

FIREPIT SAFETY

SEPTEMBER 20, 2021

TALL OAK RESIDENTS

HAPPY AUTUMN SEASON TALL OAK RESIDENTS!

AS THE WEATHER COOLS AND MORE PEOPLE SIT AROUND THEIR FIRE PITS, WE WANTED TO SHARE A FEW GUIDELINES AND RECOMMENDATIONS.

FIREPITS MUST BE AWAY FROM HOMES, SHEDS, BUSHES, AND ANYTHING ELSE FLAMMABLE. FIRE PITS MUST ALWAYS HAVE A RESPONSIBLE ADULT PRESENT WITH A MEANS TO EXTINGUISH THE FIRE.

ALL FIREPITS MUST HAVE A MESH COVER. ONCE YOU ARE FINISHED RELAXING AND ROASTING MARSHMALLOWS, THE FIRE MUST BE COMPLETELY PUT OUT WHEN YOU ARE DONE.

***FIREPITS SHOULD NOT BE USED DURING TIMES OF DROUGHT OR PERIODS OF HIGH RISK OF BRUSH FIRE.**
