WHAT HAPPENS NEXT?

After the lottery drawing, Management will begin screening applicants according to their lottery number, starting with the applicants with the lowest placement number for each unit size and type. Applicants will be contacted to set up an interview with a member of the Management team. Applicants will proceed through the process as follows:

- (1) All adult household members will be asked to interview with agent. They will be asked to provide information/documentation and sign/date the interview and other necessary documents promptly so agent can efficiently process all applications consistently to determine if applicants meet the eligibility requirements of the property and programs. Failure to promptly respond to the Agent's request for interview, documentation and/or information to process the application will result in rejection of the application. Note: if an application is rejected, the applicant will receive a written rejection notice with instruction on an appeal option.
- (2) Once Management has qualified the household, including confirming the household has passed suitability criteria (resident history verification, credit and criminal background checks), the approved applicant household will be shown/offered an apartment. Upon the offer, the applicant will have 48 hours to decide whether to lease the apartment. If the offer is accepted and an apartment reserved, it is expected a lease will be signed and effective within 2 weeks from the date of offer. This timeline will be adjusted based on the building being ready for occupancy.
- (3) If an applicant does not pass the credit and criminal background, agent will contact the applicant via phone/text/email to see if there are any special circumstances. If sufficient information cannot be supplied, agent will provide a formal written rejection notice and option for appeal in accordance with the 'Rejection of an Application' policy and procedures as stated in the Tenant Selection Plan.
- (4) If a household does not qualify due to exceeding the income limit, not meeting the minimum income, or another eligibility or suitability criteria, agent will contact the applicant via regular mail/phone/text/email and provide a written rejection notice including appeal option in accordance with the 'Rejection of an Application' procedures as detailed in the Tenant Selection Plan. A household is considered unsuitable for housing if their adjusted income to rent/utilities burden ratio is greater than 40%. In other words, the applicant's adjusted income must exceed 2.5 times the gross rent (rent plus utilities). HOME designated apartments are more restrictive; applicants adjusted income to rent/utilities burden ratio must be less than 30% for rental of a HOME designated apartment. Voucher holders will always meet the minimum income when the Housing Authority payment standard exceeds the apartment's gross rent. Voucher holders pay 30% of their monthly adjusted gross income for rent and utilities. If the apartment's gross rent is greater than the Housing Authority's payment standard, the voucher holder must pay the additional amount. This is not acceptable on HOME units; however, the Housing Authority *may* approve on non-HOME units if the gross rent is not more than 40 percent of the household's adjusted monthly income.
- (5) If an approved applicant chooses not to accept an apartment at the time a unit is offered, applicant will be removed from the lottery waiting list and if they choose to remain on the waitlist, applicant will be placed on the post-lottery waitlist based on date and time the applicant rejected the unit offer. If upon a second unit offer an applicant does not accept, the applicant will be removed from the waiting list.

- A preferred way for us to communicate with you or give you information, such as Braille, large print or using a hearing interpreter.

These kinds of changes are called reasonable accommodations. We will provide the requested accommodation if:

- your disability is obvious, or you can document that you have a disability;
- the nexus or connection between your disability and the need for the accommodation is obvious or you can document it; and
- your request does not pose an undue financial and administrative burden or fundamental change in the program, which means in simple language if it is not too expensive and too difficult to arrange or do, or does not require us to do something that the housing program is not designed to do or would prevent us from doing what we are required to do.

We will give you an answer as to whether we can provide the accommodation within ten (10) business days unless there is a problem getting the information we need, or unless you agree to a longer time. We will let you know if we need more information or documentation from you or if we would like to talk to you about other ways to meet your needs.

If we turn down your request, we will explain the reasons. If you want, you may then give us information that addresses the reason why we turned down your request.

A REASONABLE ACCOMMODATION REQUEST FORM is available at the management office listed below. Let us know if you need help filling out the form or if you want to give us your request in some other way. Reasonable Accommodations may be requested orally or in writing. Please do not hesitate to contact the management office.

NOTE: All information you provide will be kept confidential and be used only to enable you to have an equal opportunity to apply to or enjoy your housing, including services and the common areas.
