has been a long time since I have fully belly laughed and I have had a lot of good belly laughs since starting. As well as getting to meet neighbors and learning about the diversity in the area." Brittany recommends checking out Que Pasa in downtown Rapid City and trying their El Dorado Margarita and guacamole. At the end of September, Brittany will be a full-time nursing student at Western Dakota Tech. Thank you for all you did to help us at the Ridge, Brittany! We are all appreciative of your time and hard work!

Football Tailgate Party September 11th

Kick off football season with us as we have a tailgate party to watch the first Monday Night Football game on the big screen. We will be in the Red Cloud Horseshoe. Join us at 4:00 PM and represent your favorite team. We will be hosting a nacho bar, but we are asking those who join to bring other tailgate snacks to share (for the safety of others, please bring sealed, unopened items). Yay for football season!

Our CEO's Message

Dear HMC Resident;

The wildfires on the island of Maui resulted in catastrophic damage to Lahaina and significant loss of life. As this small town begins the process of rebuilding, those affected will continue to need support, compassion, and understanding.

Hunt Military Communities and the Hunt Military Communities Foundation are donating to Maui Strong, with monetary donations going directly to those needing housing, food, and clothing.

I ask HMC residents to join me in sending thoughts and prayers to those affected by these fires. While it may take years to rebuild entirely, our commitment is to support those affected so they receive the resources and support needed to navigate the unimaginable loss.

Semper Fidelis,

Brian Stann
President & Chief Executive Officer
Hunt Military Communities
