# THE LOTTERY

---

## Pre-lottery

*Before the lottery can be scheduled, the agent + the BFHC review a log of all applications to look for duplicates, incomplete applications. Once the log is approved, the City assigns the **BFHC Application Number (LAGR.XXXX)** and the agent sends all eligible applicants a notice of scheduled lottery that contains the BFHC Application Number*

## Random.org

*The City uses a cloud based randomizer for the lottery. We assign the application # to protect applicant privacy.*

*The lottery is conducted so that these income-restricted housing opportunities are not offered on a first-come-first serve basis*

## Post-lottery

*BFHC will **rank** the results today, before sending them to the property to review and confirm accuracy.*

# SORTING + RANKING

---

*For the (3) units built out for persons who with mobility impairments there will be preference for individuals requiring those features.*

## 1) Boston Residents

*Applicants who self-certified that they are residents of the City of Boston, checked the box to indicate the neighborhood in which they live, and who can provide the documentation listed in the application have the highest ranking preference for this development*

*As this development has state funding, the Boston Residency preference will only apply to 70% of the units.*

## 2) Household Size

*Households who have at least one person per bedroom listed on their application have the second highest ranking for this development*

*One person household are not eligible for a three bedroom unit unless there is a documented disability related reasonable accommodation*

## 3) Lottery Number

*The lottery number is the number assigned at the lottery through the electronic randomization program the City uses. This is the number, if you attended the lottery, that was distributed to you by the BFHC. If you did not attend, this is the number the owner/agent will send to you within one week of the lottery.*

# Verification + Certification

---

## THE OWNER/AGENT

## CERTIFICATION

## THE DETERMINATION

- *The agent will review all of your documentation to make sure you're in fact eligible to lease a unit in this program*
  - Not over income
  - Not over asset
  - That what you've self-certified matches the documents provided
- *Once the agent verifies your eligibility, they'll send your file to a third party vendor for verification.*
- *This process can take 4 - 6 weeks.*
- *If you have questions or concerns, the Agent is still your point of contact*
- *Once the determination has been made about your status, the owner/agent will tell you if you've been approved or if there was an issue with your application.*

## Best Practices

---

- *Don't ever give notice on your existing unit until you've been approved to move into your new unit and have been given a move-in date in writing.*
- Pay careful attention to deadlines! **But know that deadlines are deadlines to respond, not to have everything perfect.** Agents have a contractual obligation to provide applicants a minimum of 5-business days if emailed and 7-business days from the date a letter is postmarked if notified by USPS to respond.
- Ask for help or clarification when you're unclear about expectations or the paperwork.
- If you're waiting for an employer, bank, or government agency to provide documentation, and they're slow to respond, let the agent know immediately.
  - Document your efforts to get the supporting documents.
- If you're deemed ineligible and feel it was in error you have the opportunity to appeal. You must put that in writing by the deadline stated by the agent. **The agent cannot offer the unit you were in line for to someone else until you've had the opportunity to have your appeal heard.**
