

Allen Fremont Plaza Tenant Selection Plan

Thank you for your interest in applying to live at our community. Allen Fremont Plaza serves elderly. The following criteria are provided to you to define the process we use to select our residents. Guardian Management LLC is an Equal Housing Opportunity provider and seeks to process all applicants in a fair and consistent manner.

Occupancy Policy

Guardian Management LLC has established standards on occupancy to permit the tenant to select the apartment size they deem appropriate to their needs while preventing overcrowding and underutilization of the apartment. Occupancy is based on number of bedrooms in an apartment: two persons are allowed per bedroom, plus one additional occupant. Applicants wishing to appeal this policy may do so in writing to Fair Housing Officer, PO Box 5668, Portland, OR 97228.

This Property leases/rents the following bedroom size(s), when available:

- ONE (1) BEDROOM
- TWO (2) BEDROOM

To determine the proper bedroom size, for which a household may qualify, the following household members are to be included:

- all full-time members of the household;
- all children anticipated to reside in the unit including children away at school who live in the apartment during school breaks;
 - Except Students that have established residency at another address.
- children subject to custody agreements or joint custody, residing in the apartment at least 50% of the time or a minimum of six (6) months out of the year;
- unborn children;
- foster children;
- Live-in attendant.

Management can assign a unit larger than required in the instance below:

1. No eligible family in need of the larger unit is available to move in within the 60 days, the property has the proper size unit for the family is not currently available, and the family agrees in writing to move at its own expense when a proper size unit become available.
2. A family needs a larger unit as a reasonable accommodation for a family member who is a person with a disability.

However, a single person must not be permitted to occupy a unit with two or more bedrooms, except for the following persons:

- a. A person with a disability who needs the larger unit as a reasonable accommodation.

- b. A displaced person when no appropriately sized unit is available.
- c. An elderly person who has a verifiable need for a larger unit.
- d. A remaining family member of a resident family when no appropriately sized unit is available.

Project Specific Requirements

Allen Fremont Plaza is a Project Based Section 8 (PBS8) and Low-Income Housing Tax Credit (LIHTC) funded community which requires all residents to meet certain income eligibility criteria. Allen Fremont Plaza consists of 64 LIHTC restricted units with 30 of those units having PBV/ SEC8 voucher and are referred to Allen Fremont Plaza by Home forward. A family's combined income cannot be greater than 60% of the area median income for Multnomah County to be considered eligible for occupancy. For all LIHTC units (Without section 8 funding) there is an application fee, contact the management off for details or see the property website.

Allen Fremont is funded by and operated by the requirements as per these Affordable Housing Programs/Funders:

- Low Income Housing Tax Credit
- Other OHCS Funding Programs:
 - Community Development Block Grant - PHB
 - Trust Fund-HDGP
 - PBV/ SC8
 - NOAH OHAF Loan

Income/ Asset Requirements

Gross annual income shall not exceed the HUD/LIHTC income limits. All forms of income must be disclosed. Information on the limits is available from the resident manager. Detailed information on the income limits can be found on the HUD website at: <http://www.huduser.org/portal/datasets/mtsp.html>

All forms of income and assets are required to be directly 3rd party verified. Contact information must be supplied by the applicant/resident for management to accomplish this requirement. Other documentation may be requested or required to prove eligibility. Individual verification forms will be signed.

Applicant has the right to not sign verification forms if either the requesting organization and/or the organization supplying the information is left blank. Gross annual income shall not exceed the HUD income limits. All forms of income must be disclosed.

Pet Policy

Management must pre-approve all pets before the pets are allowed in any apartment or on the property. There is a maximum of two (2) pre-approved pets per household. An aquarium of 15 gallons or more or a cage will be considered one pet.

A deposit of \$300.00 per unit will be required, or an approved payment plan must be established, before the pet is allowed in any apartment or on the property. A stated deposit may require an additional payment as outlined in the pet policy.

The Apartment Community reserves the right to restrict pets that exhibit aggressive, threatening, or violent behavior. Breeds that are specifically prohibited include, but are not limited to: Doberman Pinschers, German Shepherds, Pit Bulls, Rottweilers, Wolf Breeds, American Bull Dog, Chow Chows, or any similar breeds/mixes.

Preferences & Priorities

It is the policy of the Property that a preference does not guarantee admission. Every applicant must still meet the Property's Tenant Selection Standards for acceptance as a resident. In-place residents on the waitlist shall have priority consideration over outside applicants if under/over housed or made a request for a reasonable accommodation.

If a household applies that has been displaced by government action or a declared presidential emergency with appropriate documentation. These applicants will take priority over other outside applicants.

This property will follow HUD income targeting requirements. Applicant households with incomes at or below the extremely low-income limit will be selected to fill the first 40% of vacancies in any given year. (Per 24 CFR 5.653, 24 CFR 5.601, 24 CFR 5.603) To meet Income Targeting Requirements the Property will rent 40% of all vacancies to households whose annual income is at or below 30% of the Area Median Income, as determined and published annually by HUD, thereby qualifying it by definition as an "extremely-low income" household. In order to ensure that income targeting requirements are fulfilled every other vacancy rented will be to a household with income at or below 30% of Area Median Income. One waiting list will be maintained for the Property but households earning above 30% of AMI will be "skipped" over in order to rent every other unit to an income "target able" household. An Annual Income Targeting Log will be maintained to track compliance.

Preference for Accessible or Adaptable Units

For units accessible to or adaptable for persons with mobility, visual or hearing impairments, households containing at least one person with such impairment will have priority, (as applicable for a unit's features).

NOTE: Current residents requiring accessible/adaptable units shall be given priority over applicants requiring the same type of unit. Where no such applicants or current residents are waiting, management reserves the right to hold such units available while outreach efforts are in process to obtain applicants with need for such units. Where non-handicapped persons are moved into units designed to meet special needs, they shall do so only after signing an addendum to move to a unit with no such design features should an applicant or current household require an accessible unit of the same type.

Preference for Elderly Housing

- Elderly (Household in which the head, co-head or spouse is age 55 or older) for 30 units. Home Forward referral is required.

Application Process

Our staff is prepared to assist any applicant who requires assistance completing any of the application forms. This assistance might include answering questions about the application, helping applicants who might have literacy, vision, hearing, mobility or language difficulties and, in general, making it possible for interested parties to apply for housing.

If the assistance is “unreasonable”, the interviewer must inform their supervisor. An assessment must be made to identify and provide reasonable accommodation.

Management may make and document exceptions to the procedures described herein to consider circumstances beyond the applicant's control, for example, medical situations. All applications will be subject to all Waitlist rule and regulations below, except the PBV – S8 units that are under a referral basis contract with Home forward. See management for details.

Waitlist Application Process

Waitlist Application and property information forms are to be given or mailed to all applicants requesting an application. Applications are accepted at the apartment community's rental office in person or by any of the methods listed below:

1. Mail to the property's mailing address
2. Fax to the property's fax number
3. Email to the property's email address

However, if the waitlist is closed, applications are not collected, given or mailed out. If the waitlist is open, then an application is given to all requesting one.

Specific determinations regarding accepting or rejecting applicants may not be made without a Waitlist Application; however, we would be happy to answer any questions concerning program and eligibility requirements.

Procedure Governing Receipt of Applications

The Waitlist Application constitutes the basic record of each household applying for admission. Each applicant, therefore, will be required to:

- Supply information as called for on the form, and
- Sign the application and certification attesting to the accuracy of the information provided.

Each application shall reflect the date and time received. The date and time on the application must be shown on the waitlist. The application and all other materials relating to the applicant's eligibility are to be maintained in a separate file for each active applicant. Whenever information is received from an applicant it must show the date and time received by the Property.

Accepting Applications

Waitlist Applications are to be accepted from all "apparently eligible" applicants seeking admission to the property. "Apparently eligible" means, based on stated information and applicant certification (prior to verification) the applicant may qualify to be placed on the waitlist.

- The Waitlist Application must be completed and signed by the head of household and all household members. An applicant must always be placed on a waitlist and selected from a waitlist to be housed.

Placing Applications on the Waitlist

Waitlist Applications will be accepted and reviewed to determine whether the household can be placed on the waitlist. Applicants will be placed on the waitlist based on the applicants' certification of information on the Waitlist Application.

There are three primary considerations when assessing the information contained on the Waitlist Application:

1. Does the household fall within the income limits and eligibility criteria for the property/program?
2. Is there an apartment of the type and size that the household needs/requests?
3. Is the Waitlist open?

If the answer to all three of these questions is "yes", the household/application is placed on the waitlist in "Prospect" status.

If all the answers are yes except for the apartment type, and there is not a correct apartment type to meet the applicant's housing needs, then a determination must be made by the property manager whether the Property/unit must be made accessible and/or if reasonable accommodation is warranted.

If the household does not fall within the income limits for the property/program, or there is not an apartment of the appropriate size, or the waitlist is closed, then:

- The application is rejected, and the reason written on the application
- The applicant is notified of the rejection with the Notice of Eligibility, and they are advised that they may reapply if their circumstances change, or when the waitlist reopens, and
- There is no further review of the application.

An applicant must be advised of the rejection in writing and a copy of the written determination attached to the application. This may be done at the time the application is received or within five (5) days of receipt, by mail.

Notification of Unit Availability

If you are contacted and notified by phone and/or a Notice that you are getting close to the top of the waitlist/available unit, you will have ten (10) days to respond and complete a full application for each adult and complete the necessary paperwork to begin the screening and eligibility process. These must be

received with wet signatures for processing. These will only be accepted in person or via mail to the rental office.

1. If a waitlist applicant chooses not to accept an apartment at that time, you will be removed from the waitlist for that unit type. You may re-apply to be placed back on the waitlist if you are still interested.

Example: Your household is on the one & two-bedroom waitlists. You are contacted and offered a one-bedroom unit and refuse. Your household will be removed from the one-bedroom waitlist, but the household will remain on the two-bedroom waitlist.

2. If you do not contact management within the required period, you will be removed from the waitlist and the available unit will be offered to the next person on the waitlist.
3. Once your application has been approved, you will have 7 days to execute the lease and other rental documents. If you do not execute the lease and other rental documents within 7 days, you will be deemed to have rejected the offered unit, will be removed from the waitlist and the next person on the waitlist will be contacted for the available unit.

Transfer Process

In-place residents receiving assistance who need to transfer to a different unit are placed on the waiting list even when the waiting list is closed. In other words, an in-place household may be placed on the waiting list at any time.

In-place residents receiving assistance shall have priority over the outside applicants when any of the following conditions exist:

- Decrease in income causing a change in housing program from a non-assisted program to an assisted program. (i.e... Section 236 resident)
- Household size changes so that the current apartment size is no longer appropriate, and the household is over-crowded or under housed and a unit transfer is required to a new unit based on change in family composition.
- The household develops a need for an accessible unit (if available).
- A unit transfer is needed for medical reasons.
- The household has been determined as eligible for an emergency transfer in accordance with Guardian Management's VAWA Emergency Transfer Plan
- An accessible unit is occupied by a household that does not require the accessible features and there is an applicant or current household requiring the accessibility.

A current household that would like to transfer to a different unit size, but do not meet one of the criteria listed above will be placed on the waiting list by the date and time the request is received. These households will not have priority over outside applicants and will be selected from the waiting list based upon date and time application was received.

A current household may request a unit wherein only part of the household will move to the new unit and remaining members will continue to reside in the original unit. This is not considered a transfer but rather a new household is being created. In this case the new household will be placed on the waiting list according

to the date and time received. The new household must meet all eligibility criteria in the same manner as outside applicants. These households will not have priority over outside applicants and will be selected from the waiting list based upon date and time application was received.

Additions to Existing Household HUD units

Household compositions will change over time. Additions to households do not need to be placed on the waiting list to be added to an existing household receiving assistance. The request for the additional resident will need to be reported to the office and approval will need to be obtained by management before the new household members take occupancy. The new household member must meet all eligibility criteria in the same manner as an outside applicant.

Additions to Existing Household LIHTC units only

If the existing household moves out within one year of the new household members being added, the entire household must vacate. Exceptions to this will be determined on a case-by-case basis, when extenuating circumstances exist.

Unit Transfers Due to Reasonable Accommodations

If a resident is transferred as a reasonable accommodation due to a household member's disability, then the owner must pay the costs associated with the transfer, unless doing so would be an undue financial and administrative burden.

In place residents on the waitlist due to over-crowding or being under housed (per the terms of the lease and considering all rights of residents under any relevant fair housing laws), must move to the new unit within 30 days of being notified. If unit is refused, resident will be taken to market rent.

Unit Designation Swaps

Upon recertification, if household's income has increased above the current AMI (area median income) the Property Manager must take the necessary steps to rent the next available unit to a qualifying household that meets the lower set-aside requirements. Once a new unit is leased to a lower income household, the over-income household's designation will be swapped to meet the appropriate set-aside and the rent will be increased in accordance with the lease terms.

If at recertification, a household's income decreases below the current AMI limits applicable to the property, that household will be placed on our in-house waiting list for a lower set-aside once one is available. Upon availability, the household's designation will be swapped to the lower designation (applicable to the property) and the rent will be adjusted accordingly.

Household on our in-house waiting list requiring a lower unit designation will take precedence over in-house transfers and move-ins.

General Requirements

Positive identification with a picture will be required (photocopy may be kept on file). A federal regulation effective June 19, 1995, requires applicants to declare that all family members residing in dwelling units are U.S. citizens, or Non-Citizens with eligible immigration status, or applicants can choose not to contend that he or she has eligible immigration status thus making the applicant ineligible to receive assistance.

Documentation and verification of those individuals contending eligible immigration status will be completed at the time of application.

- For noncitizens 62 years and older, a signed declaration of eligible noncitizen status and proof of age will be required.
- Noncitizens under the age of 62 must sign a declaration of eligible immigration status and provide one of the DHS approved documents on the declaration form.
- U.S. citizens must sign a declaration of citizenship and provide their birth certificate or a U.S. passport.

A mixed family is one whose members include citizens and eligible immigrants as well as noncitizens without eligible immigration status. Mixed families that were in occupancy and received full assistance prior to verification of citizenship/immigration status may be eligible for assistance as follows:

- Pro-rated Assistance—If a family is eligible for prorated assistance and is not receiving continued assistance, and if the termination of the family's assistance is not temporarily deferred, the amount of assistance the family receives is adjusted based on the number of family members who are eligible compared with the total number of family members. The prorated assistance is calculated by multiplying a family's full assistance by a fraction.

All applicants must disclose social security numbers for all household members upon move in.

Persons over the age of 62 and older as of January 31, 2010, whose initial determination of eligibility was begun prior to January 31, 2010, and those individuals who do not contend eligible immigration status are excluded from disclosure requirements.

Applicants may be placed on the waitlist without proof of a social security number. If after 90 days, the applicant has been unable to supply the required verification of social security number, the applicant will be determined ineligible and removed from the waitlist.

Applicants have 90 days to provide documentation of social security number at the time the applicant is offered a unit. Applicants must disclose and provide verification of the accurate social security number assigned to each household member prior to being admitted.

If verification of all household members has not been provided at the time a unit becomes available, the next eligible applicant must be offered the available unit. If the person who has not yet supplied an SSN is under the age of 6 and has not yet been assigned a SSN, and if this child was added to the household 6 months or less from the move-in date, the household will be given 90 days following the effective date of the move-in certification to provide documentation of the SSN for the child.

An additional 90-day period will be granted if the failure to provide documentation of a SSN is due to circumstances that are outside the control of the household. Examples include but are not limited to: delayed processing of the SSN application by the SSA, natural disaster, fire, death in family, etc. During this time, the child will be included as part of the household and will receive all the benefits of the program in which the child is involved, including the dependent deduction.

An interim recertification will be processed once the household discloses and provides verification of the SSN for this individual.

Primary applicants must be of legal age to enter into a legal contract under state and local laws.

The Head of Household, the spouse and/or co-head and all other adults (55 and older) in each applicant family must sign an Authorization for Release of Information (HUD Form 9887 and 9887/A) prior to being accepted and every year thereafter.

An applicant must agree to pay the rent required by the program under which the applicant will receive assistance.

Administration of the Waiting List

The Property is required to maintain a waiting list of all eligible applicants. Applicants must be placed on the waiting list and selected from the waiting list even in situations where there are vacancies, and the application is processed upon receipt. This procedure is necessary to assure the complete and accurate processing of all documentation for all applicants.

The waiting list is maintained in chronological order based on the date and time of receipt of the Pre-Application.

The list contains the following information for each applicant:

1. Application Date and Time received
2. Applicant Name
3. Household Income
4. Family Size
5. Address
6. Phone Number(s)
7. Preference/Priority
8. Unit Size and Type
9. Notification Date(s)
10. Response Date(s)
11. Comments/Status
12. Special Needs

Applicants may report changes to any of the information and retain their place on the waiting list based on the original date and time.

Closed Waiting List

The waiting list is closed when the numbers of applications on hand are such that the Waitlist Application household would be unlikely to be offered a unit within one year.

The formula for determining the number of names that should be on the waiting list is; multiply the average number of vacancies for the past three years times two. For example, a property had 10 vacancies in the

one-bedroom apartments last year and 14 vacancies the year before, and 17 vacancies three years ago. The total is 41, divide by 3 and multiply times 2. The minimum number of names that should be maintained on the waiting list for the one-bedroom units is 27.

If based on the average turnover for one year, it appears that the waiting list will cause future applicants to wait longer than one year, applications will no longer be accepted, and the waiting list will be closed.

When the waiting list is closed, a notice is posted in a conspicuous location, in or near the rental office, and an ad in the local newspaper indicating:

1. The date the list closed,
2. Applications are not being accepted, and
3. Reason for the closure

The Property must not accept or maintain lists of potential applicant names when the waiting list is closed. Applicants inquiring about a unit when the list is closed must be advised that the list is closed, and they may apply when the list is reopened.

Opening a Closed Waiting List

To open a closed waiting list, the Property must follow the HUD-approved Affirmative Fair Housing Marketing Plan (AFHMP). The AFHMP must be reviewed periodically and in advance of opening a closed waiting list to assure that it is current.

Opening the waiting list and marketing vacant apartments in the Property must provide an equal opportunity for households to participate in and benefit from the housing programs.

Updating the Waiting List

From time to time the Property will have to update information on the waiting list. These changes must be reported in writing.

Such a need may occur when:

- the applicant notifies the Property of a change or when
- the applicant's name is reached on the waiting list and the changes are identified when the Waitlist Application is updated.

If the applicant's income/household composition changes and the change results in a change in the applicant's status, the original application date is retained.

If the change in household circumstances is such that the applicant is no longer eligible to be on a waiting list, i.e., over the income limits:

- the application will be inactivated, and
- the applicant will be notified in writing of the inactive status.

Purging the Waiting List

The waiting list is purged based on applicant contact every six months or automatically by the Property staff. It is critical that applicants are made to understand that they must continue to contact the Property to remain active on the waiting list

It is the responsibility of the applicant to notify the Property at least every six (6) months to remain active on the waiting list. The head of household or spouse/co-applicant must contact the Property in person, phone, email, and fax or by mail (unless some other reasonable accommodation is requested by applicants with verifiable disabilities).

At the time of such notification the applicant may update information or simply indicate that they are still interested in an apartment.

If an applicant does not contact the Property during any six-month period, their application will be inactivated. For this reason, it is important that applicants update their application, and the update must be clearly documented with the date, time and applicant name.

It is also the applicant's responsibility to immediately notify the Property whenever there is a change in the information provided on their Waitlist Application. The change may result in the need to place the applicant on a different waiting list.

The waiting list will be periodically purged by the Property staff to determine if applicants on the active list are still interested in an apartment. When purging notices are sent out from the Property an applicant's failure to respond within the designated time frame may result in the application being removed from the active list and being placed on an inactive status.

Changes in Waiting List Status

An applicant's status may change as the result of changes in their income, household composition or other circumstances. Such a need may occur when the applicant notifies the Property of the change or when the applicant's name is reached on the waiting list and the changes are identified when the Waitlist Application is updated.

If the applicant's circumstances change and the change requires a different waiting list status for the applicant, such change may not affect the date of the original application.

Student Requirements

HUD Requirements

Students who are enrolled at an institution of higher education (full-time or part-time) must be determined if they are eligible for Section 8 assistance at move-in and during their annual recertification or initial certification (when an in-place tenant begins receiving Section 8). Section 8 assistance shall not be provided to any individual who is:

1. Is enrolled as either a part-time or full-time student at an institution of higher education for the purpose of obtaining a degree, certificate, or other program leading to a recognized educational credential; and
2. Is under the age of 24; and

For the student to be eligible independent of his or her parents, the student must meet **all** the following criteria to be eligible to receive Section 8 assistance:

- Be of legal contract age under state law;

 - Director, or designee, of a program funded under Subtitle B of title IV of the McKinney-Vento Homeless Assistance Act; or
 - A financial aid administrator

LIHTC Requirements

Units comprised of full-time students (no one of whom is entitled to file a joint return) do not qualify as low-income units. However, there are exceptions.

Exceptions:

- A student receiving assistance under Title IV of the Social Security Act (TANF).
- A student who was previously under the care and placement responsibility of the State agency responsible for administering a plan under part B or part E of title IV of the Social Security Act (State Foster Care).
- A student enrolled in a job training program receiving assistance under the Job Training Partnership Act or Workforce Investment Act or under other similar Federal, State or local laws.
- Entirely by full-time students if such students are:
 - Single parents and their children and such parents are not dependents (as defined in IRC §152, determined without regard to subsections (b)(1), (b)(2), and (d)(1)(B) thereof) of another individual and such children are not dependents (as so defined) of another individual other than a parent of such children,
 - Married and file a joint return.

In the case of a single parent with children, the legislative history explains that none of the tenants (parent or children) can be a dependent of a third party.

Enterprise Income Verification – Existing Tenant Report

All applicants **MUST** disclose if they are currently receiving HUD housing assistance. The owner/agent will not knowingly assist applicants who will maintain a residence in addition to the HUD-assisted unit.

HUD provides the owner/agent with information about an applicant’s current status as a HUD housing assistance recipient. The owner/agent will use the **Existing Tenant Report**, during the final eligibility review, to determine if the applicant or any member of the applicant household may be receiving HUD assistance. Copies of the report will be maintained in the applicant/resident file in accordance with HUD’s record keeping requirements.

Since the applicant is required to provide current landlord information on the application, the owner/agent should be aware of the housing assistance. Nothing prohibits a HUD housing assistance recipient from applying to this property. However, the applicant must move out of the current property and/or forfeit any HUD voucher before HUD assistance on this property will begin. Special consideration applies to minor children where both parents share 50% custody or to applicants who are part of a “split” household.

The report gives the owner/agent the ability to coordinate move-out and move-in dates with the resident and the PHA or owner/agent of the property at the other location. The owner/agent will follow-up with the respective PHA or owner/agent to confirm the individual’s program participation status before admission. In addition, applicants will be notified that assistance will not be provided in the new unit until the day after assistance stops in the residence identified in EIV.

If the applicant or any member of the applicant household fails to fully and accurately disclose receipt of HUD assistance or rental history on the application, the applicant will be denied based on “misrepresentation” of information. If the owner/agent discovers a discrepancy, the applicant will be notified and will have 5 business days to respond to the inquiry.

Failure to respond to owner/agent’s requests for additional information and/or providing false or incomplete information will result in denial and removal from the waitlist in accordance with the property’s current resident selection plan. Unintentional errors that do not cause preferential treatment will not be used as a basis to deny assistance.

Rental History & Credit Requirements

Home ownership will be verified through the county tax assessor’s office. Mortgage payments must be current to reflect positive rental history. Home ownership negotiated through a land sales contract must be verified through the contract holder.

Eviction history or landlord tenant court records in the last 3 years will result in a denial.

Evicted in the last three years from federally assisted housing for drug-related criminal activity

If an applicant is or is perceived to be or has been or has been perceived to be, a victim of domestic violence, dating violence, stalking, sexual assault, or has a prior eviction on his/her record due to being the victim of domestic violence is not an appropriate basis for denial of tenancy. Landlord may request that an individual certify that the individual is a victim of domestic violence, dating violence, sexual assault, or stalking, and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse. The individual shall provide a copy of such certification within 14 days after an owner, Community Manager, public housing agency, or assisted housing provider requests such certification. An individual may satisfy the certification requirement by providing the requesting owner, Community Manager, public housing agency, or assisted housing provider with documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, a member of the clergy, a medical professional, or any other professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking or the effects of the abuse.

All information provided to an owner, Community Manager, public housing agency, or assisted housing provider, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, or stalking, shall be retained in the strictest confidence by such owner, Community Manager, public housing agency, or assisted housing provider, and shall neither be entered into any shared database, nor provided to

any related entity, except to the extent that disclosure is requested or consented to by the individual in writing or otherwise required by applicable law.

A credit report will be obtained. When evaluating your credit report the following will be considered:

- Bill payment history
- Number and type of accounts that you have
- Late payments
- Collection actions
- Outstanding debt
- Age of your accounts

The rental scoring system will compare your application to Screeners database, and by evaluating those statistics and real data in accordance with pre-established criteria set by Management, Screeners will recommend one of the following:

- **Accepted**
- **Denied** - the application will not be accepted. This applicant will be provided with the contact information for the consumer reporting agencies that provide the consumer information if the denial was based on such information.

Criminal Conviction Criteria

Upon receipt of the Rental Application, Owner/Agent will conduct a search of public records to determine whether applicant or any proposed resident or occupant has a “Conviction” (which means: a conviction; a guilty plea; or no contest plea) or pending charges that have not yet been adjudicated for any of the following crimes as provided: drug-related crime; person crime; sex offense; crime involving financial fraud, including identity theft and forgery; or any other crime if the conduct for which applicant was convicted is of a nature that would adversely affect property of the landlord or a tenant or the health, safety or right of peaceful enjoyment of the premises of residents, the landlord or the landlord’s agent. Owner/Agent will not consider a previous arrest that did not result in a conviction, pending charges, or expunged records or any other type of conviction or adjudication not permissible to consider under local, state, or federal law

If applicant, or any proposed occupant, is currently engaged in illegal use of drugs or there is a reasonable cause to believe that a member’s illegal use or pattern of illegal use of a drug may cause an interference or if there is reasonable cause of behavior, from abuse or pattern of abuse of alcohol may cause interference, this may result in denial. If applicant, or any proposed occupant, has a conviction or pending charges that have not yet been adjudicated in their past which would disqualify them under these criteria, and desires to submit additional information to Owner/Agent along with the application so Owner/Agent can engage in an individualized assessment (described below) upon receipt of the results of the public records search and prior to a denial, applicant should do so. Otherwise, applicants may request the review process after denial as set forth below, however, see item (c) under “Criminal Conviction Review Process” below regarding holding the unit.

- Felonies not listed above involving: drug-related crime; person crime; sex offense; crime involving financial fraud, including identity theft and forgery; or any other crime if the conduct for which applicant was convicted or is charged is of a nature that would adversely affect property of the landlord or a tenant or the health, safety or right of peaceful enjoyment of the premises of the residents, the landlord or the landlord's agent, where the date of disposition has occurred in the last 10 years.
- Misdemeanors involving drug related crimes, person crimes, sex offenses, domestic violence, violation of a restraining order, stalking, weapons, criminal impersonation, possession of burglary tools, financial fraud crimes, where there are two misdemeanors in which the dates of disposition have occurred in the last 5 years.
- Misdemeanors not listed above involving theft, criminal trespass, criminal mischief, property crimes or any other crime if the conduct for which applicant was convicted or is charged is of a nature that would adversely affect property of the landlord or a tenant or the health, safety or right of peaceful enjoyment of the premises of the residents, the landlord or the landlord's agent, where there are two misdemeanors in which the date of disposition has occurred in the last 5 years.
- Conviction of any crime that requires lifetime registration as a sex offender will result in denial.

Household is currently engaged in illegal use of drugs or there is reasonable cause to believe that a member's illegal use or pattern of illegal use of a drug may cause interference.

Criminal Conviction Review Process

Owner/Agent will engage in an individualized assessment of the applicants, or other proposed occupant's, convictions if:

1. Applicant has submitted supporting documentation prior to the public records search; or
2. Applicant is denied based on failure to satisfy these criminal criteria and has submitted a written request along with supporting documentation. Supporting documentation **MUST** include:
 - a. Statement from the applicant.
 - b. Statement from one of the following:
 - i. Letter from parole or probation officer; or
 - ii. Letter from caseworker, therapist, counselor, or support providing like services; or
 - iii. Certifications of various treatments/rehab programs

Owner/Agent will:

- Consider relevant individualized evidence of mitigating factors, which may include: the facts or circumstances surrounding the criminal conduct; the age of the convicted person at the time of the conduct; time since the criminal conduct; time since release from incarceration or completion of parole; evidence that the individual has maintained a good tenant history before and/or after the conviction or conduct; and evidence of rehabilitation efforts. Owner/Agent may request additional information and may consider whether there have been multiple Convictions as part of this process.
- Notify applicant of the results of Owner/Agent’s review within a reasonable time after receipt of all required information.
- Hold the unit for which the application was received for a reasonable time under all the circumstances to complete the review unless prior to receipt of applicant’s written request (if made after denial) the unit was committed to another applicant.

Live-in Care Attendant/Aide

A qualified care attendant/aide will be subject only to criminal background search. Credit and income verifications will not apply.

Security Deposit

Security Deposits provide us with some financial protection when a tenant moves out of the unit and fails to fulfill his/her obligations under the lease. Any deposit collected will be placed in an owner held security deposit account.

To assist in returning as much of the deposit to the tenant, each tenant will receive a copy of charges that may be assessed upon move out at the time of move in.

Security Deposits Collected from Tenant

It is a requirement that we must collect the security deposit at the time of move in. The amount collected as a security deposit will not fluctuate as the rent may with income changes.

The security deposit collected will be:

- An amount up to, but no greater than, one month’s total tenant payment

Security Deposits for Tenants Transferring to another Unit

When a tenant transfers to a new unit, we will transfer the security deposit to the new unit. Any damages as a result of the move will be billed to the resident. Resident will have 30 days to pay.

Violence Against Women Act (VAWA) Protections

1. An applicant’s or program participant’s status as a victim of domestic violence, dating violence, sexual assault or stalking is not a basis for denial of rental assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission.

2. An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking will not be construed as serious or repeated violations of the lease or other “good cause” for terminating the assistance, tenancy, or occupancy rights of a victim of abuse.
3. Criminal activity directly related to domestic violence, dating violence, sexual assault or stalking, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of assistance, tenancy, or occupancy rights of the victim of the criminal acts.
4. Assistance may be terminated or a lease “bifurcated” in order to remove an offending household member from the home. Whether or not the individual is a signatory to the lease and lawful tenant, if he/she engages in a criminal act of physical violence against family members or others, he/she stands to be evicted, removed, or have his/her occupancy rights terminated. This action is taken while allowing the victim, who is a tenant or a lawful occupant, to remain.
5. The provisions protecting victims of domestic violence, dating violence, sexual assault or stalking engaged in by a member of the household, may not be construed to limit the O/A, when notified, from honoring various court orders issued to either protect the victim or address the distribution of property in case a family breaks up.
6. The authority to evict or terminate assistance is not limited with respect to a victim that commits unrelated criminal activity. Furthermore, if an O/A can show an actual and imminent threat to other tenants or those employed at or providing service to the property if an unlawful tenant’s residency is not terminated, then evicting a victim is an option, the VAWA notwithstanding. Ultimately, O/As may not subject victims to more demanding standards than other tenants.
7. The VAWA protections shall not supersede any provision of any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence or stalking. The laws offering greater protection are applied in instances of domestic violence, dating violence or stalking.
