Roasted Beet Citrus Salad

1. Preheat the oven to 400°F.
2. Wrap each beet in aluminum foil with a drizzle of olive oil and generous pinches of salt and pepper.
3. Place the wrapped beets on a baking sheet and roast until they're fork-tender. Mine usually take 35-60 minutes – the time will depend on the size and freshness of your beets.
4. Unwrap the beets and set them aside to cool.
5. When they're cool to the touch, rub off the skins. Do this step under running water for easy cleanup!
6. Make a vinaigrette from a few splashes of sherry or balsamic vinegar, fresh orange and lemon juice, and a few pinches of salt and pepper.

Historic Town of Smithville

Over 120 Christmas Trees made from over 50,000 Christmas lights, magically float on Lake Meone in the center of Historic Smithville. The moment darkness falls, an orchestrated show of lights and music is played out across the lake. This show can be seen from either side of the village as well as the bridge. **Thursday, Friday, Saturday & Sunday evenings from dark thru 8:30pm.**
