RESIDENT SELECTION AND QUALIFICATION CRITERIA

To assist you with your decision on your new home, we are providing a list of guidelines used to qualify applicants for residency in our communities. MBM follows specific resident selection and qualification criteria for each property it manages, which may vary from property to property based on different HUD, tax credit, state, local, or other requirements applicable to the project. You may read or review a copy of the applicable Resident Selection Plan and Qualification Criteria for this property at our office or request a copy from the manager to take with you. Nothing contained in these requirements shall constitute representation by McCormack Baron Management (MBM) that all residents and occupants currently residing in our community have met or currently meet these guidelines. Our policy is to require everyone over 18 to be a leaseholder and therefore, must be approved as a leaseholder. We make very limited exceptions. Qualification standards include but are not limited to the following criteria.

The resident selection procedure applies to all adult applicants expected to reside in the household. This also includes all persons who become members of the household during occupancy. Eligibility criteria are required elements that cannot be mitigated. In accordance with the attached documentation, screening criteria may be eligible for mitigation.

ELIGIBILITY CRITERIA

I. INCOME

Maximum income limits may apply on certain units. See Appendix B for specific limits.

Minimum Income Requirement

- Applicants must show proof of ability to pay rent. Income will be verified on all applicants 18 years of age and older, without regard to the source of income (i.e., social security income, vouchers, or other sources of income will be considered)
- Applicants must have a combined verifiable income in an amount in accordance with current community guidelines no less than 2.5 times the non-subsidy portion of the rental rate. If an applicant has no income, a guarantor (if applicable) must be obtained, or the applicant may be conditionally denied.
- All income must be verifiable, regardless of the source of income.

II. Age

- The age restriction for this property is N/A

SCREENING CRITERIA

All applicants for admission to any unit who meet the income eligibility requirements must satisfy certain screening criteria after consideration of applicable mitigating circumstances, if any, unless otherwise specified. Specific lookback periods for screening criteria will be outlined in Appendix A if applicable.

III. RENTAL HISTORY

The following outlines some of the criteria that may result in a conditional denial:

- Failure to provide written rental verification.
- Evictions and foreclosures within the last 5 years.
- Unpaid judgments, rent, and/or damages owed to prior landlords will result in a conditional denial.
- Misrepresentation: willful or serious misrepresentation in the application procedure for the apartment or certification process for any apartment.

Clarendon Court Apartments L P

Arlington, VA 22203
Office Phone no.: (703)243-0555

- Applicants must be in good standing with all Housing Authorities.

Note: Rental history will be reviewed. Manager will evaluate past performance of financial obligations, including references from landlords.

IV. CREDIT HISTORY

The following outlines some of the criteria that may result in a conditional denial:

- Outstanding landlord debt
- Collections
- Civil judgments

Note: Our credit reporting agency evaluates credit and rental history against indicators of future rental payment performance. An unsatisfactory finding may result in the requirement of an additional deposit, guarantor, or conditional denial. Medical collections or student loans will NOT affect your credit score calculation. No credit history will equal good credit history.

V. CRIMINAL HISTORY AND SAFETY

Housing providers must show that policies accurately distinguish between criminal conduct that indicates a demonstrable risk to resident safety and criminal conduct that does not. The following outlines some of the criteria that may result in a conditional denial:

- Certain criminal convictions depending on severity of crime and how recent the conviction.
- Reasonable cause to believe:
 - Any household member is currently engaging in illegal use of a drug.
 - A household member's illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.
- Records of disturbance of neighbors, destruction of property or other disruptive or dangerous behavior.
- Violent behavior
- Unsanitary or hazardous housekeeping

Note: Our investigation includes criminal background screening. It is possible your application may be conditionally denied due to criminal convictions or charges. Management reserves the right to require criminal background checks at each recertification/renewal.

MBM will consider exceptions to the general policy based upon the size of bedrooms/units, age of children, configuration of units, physical considerations, state/local law and other relevant factors.

e. Screening Criteria and Procedures.

All successful applicants will be income eligible and have acceptable credit, criminal history and landlord references.

All applicants for admission to any dwelling unit in the Property must satisfy the screening criteria set forth below, after consideration (if necessary) of applicable mitigating circumstances, if any. All determinations of satisfaction by an applicant of the screening criteria set forth in paragraph 1 below, or of the adequacy of mitigating circumstances, will be made by the Agent.

1. Screening Criteria. The following screening criteria will be used to judge an applicant's past practices relating to lease compliance and occupancy issues. Screening criteria will be publicized and made available to applicants upon request. An applicant shall not be rejected unless information available with respect to such applicant demonstrates that such applicant would be likely to interfere with other tenants in such a manner as to diminish their enjoyment of the premises by adversely affecting their health, safety or welfare or their physical environment, or that a substantial risk exists that the applicant will not fulfill its rent obligations timely. Relevant information respecting habits or practices to be considered in making such determinations is as follows:

- (A) An applicant's past performance in meeting financial obligations, especially rent, will be considered in determining if there is a substantial risk that such applicant will not fulfill its rent obligations. Factors to be considered are as follows:

- (i) No outstanding landlord tenant debt.

- (ii) No prior landlord, property owner, or mortgage nonpayment or other rental lease violation within the past 36 months
 - (iii) No material reported delinquent consumer debt balances or debt written off within 24 months from the date of application.
 - (iv) No history or pattern of substantial past due consumer debts within the last 24 months with balances older than one year;
 - (v) Taking into account other financial obligations and subject to Section 2.4.e.2.(D) below, the monthly income of the applicant must not be less than 2.5 times the monthly rent amount, supported by verifiable income that has been in place for ninety days and expected to continue over the subsequent twelve months. Section 8 voucher holders are exempt from this requirement.
 - (vi) Utilities must be current, and applicant must be able to secure utilities in his/her own name.
- (B) Criminal record check, as allowable by law with respect to all applicants for occupancy in the Property, showing no record of past criminal activity as follows:
- (i) Not currently engaged in and no record of conviction of using, manufacturing or distributing methamphetamine or other illegal drugs including, without limitation, any "controlled substance" as that term is defined in Section 102 of the Controlled Substances Act, 21 U.S.C., Section 802;
 - (ii) Not currently engaged in and no record of conviction for illegal drug possession within last five years from the date of the conviction or end of the incarceration, whichever is most recent;
 - (iii) Not currently engaged in and no record of any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage within last ten years from the date of the conviction or end of the incarceration, whichever is most recent.

- (iv) No record of any other felony conviction for the last five (5) years from the date of the conviction or end of the incarceration, whichever is most recent;
 - (v) No record of conviction for murder, attempted murder, rape or attempted rape, involuntary deviant sexual acts, aggravated assault, child abuse, domestic violence or arson.
 - (vi) Is not subject to a lifetime registration requirement under a Federal or State sex offender registration program.
 - (vii) Is not a sex offender, not subject to lifetime registration. Housing of such person shall be prohibited for a period of ten (10) years from the date of the arrest, conviction, or end of incarceration (whichever is later) or the period of required registration as a sex offender, whichever is greater.
 - (viii) Declaration from head of household that no family member under 18 years of age has been convicted of a crime classifying him or her as an adult. If this declaration cannot be made as to any member, the declaration will provide consent to the release to the Agent of police information for the purpose of verifying whether any such conviction for that family member exists. If such consent shall not be sufficient to obtain release of such information to the agent, the parent or guardian of such member shall be required to obtain and submit such information to the Agent.
 - (ix) Arrests – If an applicant or member of an applicant's family has been arrested for a crime but has not yet been tried, the application will be suspended in its current position on the waiting list, pending the outcome of the legal proceedings. The application will be reconsidered, with the above guidelines applied, after such legal proceedings have been concluded.
- (C) Declaration from head of household that no family member under 18 years of age has been convicted of a crime classifying him or her as an adult. If this declaration cannot be made as to any member, the declaration will provide consent to the release to the Agent of police information for the purpose of verifying whether any such conviction for that family member exists. If such consent shall not be sufficient to obtain release of such information to the agent, the parent or guardian of such member shall be required to obtain and submit such information to the Agent.

- (D) References from previous and present landlords for a minimum of three (3) years prior to application will be obtained. Applicant may be rejected if this report documents failure to make rental payments or making habitually late payments; poor housekeeping habits; failure to cooperate with Section 8 or Low Income Housing Tax Credit annual certification processes; permitting persons not on the lease to reside in the applicant's unit; or responsibility for disturbing the safety, security, and right to peaceful enjoyment of other residents.

Standards for rejection include:

- (i) Substantial risk that the applicant will be unable or unwilling to pay rent;
- (ii) Substantial risk that the applicant or those under the applicant's control will interfere with the health, safety, security, and the right to peaceful enjoyment of the residential community; and
- (iii) Substantial risk of intentional damage to or destruction of the unit and surrounding premises by the applicant or those under the applicant's control.

2. Mitigating Circumstances. In all instances where unfavorable information would cause an applicant family to fail to meet the screening criteria set forth above, best efforts will be made to obtain mitigating information from all available sources. Sources of information may include, but are not limited to, the applicant (by means of interview), landlord, employers, family social workers, parole officers, court records, drug treatment centers, clinics, physicians or police departments where warranted by particular circumstances and as allowable by law.

Consideration will be given to the time, nature, and extent of the applicant's conduct (including any reasonable explanation therefore) and to factors which might indicate a reasonable probability of favorable future conduct or financial prospects.

Mitigating factors to be considered include the following:

- (A) Negative credit information can be mitigated through third party verification, including but not limited to a creditor, of each item that (i) there has been a payment plan and a three month timely payment history on such plan; or (ii) the applicant has disputed

such debt and can provide verification of such dispute as well as documentation to support the dispute.

- (B) Record of unsuitable rental history or behavior can be mitigated if applicant can show evidence of rehabilitation or participation in rehabilitation. If the evidence relates to a change in medical condition, the Agent shall have the right to request further information or refer such information to persons qualified to evaluate such evidence.
 - (C) Evidence of completion of rehabilitation or verification of current rehabilitation to mitigate history of one or more family members with drug or alcohol abuse.
 - (D) In the case of an applicant for admission to a LIHTC Unit or Other Restricted Unit, having income less than the minimum ratio to rent prescribed by Section 2.4.e.1(A)(v) can be mitigated through third party verification of timely rent payment history of rent in an amount not less than the expected rent amount in the Property.
 - (E) The applicant's rent burden (unsubsidized rent and utility payments exceeding 30% of adjusted gross income) will be considered as a mitigating factor for rent payment history and other credit issues.
3. Selection. The Agent will select for admission to any Unit in the Property, each applicant approved by the Agent under the foregoing screening criteria, after consideration of mitigating circumstances if necessary, subject to unit availability, in accordance with the applicable waiting list order and to final verification of income and other eligibility requirements described above.
4. Rejection. An applicant shall be rejected for admission to a unit if (i) the applicant fails to meet applicable income or eligibility criteria, or (ii) the Agent determines that the applicant fails to meet the screening criteria set forth above, after consideration of mitigating circumstances.

The Agent will promptly notify a rejected applicant in writing of its rejection, stating the reason therefore and advising the applicant of his or her right to request a meeting, within fourteen (14) days, with a representative of the Agent other than the individual who made the initial determination. If the applicant requests such a meeting, the Agent will give the applicant a final decision, in writing, within five (5) days following the applicant's meeting with the Agent.
